A welcome from L1's captain...

Annie Mills

Welcome to today's opposition Didsbury Northern and the match officials for the game.

We are looking forward to today's clash v Didsbury Northern in what is another local derby. We haven't faced Didsbury in a league game for many years so today will be an exciting match for all involved, including spectators.

The girls have had a good run of results in the last few weeks with our hard work as a squad paying off to get the results we deserve. All being said, the girls are looking to continue their run of form and finish 2023 strong.

Best of luck to our Men's 1st team who play Bowdon tomorrow in a top of the table clash.

Thank you in advance to all the support we have on the side lines.

A Welcome to the Oppositions...

Tom Khares, Vice Chairman

Another double header this weekend as we welcome Oxton and Bowdon Hockey Clubs. This weekend marks the last weekend of home fixtures of 2023 for our National League sides. We'd like to thank all of the coaching staff for their hard work throughout the year, as well as all of those who have supported.

I'm sure the Mens 2s will be hoping to bounce back on Saturday afternoon vs Oxton. With a particularly young side, I know they are aiming for a couple of wins before Christmas which will see them will move up the league.

Our Mens 1s take on local rivals Bowdon on Sunday, for the first league fixture between the two clubs in nearly a decade. With only a goal separating the two sides at the top of the table I'm sure it will be a great game with an atmosphere to match.

Best of luck to the Ladies 1s who play Didsbury Northern in another derby for themselves.

A welcome from Pete Flan

Peter Flanagan, Men's 1s Captain

It's Time!

I'd like to welcome everyone to Georges road today for an anticipated clash.

When this season's fixtures were released it was the first one that most looked for.

The stage is perfectly set with both sides on good form after strong starts to the season.

Having been lucky enough to play in several Brooklands v Bowdon fixtures through the years, they have always proved to be highly intense, highly charged and highly competitive affairs. I expect today to be no different.

I hope the game will serve to advertise the best of northern hockey.

May the best team win.
