The HARES

## Harefield United FC Club History

The club was formed in 1868, making it the oldest club in Middlesex. In their formative years they played under such names as Harefield Victoria and Breakspear Institute in the local Uxbridge Leagues before merging with Harefield FC in 1934 to become Harefield United, playing in the Uxbridge and District League.

By 1947 the club had joined the Great Western Combination, playing at Taylors Meadow and winning the league once in the 1950-1 season. In 1964 the club moved to the Parthenon League, winning the league at the first attempt. They then joined the Middlesex League two seasons later where they stayed for five seasons, winning the league title four times and the league cup twice.

In 1967-8 the club celebrated their centenary by moving to their present ground at Preston Park in Harefield, joining the Spartan League Senior Section in the 1971-2 season, staying there for four seasons, making their debut in the FA Vase in 1974-5 before progressing to Division Two of the Athenian League for the 1975-6 season. The club also made their debut in the FA Cup in 1979-80. The Athenian League folded in 1984, the year the Hares won the League Cup under manager Nobby Carpenter, making them still the current holders!

The club then moved to the Isthmian League Division Two North for two seasons, then spent seven years in Division Two South before being relegated to Division Three where they stayed until after the 1996-7 season when lack of funds for ground improvements meant the club had to move back to the Spartan League.

A year later they became founder members of the Spartan South Midlands Premier Division South, until it was renamed Division One where they finished runners up and won the League Cup, before playing in the Spartan Premier where they remained until being relegated to Division One at the end of 2015-6.

## **Harefield United Club History Cont'd/....**

This spell was the most successful in the club's history winning the Challenge Trophy in 2002-3 and the Premier League Cup the following season when they were also runners up in the Middlesex Senior Charity Cup. Under manager Stuart Leavy the Hares were league runners up twice, in 2006-7 and again in 2008-9 when they missed out on promotion to the Ryman League by one goal difference to Biggleswade Town.

In 2002 Harefield United Youth FC was formed with teams from the former Denham Youth FC, the club currently fielding over twenty teams of all ages and levels from Under 7s to Under 21s, Sunday League teams, Under 18s Allied Counties, reserves and first team with some players having progressed all the way through the ranks.

In 2010 the club won the National Award for Groundsman Of The Year for Steps 5 and 6, some achievement for a club with no groundsman and the pitch maintained by volunteers.

At the beginning of the 2016-7 season the Hares start life in the Spartan South Midlands League Division One looking to bounce back at the first attempt under manager Jason Shaw's second season in charge.

In season 2017-18 the Hares promoted reserve team coach Brian Keeley to Head of Youth Development with former first team player Ben Payne as his assistant, looking to expand the thriving youth programme further at Harefield.

In 2018 United celebrated their 150th year of football in Harefield as a community club promoting senior, junior, Sunday and women's football. The same season 2018-9 Manager Jason Shaw gained promotion in his fourth campaign by going unbeaten all season, only dropping four points and winning 34 consecutive matches, also winning the Middlesex Premier Cup against a strong Cockfosters side. "The Invincibles" now look to start the 2019-20 season back in the Spartan South Midlands Premier Division. Here's to the next 150 years!

## **CLUB HISTORY OF CRAWLEY GREEN FC**

Crawley Green Sports & Social Club was formed in November 1989 after arsonists caused the virtual destruction of the present building. Members of Stopsley Harriers, The Wyvern and Ramridge Rangers Sunday Football Clubs amalgamated to form the present club and were successful in securing a 99 year lease from the Council. The New Club house was formally open on 19th June, 1992 by then Luton Town manager, David Pleat.

The badge incorporates all the elements of the three founding clubs but also local history. The club badge was adopted in 1996 after many years of discussion. Maroon was the colour of the largest single club Ramridge Rangers and it was adopted as the club colour. It is incorporated in the Club badge as the bar across the middle. Stopsley Harriers were well known for their red and blue quarters, whilst Wyvern Members were predominantly blue since their foundation. Both these colours are reflected in the badge. Crawley Green FC Saturday side was formed in 1993 after another local team, Somerset Tavern came under the Crawley Green umbrella. The club colour of maroon was adopted by the team.

In 2018 Luton Town FC and Crawley Green FC further enhanced their club partnership with the announcement that Crawley Green FC will play their home games at The Brache training ground from season 2018-2019. Crawley Green, who are the only Luton based team to play at step 5 or above of the National League System, have been trying since 2008 to get permission to build a suitable stadium. Unfortunately in that time they have failed to receive the support needed from Luton Borough Council, despite there being no cost involved for the Council. This decision has meant that they have had to ground share with Barton Rovers FC for 11 years now, to enable the team to continue to play at that level.

