The HARES

Harefield United FC Club History

The club was formed in 1868, making it the oldest club in Middlesex. In their formative years they played under such names as Harefield Victoria and Breakspear Institute in the local Uxbridge Leagues before merging with Harefield FC in 1934 to become Harefield United, playing in the Uxbridge and District League.

By 1947 the club had joined the Great Western Combination, playing at Taylors Meadow and winning the league once in the 1950-1 season. In 1964 the club moved to the Parthenon League, winning the league at the first attempt. They then joined the Middlesex League two seasons later where they stayed for five seasons, winning the league title four times and the league cup twice.

In 1967-8 the club celebrated their centenary by moving to their present ground at Preston Park in Harefield, joining the Spartan League Senior Section in the 1971-2 season, staying there for four seasons, making their debut in the FA Vase in 1974-5 before progressing to Division Two of the Athenian League for the 1975-6 season. The club also made their debut in the FA Cup in 1979-80. The Athenian League folded in 1984, the year the Hares won the League Cup under manager Nobby Carpenter, making them still the current holders!

The club then moved to the Isthmian League Division Two North for two seasons, then spent seven years in Division Two South before being relegated to Division Three where they stayed until after the 1996-7 season when lack of funds for ground improvements meant the club had to move back to the Spartan League.

A year later they became founder members of the Spartan South Midlands Premier Division South, until it was renamed Division One where they finished runners up and won the League Cup, before playing in the Spartan Premier where they remained until being relegated to Division One at the end of 2015-6.

Harefield United Club History Cont'd/....

This spell was the most successful in the club's history winning the Challenge Trophy in 2002-3 and the Premier League Cup the following season when they were also runners up in the Middlesex Senior Charity Cup. Under manager Stuart Leavy the Hares were league runners up twice, in 2006-7 and again in 2008-9 when they missed out on promotion to the Ryman League by one goal difference to Biggleswade Town.

In 2002 Harefield United Youth FC was formed with teams from the former Denham Youth FC, the club currently fielding over twenty teams of all ages and levels from Under 7s to Under 21s, Sunday League teams, Under 18s Allied Counties, reserves and first team with some players having progressed all the way through the ranks.

In 2010 the club won the National Award for Groundsman Of The Year for Steps 5 and 6, some achievement for a club with no groundsman and the pitch maintained by volunteers.

At the beginning of the 2016-7 season the Hares start life in the Spartan South Midlands League Division One looking to bounce back at the first attempt under manager Jason Shaw's second season in charge.

In season 2017-18 the Hares promoted reserve team coach Brian Keeley to Head of Youth Development with former first team player Ben Payne as his assistant, looking to expand the thriving youth programme further at Harefield.

In 2018 United celebrated their 150th year of football in Harefield as a community club promoting senior, junior, Sunday and women's football. The same season 2018-9 Manager Jason Shaw gained promotion in his fourth campaign by going unbeaten all season, only dropping four points and winning 34 consecutive matches, also winning the Middlesex Premier Cup against a strong Cockfosters side. "The Invincibles" now look to start the 2019-20 season back in the Spartan South Midlands Premier Division. Here's to the next 150 years!

CLUB HISTORY OF COLNEY HEATH FC

The "Magpies" were founded in 1907 and played their early football in the Hatfield District League and, after the 1st World War, joined the Mid Herts League, where the 3rd team played until recently. Earlier records indicate the winning of a Harcourt Cup but it is believed that this was Junior football some 18 months earlier, 1905-6.

Success was a long time coming - 1935-36, and was disrupted by the 2nd World War. The golden era of football came from 1946 through to 1960 when the club won the Mid Herts Benevolent Shield twice, the Bingham Cox Cup, Division 1 and Premier Division titles.

