# A GAB WITH GIBBO

---

Good afternoon and welcome to Walesby Lane where today we face Teversal FC.

Our friends from Sutton in Ashfield have had a difficult start to the season and find themselves at the wrong end of the NCEL Division One table. But I don't want anyone to get the idea it will be anything other than another searching test for us. They had a splendid win at home to FC Humber United last Saturday and they are more than capable of rising to the occasion here today.

The FA are doing some good work in the development of referees but it's always going to be hard to keep filling the gaps when they are subjected to some of the abuse we see all too often. It might not just come from a player, but also from supporters and managers. We don't want to take the passion out of football but it isn't a good enough reason for losing control over a game of football.

We have been drawn away to fellow NCEL Division One side Retford FC in the first round of the Notts Senior Cup and we will inform you all in due time regarding the date of the game.

Your support is very much valued by us all. Let's hope we can reward you with a good performance and the right result.

That's it from me.

Enjoy the game.

Ollerton has a long history of football going back to the late 1800s. One of it's best periods was immediately before the Second World War when Ollerton Colliery won the Notts Senior Cup in 1937/38 and it's reserve team won the Notts Intermediate Cup the year previous.

Ollerton Colliery ceased as a football club in the early 1980s but was reformed in 1988 as Ollerton and Bevercotes Miners Welfare and began life in the Mansfield Bitter League before progressing to the Notts Football Alliance in 1991. The club won the Nottinghamshire Football Alliance Division Two championship in 1992–93, gaining promotion to Division One under the management of Adge Owen and David Kent.

Following the closure of the colliery in 1994, the club changed its name to Ollerton Town F.C. In the same year, Ollerton were champions of Division One in 1995–96 and were promoted to the top division of the Notts Alliance.

After finishing runners-up in 1999–2000, the club was promoted to the Central Midlands League and entered the English Football Pyramid.

In the 2007–08 season, Ollerton, under the management of Don Gethfield, David Kent and Anthony Thompson, the club won the Central Midlands Premier Division, earning promotion to the Supreme Division. That season they also reached the Nottinghamshire Senior Cup final where they were beaten 2–0 by Eastwood Town. In 2008–09, the club took part in the FA Vase for the very first time, getting to the second round proper in 2009–10..

After the resignation of Don Gethfield back in 2011, and a brief stint under Paul Rawden, the club appointed Dave Winter and Stephen Bodle as first team managers. The pair guided the club to a 7th placed finish and the Central Midlands Floodlit Cup final in their first season.

For the 2011–12 season, the club was placed in the Central Midlands North Division following a league restructure.

Ollerton spent a few seasons in the middle echelons of the league before in the 2015–16 season, with former-captain Jamie Allan now also on board as first team coach, the club secured promotion to the Northern Counties East League after finishing runners-up in the Central Midlands North. The club battled against the odds to secure their survival over the next three years and recorded some memorable results against some very big teams.

In 2020, after the season came to a premature end due to the COVID-19 outbreak Ollerton were moved laterally to the East Midlands Counties League but the season only lasted 12 league games before it once again fell victim to the pandemic and national lockdowns.

This summer, Ollerton returned to the NCEL as part of the restructuring of the non-league system and after almost a decade in charge, Dave Winter stepped down as manager, being replaced by his long-serving assistant Steve Bodle.

CAPTAIN'S

Afternoon all, welcome to the game!

I would say last Saturday against Worsbrough Bridge was our strongest performance of the season so far against a good side. Everyone played with an intensity to their game throughout and it told as we limited Worsbrough to very few chances all game, whilst looking dangerous ourselves.

I thought Levi and the defence were superb on the day and the shape really suited us.

Lee has been asking us to score some 'scruffy' goals because we've certainly conceded our own fair share this season and I guess the first was maybe one of those, with it being a long punt from Levi but take nothing away from Gav's flick and then Ben's ability to stay on his feet and finish well with the pressure from behind.

The second goal was just brilliant and everyone in the team was buzzing for Geevesy to get off the mark as we all back him to have a brilliant full season with us as

COMMENT

our resident youngster!

Hopefully we can get more results like this going forward.