This is a poor indictment of the Council's attitude to football in Luton, considering that other major towns in Bedfordshire have at least one team each playing step 6 or above. Their lack of support in comparison to the likes of Biggleswade (3 teams), Bedford (2 teams), Dunstable (2 teams), Leighton Buzzard (1 team) and Kempston (1 team), means that even our local leagues have the ignominy of having to travel to local villages to host their cup finals.

Luton recently installed a brand new all-weather surface down at the training ground and to comply with national ground grading criteria Crawley Green will complete the remaining requirements. This will include new changing rooms, dugouts, turnstile and spectator standing area. Tony Talbot, Chairman of Crawley Green stated: "We would like to thank Gary Sweet and Kevan Platt and everyone at Luton Town FC for firstly affording us this opportunity and then their support in making this happen.

"In the past we have seen a number of ex-Crawley Green players go on to play for Luton, but our partnership has really continued to grow in recent years. It's with great satisfaction for us that we are currently seeing James Justin starring for the first team. In addition the recently transferred Tyreeq Bakinson and four of the current U18s team, Josh Neufville, Joe Mead, Ciaren Jones and Michael Shamalo all came through our youth system.

"A town the size of Luton needs a successful professional club, as well as teams playing in the national league pyramid". This gives our talented youngsters a pathway to development, without having to go outside the borough to develop. "In addition, underneath these clubs is a large community hub, which affords lots of youngsters the opportunity to play football. These community hubs ensure all young people have the opportunity to participate in football in a safe supportive environment, which preserves the dignity and respect of the individual regardless of age, gender, sexual orientation, ethnic

...../

\ . . . . .

origin, religion, disability, income and any other social deprivation. With Government statistics showing a concerning rise in childhood obesity throughout the UK, these community hubs encourage our children to stay active and engage in physical activity. This all helps promote health, self-confidence and importantly social cohesion, and hopefully leads to the wider benefits in raising standards."

Hatters chief executive Gary Sweet said: "We see ourselves as guardians of elite football in our region and part of that responsibility is to help – wherever possible – other local, aspirational clubs develop and thrive, staying at the core of their roots. "The challenges faced at Crawley Green were difficult and, with the great relationship we've had over the years, having recruited numerous young players from their excellent development structure, we're proud to help Crawley Green retain a local home for their competitive games, just as we are happy to utilise our existing training facility at perhaps the only time when it won't get used."

In recognition of his services to the community and sport, Crawley Green Sports & Social Club Chairman, Tony Talbot was awarded a BEM – British Empire Medal - in the 2018 New Year's Honours List.

Finally Crawley Green would like to sincerely thank all their programme advertisers, match ball and match day sponsors for their generous support throughout the season.

# MIND YOUR LANGUAGE DELETE THAT EXPLETIVE!

Our Club is fully supportive of the Leagues' Mind Your Language Initiative, to eradicate offensive behaviour within these grounds.

It is our wish for everybody to feel comfortable here and to encourage everyone, especially younger people to enjoy their time with us, this won't happen if they are listening to constant foul and offensive language.

Cheer your team, enjoy the day,  
but keep those swear words far away...  
...it could cost us money in fines!!!!

## WE ARE LEADING SPECIALISTS IN MACHINE MOVING, MACHINE TRANSPORT, STORAGE & INSTALLATION

Welcome to Flegg Projects: where you know your machinery moves will be expertly managed, however complex they are.

We believe the finest and most elaborate machinery moving equipment is of little use without capable, experienced project management to make sure it performs properly.

All of our senior staff, across the UK, have learned the business from the bottom up. So they not only know the theory of how to move machinery expertly, they also know the practice.

And as you'd expect, our own state-of-the-art equipment has been hand-picked by our expert team to provide the highest quality and most reliable service.

That's why you can be confident, with Flegg Projects, that your machinery moving requirements will be handled by people who know what they're doing – delivering your project cost-effectively, safely and responsibly. And, by people whose expertise relieves you of the stress that normally goes with moving high-value heavy machinery at this level.

After more than 40 years as an independent machinery moving company specialising only in machine moving, transport and storage, we are ideally placed to move your machinery to the highest of standards.

For more information or to arrange a machine moving quotation, please **get in touch** with our Flegg Projects Team.

# Leftheris House

## Drapanos Village, Crete

Leftheris is a fully air-conditioned two-bedroom house on a small complex with shared pool. It is tastefully furnished and the kitchen & living areas are well equipped (inc. washing machine).

The main bedroom and bathroom are upstairs, with sun terrace overlooking the mountain and swimming pool, sea views in the distance.

The second bedroom situated downstairs is fitted with two single beds; there is also a toilet and hand basin.

The house is a 40 minute drive from Chania airport and 2 hours from Heraklion airport. A car is essential for the holiday. However, we do have a driver that will pick up and return to airports for a small fee.