In 1952 the switch was made from Fuzzen Field to the Recreation Ground and into the Herts County League. Success continued with two Playing Fields Cups, the Aubrey Cup twice, Division 2, Division 1 and Premier titles. This culminated over the Easter weekend in 1960 with the Herts Intermediate Cup and Aubrey Cup double. The Reserve side also completed a double in 1958 winning both Cup and League. Odd trophies were picked up in the 60's 70's and 80's but these were pretty barren years on the field.

Off the field, however, the club fought for permission to use its old clubhouse. This was secured with leases still running today, but in August 1988 while modernising the building, the club burnt down. Without a clubhouse, the Magpies, playing from a Portacabin, gained entry to the Premier Division. A new clubhouse was built in 1989 and an extension added in 1993, along with post and rails. Floodlights were erected in February 2000.

The wish to play South Midlands football eluded the club with 3rd, 3rd, 4th, 4th finishes from 1994 - 1998, when second place would have been enough. Centenary Trophies back to back and another Aubrey Cup were won but the Herts County title only came in 1999/2000, when coming from 15 points behind in January to win by 10 points from rivals, Wormley.

The club's ambition was to gain Premier Division status and with it FA Cup entry. Finishes of 5th 3rd 5th 6th and 5th were not enough in the initial seasons, despite numerous semi-final appearances and consecutive Charity Cup successes in seasons.(2001/2 and 2002/3) The South Midland Reserve Challenge trophy was collected in 2004/5. The First Division title eventually came in 2005/6.

...../

\.....

With this came the Premier Division and the FA Cup. We are now in our 7th season and steadily improving picking up the Premier Division Cup in 2010/11 with a 2-0 win against Leverstock Green. Our FA Vase run of 2013/14 saw us to a 3rd round replay which we followed up by being thrown out of the competition in 2014/15 which was a troubled season with many managerial changes. Our main aim is still promotion along with the continuing of ground improvements to the fore and the allure of Step 4 football.

MIND YOUR LANGUAGE

DELETE THAT

EXPLETIVE!

Our Club is fully supportive of the Leagues' Mind Your Language Initiative, to eradicate offensive behaviour within these grounds.

It is our wish for everybody to feel comfortable here and to encourage everyone, especially younger people to enjoy their time with us, this won't happen if they are listening to constant foul and offensive language.

Cheer your team, enjoy the day,
but keep those swear words far away...
...it could cost us money in fines!!!!

WE ARE LEADING SPECIALISTS IN MACHINE MOVING, MACHINE TRANSPORT, STORAGE & INSTALLATION

Welcome to Flegg Projects: where you know your machinery moves will be expertly managed, however complex they are.

We believe the finest and most elaborate machinery moving equipment is of little use without capable, experienced project management to make sure it performs properly.

All of our senior staff, across the UK, have learned the business from the bottom up. So they not only know the theory of how to move machinery expertly, they also know the practice.

And as you'd expect, our own state-of-the-art equipment has been hand-picked by our expert team to provide the highest quality and most reliable service.

That's why you can be confident, with Flegg Projects, that your machinery moving requirements will be handled by people who know what they're doing – delivering your project cost-effectively, safely and responsibly. And, by people whose expertise relieves you of the stress that normally goes with moving high-value heavy machinery at this level.

After more than 40 years as an independent machinery moving company specialising only in machine moving, transport and storage, we are ideally placed to move your machinery to the highest of standards.

For more information or to arrange a machine moving quotation, please **get in touch** with our Flegg Projects Team.

Leftheris House

Drapanos Village, Crete

Leftheris is a fully air-conditioned two-bedroom house on a small complex with shared pool. It is tastefully furnished and the kitchen & living areas are well equipped (inc. washing machine).

The main bedroom and bathroom are upstairs, with sun terrace overlooking the mountain and swimming pool, sea views in the distance.

The second bedroom situated downstairs is fitted with two single beds; there is also a toilet and hand basin.

The house is a 40 minute drive from Chania airport and 2 hours from Heraklion airport. A car is essential for the holiday. However, we do have a driver that will pick up and return to airports for a small fee.