As I'm sending this through to Kenty for the programme, I know there's a few of us missing for tomorrow's away trip to Glasshoughton, as ever with midweekers, so hopefully we can get something from that and then fight for 3 points again today. Consistency is something we have to work towards!

Enjoy the game folks and tahnks for coming to support the lads, it's very much appreciated.

All the best.

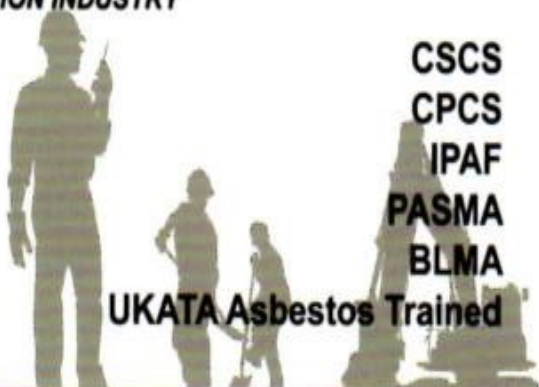

Stret.

# LEAGUE NEWS

The top three all won in Division One so Brigg Town remain in pole position, ahead of Rossington Main on goal difference, following their 1-0 win at Shirebrook Town, Stephen McCarron with a late winner for the Zebras.

Rossington, meanwhile, defeated hosts Rainworth Miners Welfare 5-2 with Niall Doran claiming a hat-trick whilst Selby Town keep two points behind the leaders in third after they came from behind to defeat visitors Dronfield Town 3-1.

Liam Flanagan struck twice with Harry Clapham also netting for the Robins who are a point ahead of Nostell Miners Welfare who jump to fourth following their 5-0 home victory over Hall Road Rangers, Danny Edwards scoring in stoppage time in both halves to help them on their way.

An own goal from Jack Birks and a second half strike from Daniel East earned North Ferriby a 2-0 win at home to Parkgate to move the Villagers up into fifth and Hallam complete the top six following their 5-1 defeat of Swallownest at Sandygate, Christopher Wood netting twice for the Countrymen.

Those two games saw mammoth attendances with 331 at North Ferriby whilst Hallam welcomed in 466 to their match with a mention as well to the fixture at Selby which saw 282 come through the gates.

The highest scoring game of the day came at the Tomlin Personnel Park where Teversal beat visitors FC Humber United 7-4 to move off the foot of the table to be replaced by their neighbours Shirebrook.

Cameron Pinnick nabbed a hat-trick for the Tevie Boys who led 3-1 at the break but the away side, who have now conceded 48 goals in ten league games, never stopped competing in what was an enthralling encounter. There were goals for Benjamin Partridge and Samuel Geeves as Ollerton Town were victorious, 2-0 at home to Worsbrough Bridge Athletic, and James Gore and Joseph Crosby netted in the final quarter-of-an-hour to claim a 2-1 away victory for Harrogate Railway Athletic at Armthorpe Welfare.

And, an 87th minute equaliser by Clipstone's Declan Whitton saw the Cobras draw 2-2 home to Retford FC.

A goal in each half, scored by Ben Partridge and Sam Geeves respectively, saw Ollerton Town deservedly beat Worsbrough Bridge 2-0 on Saturday to return to winning ways after two disappointing results.

Defeats to Dronfield Town and Harrogate Railway had left Ollerton needing a result but in front of a home crowd, they were able to raise their performance level and see off a side that were unbeaten in their previous five games coming into Saturday's encounter.

Worsbrough offered glimpses in the first half of just why they had been enjoying such a strong start to the season but in truth, they were always second best, and it was no surprise when Ben Partridge raced clear and finished past Ross Pritchard.

The second half saw Ollerton stay in control of proceedings, and they had chances to double their lead but had to wait until the 72<sup>nd</sup> minute when Sam Geeves tapped into an empty net for his first goal for the club.

Ollerton started brightly and in the third minute, Gav King raced into the area after good work on the left flank before seeing a shot deflected wide.

In the 20<sup>th</sup> minute, Worsbrough were awarded a dangerous looking free kick and Ollerton 'keeper Levi Owen had to be at this best to keep out Conor Glavin's effort with a diving save.

