# STEVE'S SAY

MANAGER STEVE BODLE GIVES HIS  
THOUGHTS ON RECENT EVENTS

Good evening to all and welcome to the Fast Frame, the home of Ollerton Town FC, for today's League Cup game against Penistone Church.

I suppose in keeping with the Halloween holiday period, there's no rest for the wicked! Another home game a few days after a great performance against our local rivals Clipstone, which resulted in a 4-0 win. In truth everyone who came to watch or be involved in would agree we should have been out of sight at half-time however it was only 1-0.

Thankfully, the lads continued to work hard and they got their rewards with three second half goals. Throwing in a clean sheet made it a perfect Saturday performance.

Today's opponents are a very good side, one in a higher division and one coming off the back of a great win against Grimsby Borough who are currently top of their division. We are under no illusions that we will have to be right on our game in all three phases of the game, attack, defence and then set pieces to be competitive.

Whilst we face a tough game it's one we can see where we are, where our stress points are and how to overcome a different challenge, the lads love the underdog tag but I hope we can start to believe we are a good side and one other teams fear, a victory and performance today will help that I hope. We picked up a few injuries on Saturday so today

will see a little rotation but the squad has good depth, it does create opportunities for others to make a point to me and put themselves in position to keep the shirt for Saturday's game at Teversal.

I will say a big thank you to everyone who came to the game Saturday, over 100 spectators is fantastic for Ollerton especially when Stags are also at home, the lads could feel the energy you produced and this definitely factored in the win, please drag friends and family with you to our upcoming games, I hope we can grow together because it really helps on and off the field.

Once again big thanks to our main sponsors, Imperial Personnel and FastFrame alongside many others..

Enjoy the game

Ollerton has a long history of football going back to the late 1800s. One of its best periods was immediately before the Second World War when Ollerton Colliery won the Notts Senior Cup in 1937/38 and its reserve team won the Notts Intermediate Cup the year previous.

Ollerton Colliery ceased as a football club in the early 1980s but was reformed in 1988 as Ollerton and Bevercotes Miners Welfare and began life in the Mansfield Bitter League before progressing to the Notts Football Alliance in 1991. The club won the Nottinghamshire Football Alliance Division Two championship in 1992–93, gaining promotion to Division One under the management of Adge Owen and David Kent.

Following the closure of the colliery in 1994, the club changed its name to Ollerton Town F.C. In the same year, Ollerton were champions of Division One in 1995–96 and were promoted to the top division of the Notts Alliance.

After finishing runners-up in 1999–2000, the club was promoted to the Central Midlands League and entered the English Football Pyramid.

In the 2007–08 season, Ollerton, under the management of Don Gethfield, David Kent and Anthony Thompson, the club won the Central Midlands Premier Division, earning promotion to the Supreme Division. That season they also reached the Nottinghamshire Senior Cup final where they were beaten 2–0 by Eastwood Town. In 2008–09, the club took part in the FA Vase for the very first time, getting to the second round proper in 2009–10..

After the resignation of Don Gethfield back in 2011, and a brief stint under Paul Rawden, the club appointed Dave Winter and Stephen Bodle as first team managers. The pair guided the club to a 7th placed finish and the Central Midlands Floodlit Cup final in their first season.

For the 2011–12 season, the club was placed in the Central Midlands North Division following a league restructure.

Ollerton spent a few seasons in the middle echelons of the league before in the 2015–16 season, with former-captain Jamie Allan now also on board as first team coach, the club secured promotion to the Northern Counties East League after finishing runners-up in the Central Midlands North. The club battled against the odds to secure their survival over the next three years and recorded some memorable results against some very big teams.

In 2020, after the season came to a premature end due to the COVID-19 outbreak Ollerton were moved laterally to the East Midlands Counties League but the season only lasted 12 league games before it once again fell victim to the pandemic and national lockdowns.

This summer, Ollerton returned to the NCEL as part of the restructuring of the non-league system and after almost a decade in charge, Dave Winter stepped down as manager, being replaced by his long-serving assistant Steve Bodle.

# A GAB WITH GIBBO

---

Good evening everyone and welcome to The Fast Frame for tonight's League Cup game against NCEL Premier Division side Penistone Church.

It is vital in football to always have a clear objective and why shouldn't we say we want to win this cup competition? Setting this target gives us motivation and focus, as well as means to play with healthy pressure.

Saturday's win over Clipstone was fully deserved. The lads created numerous chances in our 4-0 victory and I hope you enjoyed the game.

