

"Exceptional Smiles
for Exceptional People"

Multi-Award Dental Surgery Hall Green, Birmingham

Sherwood Dental Practice is a multi-award-winning surgery located in Hall Green, Birmingham. It is owned by husband-and-wife team, Dr Saaqib Ali, and Dr Farah Alam. Their son, Farris has recently started playing rugby at the club with the under 9s and having been so warmly welcomed, they jumped at the chance to become a sponsorship partner. Club members may have noticed the distinctive yellow advertising boards that have gone up around Pitch 1 next to the car park.

Dr Ali said "I played rugby myself at Bablake School and for Coventry City U18s. I was delighted when my son showed an interest in the sport. As a dentist, **I strongly recommend that players of all ages wear a gum shield to protect their teeth.** A custom-made gum shield will offer maximum protection in the event of a blow to the face. They ideally should be changed every season for children with developing dentitions."
