Chairman's Message

Welcome to Bickleigh Down this afternoon for this mouth-watering double header featuring opposition from both sides of the Tamar. With the weather playing havoc with the fixture schedule recently it will be great to see 60-odd players to get some game time at last. I extend a very warm welcome to the players, officials and supporters of both Lanner and Devonport Services, clubs with quite unique histories and identities but both enjoying successful seasons.

We are also hoping to see a number of old friends today with the PAPPA reunion, now in its fifth season, more on that later on in the programme. Many thanks also to our generous club sponsors especially today's match sponsor **Martin Edwards Handyman**. I'd like to thank all the volunteers today including U15 player **Owen Martin** who is supplying the pre-match buffet. Finally a big thankyou to Plymouth Referees Society for supplying today's match officials, let's please show them every respect. Unfortunately I can't be with you today but I hope you enjoy the matches, drink plenty of beer and watch the Six Nations in the clubhouse afterwards!

Nick Hancock

For those that don't know Nick is currently in Derriford Hospital (appropriately Bickleigh Ward!) awaiting an operation. He and Lucy would normally be taking a major role in proceedings both on and off the field. We would like to extend our warmest wishes for a speedy recovery and look forward to seeing him and Lucy back up the club very soon (after a well-earned rest!). **Rich Belli**

RFU Accreditation!

The award being presented to Secretary Stuart Quarterman by Devon RFU President Treve Mitchell

We are pleased to announce that the club has again been awarded 'RFU Accredited Club' status. The Club Accreditation scheme is based upon the six Key Drivers identified as crucial to a strong club:

- Retaining & Developing Players
- Recruiting New Players
- Recruiting & Retaining High Quality Coaches, Volunteers & Referees
- Effective & Efficient Facilities
- Effective & Efficient Management and Governance
- Integration with the Local Community
-

The efforts put in to achieving this, should guide the club in the right direction and ensure stability in for the years to come.

Lanner RFC

Whilst not quite as old as Argaum, there was a rugby team in Lanner for much of the early part of the last century, although there is no record of the teams meeting during that period. Reformed a few years ago, the West Cornishman have flourished after being promoted from Cornwall One two seasons ago. The Chiefs have in fact yet to overcome today's visitors in the previous three meetings, the only recorded meetings between the two clubs.

Junior Rugby News

All of our current junior teams; Under 15s, Under 9s, Under 8s & Under 7s are at Totnes RFC tomorrow morning (10:00am). If you have children interested in joining the thriving junior setup then please contact

Junior Chairman Wayne Liddle by dropping him an email cubs@argaum.org.uk or visiting our website www.argaum.org.uk.

Pre-match Catering

Today's pre-match buffet is supplied by one of our Under 15 players, **Owen Martin**. The Under 15s squad was assembled a couple of seasons back virtually from scratch including several who had never played the game before. Under the tutelage of coach Adrian Howe, the squad has gone from strength to strength and a number of players have received recognition at county level.

An opportunity arose last season for a Rugby Scholarship with Plymouth College and after being successful in the trials Owen was accepted and has established himself in the school's rugby team.

The college are undertaking a tour to Canada and each player has to raise a certain amount towards the costs to demonstrate commitment. This is the second time Owen has put on the catering at the club and we hope that you will donate generously towards his fundraising. Many Thanks!

PAPPA

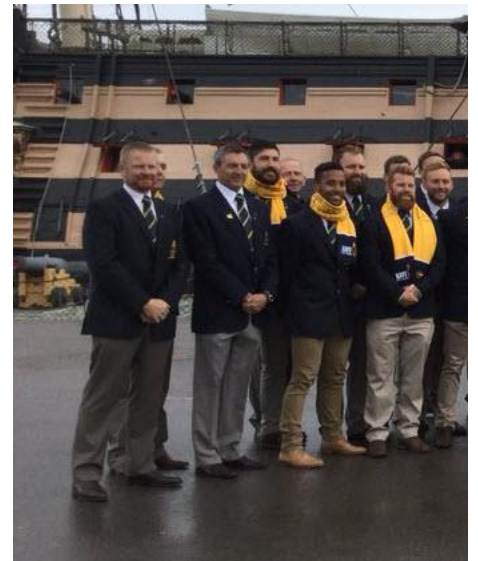

Plymouth Argonauts Past Players Association (PAPPA) has been set up in order to connect up the vast number of past players, volunteers, their partners and friends so that we can:

Keep people informed about how the club is progressing these days, share some of the great times we've had over the years and maintain the club's history. For more information online see the PAPPA pages at

www.argaum.org.uk or visit our history pages at **www.argaum125.argaum.org.uk**.

It was great to see former Argonauts junior coach Nev Cook over in the UK with the Australian Navy Rugby team as they take part in the Commonwealth Cup. Nev, who moved from Roborough to Canberra almost 10 years ago has worked his way through the coaching ranks down under. He is pictured here along with the squad alongside HMS Victory in Portsmouth. They play the Royal Navy in Portsmouth on Monday evening (19:30).

You are probably aware that our Club President and PAPPA-in-chief Steve Barnes has taken up residence in the Orkney Islands in the past year. It didn't take him long to don the famous knitted socks and have an 80 minute run out recently at hooker. Barney has been really impressed by the Orcadians commitment which sees them regularly travelling vast distances to the mainland to play matches. He keeps very much in touch

with the club through the Facebook PAPPA page and twitter, where can be found **@NoBullPhoenix** .

A number of other past players weren't able to make it today but passed on their best wishes for today's event including Bill Ryan, Barry Rees, Mike Worth, Jim Crowther and Ed Notley.

Devonport Services

Action from the 2013-14 Ellis Cup Final

Plymouth Argaum and Devonport Services have a long history in the cup, meeting regularly in both Combination and County Cup competitions. Argaum's first victory in the Lockie Cup in 1923-24 came at the expense of Devonport Services 'A'. The last time the Wanderers met Services III in the Ellis Cup was in the final itself in 2013-14 where the 'Sporting Blues' ran out winners by 16 points to 3 at Brickfields.

The Ellis Cup dates back over 25 years, the trophy having been presented to The Plymouth Combination by Roy Ellis, who played for a number of local clubs including Plymouth Argaum.

Club News

- The long running saga of clubhouse and pitch development continues but with house building in the area increasing apace the committee, in conjunction with land owner Bill Hitchins, have made sure that they are well placed to be allocated dedicated rugby facilities in the local plan. We will of course bring you more news as we have it. A lot of work has been going on behind the scenes, with the club incorporated in September and the clubhouse ownership and land secured.
- A very apt subject at the moment but the club is looking to purchase a defibrillator to enhance its first aid facilities. **HeartSwell** are contributing £1000 towards it and another £1000 paid will be raised by the club. Watch this space for a fundraising drive!
- The club were able to retrieve a positive from a postponement due to recent bad weather. More than 80 pasties, ordered for after-match food were donated to Plymouth Soup Run, a community and faith driven service providing free food and hot drinks to homeless, hungry and vulnerable people 365 days a year. Well done to all involved!