Congratulations to Callam Atkinson for his goal and on the recent birth of his son. Callam is a good player and popular young man.

I've been informed that admission for our Reserve games are now £3. However, this is still good value for money and every penny raised on match days goes into the running of this old community football club. Richard Walker's young side are at home this Saturday so if you are free, please pop down.

Tonight we welcome everyone associated with Penistone and hope they have a safe journey home. The Sheffield based side gained a splendid result on Saturday with a 4-1 victory over league leaders Grimsby Borough. They are defensively solid and have many players who can create and score goals. We will have to show togetherness if we are to progress to the next round.

Enjoy the game and thanks for your support.

# LEAGUE NEWS

The two in-form sides in Division One met with North Ferriby, unbeaten in fourteen league games, at home to leaders Hallam who were unbeaten in twelve and it proved to be a tight affair with only one goal settling the encounter.

Danny Buttle scored the winner for the hosting Villagers who are up to second in the table, Hallam drop to third, and the new leaders are Rossington Main who grabbed a dramatic victory at Swallownest to reach the summit for the first time this season.

Jake Squires had given the home side the lead in first half stoppage time before Myron Gibbons netted a 58th minute equaliser and, going into the final seconds, Conner Williamson popped up with the matchwinner in a 2-1 victory for Ben Hunter's side.

Brigg Town drop to fourth after a 2-1 loss at Harrogate Railway Athletic who jump up to fifth with their win, courtesy of an injury time Daniel Thirkell penalty after Elliot Holmes had cancelled out Scott Phillips' seventh minute opener for the Zebras.

Adam Baskerville's late equaliser secured a point for Armthorpe Welfare and they are now sixth following their 1-1 draw at Selby Town whilst Nostell Miners Welfare are seventh after their 3-2 victory at neighbours Worsbrough Bridge Athletic on Friday.

Liam Ormsby and Anees Younis gave them a 2-1 lead at the interval with Michael Jepps netting for the hosts, Younis' second gave them a two-goal advantage early in the second period and Conor Glavin's penalty brought the hosts back into the encounter late on.

The division's bottom two sides both suffered 2-1 defeats on their travels with Tversal going down at Glasshoughton Welfare despite taking the lead through Cameron Pinnick as Lewis Stephens and James Cusworth ensured a win for the hosts.

The Tevie Boys remain rooted to the bottom, four points behind Rainworth Miners Welfare who were beaten at Parkgate, Jack Bancroft and Frederick Tracey scoring for the Steelmen before a 46th minute goal for the Wrens from Morgan Boyle.

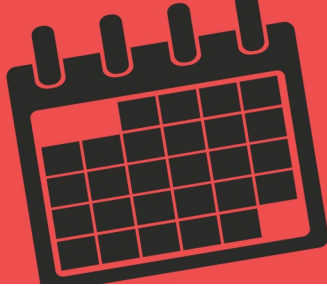

Dronfield Town leapfrogged visitors Shirebrook Town to sixteenth with a 2-0 victory, two quickfire first half goals from Callum Mawbey sealing the deal, whilst Ollerton

After a horror-show performance last time out, more fitting for this weekend's festivities, Ollerton Town bounced back in perfect style with an emphatic 4-0 victory over local rivals Clipstone at The Fast Frame Sports Ground.

Ollerton shipped six unanswered goals in that defeat to Armthorpe last week and in truth, they could, and should, have got more than the four they managed against Clipstone, spurning chance after chance in a dominant display which saw Town 'keeper Levi Owen largely untested throughout. In front of a season high home crowd of 110, Ollerton got off to the perfect start. There were only a few minutes on the clock when they were awarded a free kick on the left-hand side. Ollie Grady stepped up and whipped the ball to the back post where Callam Atkinson was given space and time to head past Charlie Bryan.

Ollerton wanted a second and Gav King almost got it when he dragged a shot just wide of the goal after being fed by Grady on the edge of the area.

In the 17<sup>th</sup> minute, Ollerton had a great chance to double their lead. Atkinson chipped a pass over the top of the Clipstone defence into the path of Joe Lumley who controlled the ball on his chest and volleyed into the side netting. Ollerton then suffered a blow as they lost Lewis Murr to injury, replacing him with Sam Martin.

That didn't change their momentum however as their chances continued. Atkinson broke the offside trap in the 21<sup>st</sup> minute and found himself through on goal but rather than trying his luck, he attempted to feed King and the pass was intercepted.