The home side were looking dangerous from corners, with Ollie Grady taking two brilliant deliveries, The first found Ben Partridge who headed wide of the goal before minutes later, Brandon Shaw rose highest but headed another corner over the bar.

In between that, good interplay between the strike partnership of Partridge and King ended in the latter firing over from distance.

Just after the half hour mark, a Worsbrough ball from the right found Kyle Wordsworth in space on the right of the area but he hooked a shot off target.

Then came the Ollerton opener. Owen's goal kick was flicked on brilliantly by King into the path of Partridge who knocked the ball past Elliot Wilson before sprinting away from him and keeping his cool to slot the ball past Pritchard.

Worsbrough tried to find a way back into the game before the interval but the closest they came was when Alex Hutchinson worked his way into space and fired a shot at goal, only for Shaw to chuck his body on the line to block. A second goal would have made things more comfortable for Ollerton and they pushed hard to get it early in the second half.

In the 50<sup>th</sup> minute, Grady's whipped free kick almost found Shaw free at the back post, but the ball was just wide of this outstretched leg.

A minute later, King almost kept up his record of scoring in every game he's played for Ollerton against Worsbrough but he was denied by a superb save from Pritchard, who stuck out a leg to divert King's effort onto the post.

An Ollerton corner almost led to an equaliser for the visitors as they broke well and at pace, but Wordsworth's shot was easily saved by Owen.

The referee came under scrutiny in the 59<sup>th</sup> minute when he awarded Worsbrough what looked like a very soft free kick in a dangerous looking position. Glavin failed to take advantage however, dragging his shot wide of the post.

The visitors were looking the most dangerous they had all game and Mike Jepps had a good chance to draw them level, but Owen made himself big and produced an excellent save.

Worsbrough 'keeper Pritchard, in between falling out with teammates, spectators and the match day officials, was called into action once again in the 64<sup>th</sup> minute after Grady slipped the ball through for King inside the area, but Pritchard got down well to deny the prolific centre forward.

There was nothing he could do about Ollerton's second which all but put the game to bed. Joe Lumley slipped the ball for Partridge down the right wing, and he sped past his man and towards the byline, before pulling the ball back for King who deflected it into the path of Geeves who fired into the empty net.

Worsbrough couldn't live with Partridge and two minutes later, he almost got his second goal, cutting inside from the right wing and bending a shot towards goal which Pritchard tipped past the post.

Ollerton could have got their third when Grady whipped a ball towards goal but after just missing King and Shaw, it went wide of the target.

King kept searching for what would have been his fifth goal in as many games, and with two minutes to go, a long throw presented him with another chance inside the area, but he miscued his shot.

The final seconds of the game almost saw Worsbrough grab a consolation as Wordsworth chased down a long ball and nudged it past Owen, but the ball trickled wide of the post to give Ollerton only their second clean sheet of the season, icing on top of the cake, after a very strong performance and a deserved three points.

# TEVERSAL

After a long history of football at Carnarvon Street supporting the local mining community dating back to 1918, under various names including Teversal Miners Welfare or Teversal & Silverhill a long-playing history of football to a high level includes playing in the FA Cup. The football side of the complex became run down and it was only down to the hard work of Sam Slack in the 1970's and early 1980's that football continued, under the banner of youth football. Senior football returned in 1986 under the name of M.W. Teversal. The closure of Teversal and then Silverhill Colliery was followed by the Miners Welfare closing in 1989 with some claiming that was the final nail in the coffin which led to a steady decline of the site. The period of uncertainty saw action taken with Ashfield District Council taking over the Trusteeship of the complex in 1989, with the name changing to the Teversal Grange Sports and Social Centre, hence the club's name changed to Teversal Grange F.C. The name was changed again at the start of the 2000-2001 season to the current name.

From the uncertain times, which saw the club running just one Senior team, the club's strength has grown to have two Senior teams, Youth teams right through the ranges from Under 7's to 18's, along with training sessions for 5-year old's. A return to national competitions is a mark of how the club has developed, F.A. Vase 2003-04 season, F.A. Youth Cup 2004-05 season and the big one the F.A. Cup 2005-06 which was gained after winning promotion to the Northern Counties East League from the Central Midlands League. However, the Football Association changed the entry criteria for the 2009-10 season for the FA Cup and unfortunately this meant exclusion from the competition for several top clubs including ourselves since the 2011-12, apart from the 2012-13.

