## Car Parking Policy

On certain match days, the Club is experiencing parking congestion. We are keen to maintain convenience for our members and guests but we must also minimise the disruption and inconvenience to residents and maintain a safe environment.

To these ends our Parking Policy is as follows:

1. Members should try to car share, walk or cycle to the Club.
2. Members must respect the No Parking Zones, as marked by cones.
3. Members must cooperate with any Parking Stewards.
4. If there is no space in the Club Car Park, members should park sensibly and safely showing due consideration to residents.

**Thank you for complying with this policy**
