A welcome from the Ladies Chairman...

Tony O' Gara

A warm welcome to our first home game of 2024 against Harrogate, three points and two places above us at the half way point of the season.

Today represents a great opportunity to turn recent performances into points, after dominating second place Fylde for large parts of last weeks game, missing out on a late equalising goal through a poor umpiring decision.

It's great to see the return of Jess Plowright to the team and team captain Annie Mills after missing most of the season through injury.

The Ladies 2's had a great start to the season and sit in 5th position, buoyed by their midweek win against Preston.

We wish them well today away against top of the table Longridge.

The 3's have a local derby today against Sale in a very tight league, where a couple of wins would see the team comfortably away from the bottom of the table.

I look forward to representing the ladies section as Chairman, working with our men's and junior sections to build a one club ethos and taking forward this great club to further success.

Good luck to all our teams today.

A welcome from Pete Flan

Peter Flanagan, Men's 1s Captain

The first half of the season for the 1st team took a while to hit full steam, a last play of the game win in the first game of the season v Harbourne at home, followed by a 4-4 draw away a Birmingham indicated we hadn't yet found our feet in the division.

A focus on our own game and abilities brought a solid run of back to back wins. The first half of the season culminated with a table top clash against local rivals Bowdon. In a tightly contested and well supported game, we lost 3-2 - disappointed not to produce our best when it mattered. We sat 3 points of the top spot over the festive break.

With everything still to play for in the second half of the season, we still feel our best hockey has yet to be produced, this brings a challenge to hit those levels and also excitement at the possibilities for the rest of the season.
