## Spartan Southern Midlands League Premier Division - Sat 28th Sept

For the second week running Oxhey Jets were grateful for a last gasp winner, the Jets winning 3-2 at home against Dunstable Town. Leaders Tring Athletic recorded their eighth successive league win since being beaten on the opening day with a 2-0 success at Arlesey Town. Second placed Newport Pagnell Town suffered a surprising defeat at Harefield United, the hosts winning 6-1. It was a day of comebacks as Leverstock Green came from a goal down at the break to win 2-1 at Harpenden Town while likewise a half time deficit was overturned by Aylesbury Vale Dynamos as they defeated visiting Baldock Town 4-1. Colney Heath maintained their 100% league record with a solitary goal success at Leighton Town, the game drawing the highest attendance (170) of the day. Eynesbury Rovers were made to work hard against bottom club North Greenford United, the hosts squeezing it by the odd goal in three. Elsewhere Potton United edged out visiting Edgware Town 2-1, Crawley Green thumped their guests London Colney 7-1 and Biggleswade United recorded a sound 4-1 home success against newly promoted Broadfields United. # LEAGUE MATTERS

# TODAYS VISITORS

## Harefield United

The club was formed in 1868, making it the oldest club in Middlesex. In their formative years they played under such names as Harefield Victoria and Breakspear Institute in the local Uxbridge Leagues before merging with Harefield FC in 1934 to become Harefield United, playing in the Uxbridge and District League.

By 1947 the club had joined the Great Western Combination, playing at Taylors Meadow and winning the league once in the 1950-1 season. In 1964 the club moved to the Parthenon League, winning the league at the first attempt. They then joined the Middlesex League two seasons later where they stayed for five seasons, winning the league title four times and the league cup twice.

In 1967-8 the club celebrated their centenary by moving to their present ground at Preston Park in Harefield, joining the Spartan League Senior Section in the 1971-2 season, staying there for four seasons, making their debut in the FA Vase in 1974-5 before progressing to Division Two of the Athenian League for the 1975-6 season. The club also made their debut in the FA Cup in 1979-80. The Athenian League folded in 1984, the year the Hares won the League Cup under manager Nobby Carpenter, making them still the current holders!

The club then moved to the Isthmian League Division Two North for two seasons, then spent seven years in Division Two South before being relegated to Division Three where they stayed until after the 1996-7 season when lack of funds for ground improvements meant the club had to move back to the Spartan League. A year later they became founder members of the Spartan South Midlands Premier Division South, until it was renamed Division One where they finished runners up and won the League Cup, before playing in the Spartan Premier where they remained until being relegated to Division One at the end of 2015-6. This spell was the most successful in the club's history winning the Challenge Trophy in 2002-3 and the Premier League Cup the following season when they were also runners up in the Middlesex Senior Charity Cup. Under manager Stuart Leavy the Hares were league runners up twice, in 2006-7 and again in 2008-9 when they missed out on promotion to the Ryman League by one goal difference to Biggleswade Town.

In season 2016-7 the club played five FA Cup ties and won the Middlesex Cup, finishing eighth in Division One.

In 2018 United celebrated their 150th year of football in Harefield as a community club promoting senior, junior, Sunday and women's football. The same season 2018-9 Manager Jason Shaw gained promotion in his fourth campaign by going unbeaten all season, only dropping four points and winning 34 consecutive matches, also winning the Middlesex Premier Cup against a strong Cockfosters side. "The Invincibles" now look to start the 2019-20 season back in the Spartan South Midlands Premier Division. Here's to the next 150 years!
