Soft ball Camp

Soft ball camps make cricket fun and exciting! No previous experience is required, come along and learn some new skills. The sessions will be game based ensuring each player has an opportunity to bat, bowl and field. Open to boys and girls generally aged between 5 to 9. Helping the younger children build confidence and hand eye coordination.

Hard Ball Camp

The focus of this camp is on improving batting, bowling and fielding skills. Sessions will be challenging and fun for all participants, using bowling machines, video analysis software and game situational practices. This camp is for hard ball club cricketers aged 10 to 16. We will look to play as many hard ball games as possible!
