HWHL End of Season Report 2018/19

1. Participation in women's hockey in Hampshire is growing and I am very pleased to announce that we have 94 teams entered in the HWHL for next season. HWHL are delighted to welcome 14 teams joining HWHL from West and means some re-organisation to ensure competitive hockey for all.

2. The HWHL committee remains unchanged; Nicki Smith as league secretary and Victoria Small and Kim Howarth

3. Richard Wood to continue in the role as HWHL Administrator.

4. Fees for HWHL 2019/20 season are reduced to £35 per team.

5. League structure for 2019/20 season remains unchanged, following a vote as to whether regionalisation might be a better option for lower divisions for 2019/20 season (voted against regionalisation), but has increased to 8 divisions as follows;

Hants Prem x 12 teams (previously Div 1)

Div 1 x 12 teams

Div 2 x 12 teams

Div 3 x 12 teams

Div 4 x 12 teams

Div 5 x 12 teams

Div 6 x 12 teams

Div 7 x 10 teams

This structure aligns with many other county structures. HWHL rules will be updated to include this change.

7. HHUA Appointed umpires.

HWHL would like to thank David Boyle and HHUA umpires for their appointment to Div 1 games last season.

With the above structure change HHUA will appoint to Hants Prem (formerly Div 1).

8. We have no teams coming back down from South 3B this year; well done to Southampton who finished 3rd, Fareham who finished 5th, Haslemere who finished 6th and Aldershot & Farnham who finished 10th. Congratulations also to Trojans 2s who finished 9th and Havant who finished 11th in South 2 and Basingstoke who finished 3rd in South 1. See below for HWHL winners and runners up;