King was next up as Sam Geeves' cross found him at the far post, but his looped header landed on top of the net.

A minute later, Clipstone were let off the hook once again as Grady was played through on goal but poked a shot wide of the post.

Ollerton 'keeper Levi Owen was near enough a bystander throughout the first half, and he saw his team go close once again in the 37<sup>th</sup> minute. Geeves got in down the right and sent the ball across goal, a Clipstone defender could only turn it into the path of Atkinson, and he reacted well but could only send the ball wide of the goal.

Top 'scorer Gav King would have fancied his chances of adding to his tally, but he spurned a good opportunity when his low strike was saved by the legs of Bryan.

Ollerton were forced into another change in the 41<sup>st</sup> minute when Joe Turner, who had started the game well, suffered a hamstring injury and was replaced by Joe Bayne.

It had been a controlled first half display by Ollerton, and they deserved to have the game put to bed, but the second goal was proving elusive, as Conor Green headed wide in the final seconds of the opening forty-five.

When the second half got underway, it followed the same pattern as the first with Ollerton dominant and piling pressure on the Clipstone goal. King curled the ball over the bar after being teed up by Lumley and two minutes later, a Grady corner was dropped by Bryan and King's effort was blocked on the line.

Clipstone's first chance of the game arrived in the 58<sup>th</sup> minute. A cross from the right found Jack Lowe who hooked the ball towards goal, but it was comfortably wide of the target.

Atkinson could have got his and Ollerton's second just before the hour mark, but his shot was easy to save for Bryan.

In the 68<sup>th</sup> minute, a long ball forward by Brandon Shaw put King through and he got a firm shove in his back by the recovering defender but stayed on his feet and managed to lift the shot over Bryan, but the shot was off target and the referee ignored the Ollerton appeals for a foul.

With twenty minutes to go, Clipstone's Dec Whitton was sent to the sin bin for dissent and that saw Ollerton up the pressure on the visitor's goal.

King found space inside the area and after an accurate cross from the left, his diving header was saved by Bryan.

The more chances Ollerton missed, the more tense the game felt as one chance for Clipstone could have seen them steal a share of the points. In the 77<sup>th</sup> minute, Ollerton were presented a golden opportunity to seal the win as Joe Bayne was fouled inside the area, leaving the referee with no choice but to point to the spot. It was Bayne himself who stepped up and from 12 yards, he calmly slotted the ball into the bottom corner for his first Ollerton goal.

A minute later, it was 3-0 and the game was well and truly put to bed. Conor Green's cross made its way to King on the edge of the six-yard box. The prolific goal scorer showed great composure and foot work to skip past Bryan and despite a defender on the line, he was able to stab the ball home.

The score line was now fitting of Ollerton's dominance, but they kept pressing for a further goal. With time running out, Ollerton were awarded a free kick on the edge of the box, but King's effort went over the bar.

There were only seconds left on the clock but that was still enough time for Lumley to finally score his first Ollerton goal. The hard-working midfielder has come close on several occasions this season, but he finally got off the mark, drilling the ball into the back of the net from just inside the area.

# PENISTONE CHURCH

In the early 1900's football in Penistone was being played by Penistone Juniors Football Club.

In 1906 the Juniors amalgamated with players from Penistone Church Choirboys and a new team was formed under the name of Penistone Church F.C. The newly formed club played their games on the local park. In 1908 we were the first winners of the Sheffield League Cup and, on their return from the cup final, the players were met at the train station by over 2000 people who carried them shoulder high to the then headquarters, The Spread Eagle public house. We won this cup again in 1938.

It was in 1949 that the Hinchliffe farming family donated the present day land to the Penistone community in memory of the dead from the two World Wars. Mr Hinchliffe did stipulate that the ground must be called the Memorial Ground and that it could only be used for the community of Penistone to play sport. For many years the teams played in the old Penistone league, winning both the league and cup ( the cup is in the trophy cabinet to this day, the league shield has gone missing ). They then joined the Hatched league which they won and also the County Senior league. When these leagues amalgamated in 1982, Penistone Church were founder members with both their teams being accepted into the league and where our reserves play to this day.

Our first team played in this league until 2014/15 season when they were promoted to the Northern Counties East League. In our first season we finished a respectable 9th and in our second season 5th enabling us into the play-off semi final which we narrowly lost to AFC Emley.

