# Welcome

Baldock Town offer a warm welcome to the players, officials, and supporters of St Panteleimon FC this afternoon and hope that they enjoy the game.

St Panteleimon are second top of this Division but we managed a win away from home back in December. We have struggled to find a win of late so are at the other end of the League from St Panteleimon for now. I still come away from games wondering 'how did that happen?' and with some more luck and being able finish our chances we could be in a whole lot better position by now. This isn't a strong league and there are maybe one or two decent teams around but there is a lot of variability in the rest so anything is possible today.

We have Shefford and Campton at home on Tuesday night, one of our near neighbours and hopefully some of you can make it along to that one.

Please read the serious special message about Fan Behaviour and Safety on the next page and please help support the message.

Thank you for your continued support and enjoy the game.

John Graham  
Programme Editor

# Important Message

Every football fan should feel safe when watching their team. But last season we saw a minority of supporters ruining the game for others. That's why we're supporting strong measures across football to tackle antisocial and criminal behaviours within football grounds.

These include entering the pitch without permission, carrying or using smoke bombs or pyros and throwing objects onto the pitch, as well as discriminatory behaviour and taking drugs. All of these are illegal, dangerous and have no place in our game.

For everyone's safety, clubs will report anyone carrying out these offences to the police, which can result in a permanent criminal record. These measures could also now apply to the parents or guardians of children involved in these activities.

From the start of the 2022/23 season, anyone who enters the pitch and those carrying or using smoke bombs and pyros will now automatically be banned by their club.

These measures reflect the seriousness of the risks to fans and staff – pyros can burn at 2000 degrees Celsius and cause life-changing injuries, while entering the pitch endangers players, managers and match officials – it is impossible for anyone to tell the difference between a celebrating fan and a violent attacker.

The football authorities are working with clubs and the Football Supporters' Association to make sure everyone feels safe on matchdays. We ask all fans to come together to show that those who commit these illegal acts do not represent the majority of supporters.

Love Football. Protect the Game.

# ST PANTELEIMON FC

St. Panteleimon FC (nicknamed "The Saints") was established within the Greek Orthodox Community in Harrow - NW London in 2015, to create a sporting and family based team. Our philosophy is the provision of a safe and supportive community setting, encouraging skills development, fitness, fair play and teamwork.

As of April 2018 St. Panteleimon FC achieved The FA Charter Standard Club Award, presented by the Middlesex FA, now England Football Accredited.

We strive to provide an inspirational and motivational environment where preparation, practice and hard work generate legitimate opportunities for success, while emphasising the importance and development of fundamentals and techniques necessary for positive experiences in football and in life, creating a consistently exciting and entertaining programme that generates a wave of support, pride, and tradition for our entire community to share.

The Team was blessed by His Eminence Archbishop Gregorios of Thyateira and Great Britain.

Our team competed in the Cypriot KOPA League for two seasons, winning the double in 2016, as Second Division champions and Cup winners. In the 2017-18 season the "Saints" entered the English Football Association system, joining the Middlesex County Football League Division 1, and were promoted as undefeated Champions!

The 2018-19 season proved even more successful with the Saints claiming the Middlesex County Football League Premier Division Double registering only one loss for the entire year, winning the Championship and the Cup! We were also honoured to participate for the first time in our early history in the FA Vase, reaching the first round proper, after succeeding in the first two qualifying rounds.

With four successive promotions, St Panteleimon FC have risen through the Cherry Red Combined Counties Premiership and are now playing in the Spartan Southern Midlands League, Premier Division.