Our first season in the East Midlands Counties League in 2017/18 saw a third-place finish and missing out on winning it by only two points. That was an achievement that reached the standard that allowed us to return to the FA Cup competition for 2018-19 season. A change of management and bottom half finish in the League table and the impact of Covid-19 we have not been eligible to

play in the FA Cup again. For the 2021/22 and a restructure by the FA we find ourselves back in the Northern Counties East League.

2012-13 season saw the club make history again with the introduction of our first ever Ladies side, which bettered all expectations, runners in the Nottinghamshire Girls & Ladies League, League Cup Final runners up and County Cup Semi-finalist, saw promotion to the East Midlands Ladies League. After a couple of difficult seasons, the Ladies have now returned to the Nottinghamshire Girls & Ladies League for the 2018/19 campaign and remain there for this season. Additionally, girl only sides are now being formed as part of the FA Wildcats scheme at the club.

Honours wise in the short term history, the club has gained promotion through the National System without winning a league, and the most recent success was a being finalist in the 2007-2008 Northern Counties East League Wilkinson Sword Trophy, which goes with our runners up berth to Hucknall Town of the Unibond Premier League in the Notts Senior Cup Final at Meadow Lane, losing 2-0 in April 2003, marking the 2002-03 season as one of the best seasons in the club's history.

But the story continues, and the aims of the club remain the same, and it's hoped to reward these efforts with some senior silverware for both the men and ladies, along with the continued success within the club's Youth Section. Recent successes of the progress of players into the professional game are Ryan Williams (Mansfield Town, Tranmere Rovers, Chesterfield, Hull City, Bristol Rovers, and Aldershot Town), Jake Buxton (Mansfield Town, Burton Albion, and Derby County), Dave Kettle (Notts County) and the most recent being Danny Fletcher (Mansfield Town) and Jason Law (Mansfield Town). With numerous players that have progressed to Academies but unfortunately not made the grade.

# The Kent Comment

Another Saturday, another home game, another programme! I'd once again like to thank you all for buying it and I hope you enjoy what you read.

Unfortunately, due to the constraints of our printers, these programmes are put together early in the week meaning that this programme doesn't reference our Tuesday night game against Glasshoughton Welfare. Let's hope the lads got another positive result to take us into today's game against Teversal.

Last week's 2-0 win over Worsbrough Bridge was a superb result and the lads did brilliantly against a side that had started the season well. Results like last week, and the 1-0 win over Parkgate, show what we can do and they're both very much the standard of performance that we should be aiming to hit week after week.

They also make the recent defeats to Dronfield Town and Harrogate Railway more frustrating. It's hard not to look at how well we can play and not see those two games as missed opportunities.

I was delighted to see Sam Geeves net his first goal for the club at the weekend. Geevesy is a very popular member of the changing room, and he's a talented, hard working player who will go on to be very good if he continues his current development. I hope Saturday's goal for us is the first of many!

We will be favourites for today's game against Teversal but that counts for nothing and the lads must go out there with the right attitude or it could be a difficult afternoon. Our visitors recently hit 7 in their first win of the season so let's not kid ourselves into thinking that this game will be a walk in the park or a comfortable afternoon for us. It's a local derby and we'll need lots of quality, commitment and hard work to secure the three points.

There's been one or two things written on social media recently, by opposition, on the quality of facilities here at Walesby Lane. Yes, there are things we can do better but it's also important to be respectful and remember that we're all doing this for free. Our task is also made harder by the restrictions regarding the ownership of our ground, but hopefully these will be resolved soon.

Enjoy the game, let's hope we get the win.

# RESERVE TEAM

It's been a frustrating couple of weeks without a game for our Reserves side as last week's game against Dearne & District was called off at the last minute due to the late resignation of the opponents manager.

As a team in form, manager Richard Walker will be hoping these few weeks off hasn't ruined their momentum as they head towards a busy October.

Several members of the young team have moved away to go to University over the past few weeks but 'Wak' is already working hard to bring in the recruitments that he believes will fill the void left by these absentees.