Our third season in the NCEL (2016/17) was our most successful ever, as we won promotion to the Premier Division by beating AFC Emley in the Play-off Semi Final and Grimsby Borough in the final. We finished the season off by winning the Northern Counties East League Cup against Bridlington Town in the final at Bramall Lane.

Our first season at NCEL Premier Division level has been another successful one including finishing 7th in the league and reaching the Sheffield & Hallamshire Senior Cup final for the first time in our history where we were narrowly beaten by Shaw Lane. We also had our best ever run in the FA Cup reaching the first qualifying round where we were knocked out by Harrogate Town.

In our second season in the Premier Division (2018/19) yet again we had another successful season being top of the league for a time before a strong finish from Worksop Town saw them crowned champions and us finishing 2nd. Our highest ever position in our history.

For most of the 2019/20 season we were in the top 3 promotion positions only for the season to be cut short by the unfortunate pandemic. We exited the FA Cup after a replay in the extra preliminary round and despite getting a bye into the first round of the FA Vase we fell at that stage.

Sadly the 2020/21 season was also badly affected by the Coronavirus pandemic. We again exited the FA Cup in the extra preliminary round narrowly losing 3-2 at Skelmersdale. In the FA Vase we beat Prestwich Heys on penalties after drawing the 1st qualifying round game and went on to beat Wythenshawe Amateurs in the 2nd qualifying round. In the first round proper we beat AFC Liverpool and after drawing our second round game at Longridge Town lost on penalties. With the league again being abandoned the final standings were decided on a points per game average over the past two curtailed seasons. We were not high enough to gain promotion.

In September 2021 long term manager Ian Richards left the club to take up a new position elsewhere and after a reshuffle former first team goalkeeper and reserve team manager Stephen Lenthall has taken over with help from another former first team player John Whitehead as assistant.

Over the last 110 years many sports have been played at the Memorial Ground including Tennis, Archery, Ladies Hockey, Cricket and Football.

In 1998 further land was obtained from Barnsley Council to enable the Club to build an all weather floodlit sport playing area, provide car parking and a further playing area to accommodate a mini junior playing area.

In 2010 Penistone Footpath Runners & Athletic Club joined the Club and have now made it their headquarters.

The Club is very proud of the achievements made over its long history and, as of today, has 6 adult teams and 10 junior sides from under 7 years old to under 18's. Ladies football started at the Club in 2017 and we now have many girls & ladies teams playing under the name of Penistone Church Football Club in official leagues.

# The Kent Comment

Good evening to you all and thank you once again for deciding to spend your time with us, and buying a match day programme. These midweek games, so soon after a home fixture at the weekend, are always troublesome but I hope you enjoy the finished article.

Saturday was a fantastic afternoon as we dominated Clipstone from the off. It ended 4-0, with three fairly late goals, but in truth it could have been four or five at half time and our opponents never really got close to testing Levi in net. Clipo will no doubt want to get revenge for this when we play them in the cup in a few weeks but let's hope for a similar result.

I wasn't at the Armthorpe game but it doesn't take a genius to work out that it was a bad day at the office. It's a shame as well because apart from that result, we're in great form and though we play higher league opposition tonight, I'm sure we'll be confident that we can cause an upset and advance further in the League Cup.

This is certainly one of the strongest squads I've known in my 15 years involved with Ollerton but this is a very strong league. I am hopeful however that we can enjoy our best ever season at step six football.

I'd like to mention Gav King who scored his 90th goal for the club at the weekend. Gav's contribution to this football club over the past few years has been exceptional and WHEN he finally hits 100 goals in the red and black, it'll be nothing more than he deserves.

Finally, on behalf of all of us at the football club, I'd like to send our congratulations and best wishes to captain Sam Stretton on his recent engagement to his partner Sarah. My message to Stret on Saturday night joked "I hope she loves you as much as I do" which sums up how highly I think of Sam as a player but also as a captain and a person. I also know that the sentiment is shared with the rest of the committee, as well as the management team and players.

Let's hope for another win tonight.

# RESERVE TEAM

Our Reserve team head into a busy November on Saturday as they host title-challenging 780 JLC.

Richard Walker's men will be hoping for another three points to take them further away from the bottom two before focus turns to two cup fixtures.

They take on Castle Donington of the Division One South before travelling away to Ashland Rovers of the Division One Central, in what will be a tough test against higher level opposition.

December offers two home fixtures and it would be great to see you down here at The Fast Frame, cheering the team on.
