Harefield United Football Club Season 2020/2021 Harefield United FC Club History

The club was formed in 1868, making it the oldest club in Middlesex. In their formative years they played under such names as Harefield Victoria and Breakspear Institute in the local Uxbridge Leagues before merging with Harefield FC in 1934 to become Harefield United, playing in the Uxbridge and District League.

By 1947 the club had joined the Great Western Combination, playing at Taylors Meadow and winning the league once in the 1950-1 season. In 1964 the club moved to the Parthenon League, winning the league at the first attempt. They then joined the Middlesex League two seasons later where they stayed for five seasons, winning the league title four times and the league cup twice.

In 1967-8 the club celebrated their centenary by moving to their present ground at Preston Park in Harefield, joining the Spartan League Senior Section in the 1971-2 season, staying there for four seasons, making their debut in the FA Vase in 1974-5 before progressing to Division Two of the Athenian League for the 1975-6 season. The club also made their debut in the FA Cup in 1979-80. The Athenian League folded in 1984, the year the Hares won the League Cup under manager Nobby Carpenter, making them still the current holders!

The club then moved to the Isthmian League Division Two North for two seasons, then spent seven years in Division Two South before being relegated to Division Three where they stayed until after the 1996-7 season when lack of funds for ground improvements meant the club had to move back to the Spartan League.

A year later they became founder members of the Spartan South Midlands Premier Division South, until it was renamed Division One where they finished runners up and won the League Cup, before playing in the Spartan Premier where they remained until being relegated to Division One at the end of 2015-6.

This spell was the most successful in the club's history winning the Challenge Trophy in 2002-3 and the Premier League Cup the following season when they were also runners up in the Middlesex Senior Charity Cup. Under manager Stuart Leavy the Hares were league runners up twice, in 2006-7 and again in 2008-9 when they missed out on promotion to the Ryman League by one goal difference to Biggleswade Town.

Harefield United Club History Cont'd/....

In 2002 Harefield United Youth FC was formed with teams from the former Denham Youth FC, the club currently fielding over twenty teams of all ages and levels from Under 7s to Under 21s, Sunday League teams, Under 18s Allied Counties, reserves and first team with some players having progressed all the way through the ranks.

In 2010 the club won the National Award for Groundsman Of The Year for Steps 5 and 6, some achievement for a club with no groundsman and the pitch maintained by volunteers.

At the beginning of the 2016-7 season the Hares start life in the Spartan South Midlands League Division One looking to bounce back at the first attempt under manager Jason Shaw's second season in charge.

In season 2017-18 the Hares promoted reserve team coach Brian Keeley to Head of Youth Development with former first team player Ben Payne as his assistant, looking to expand the thriving youth programme further at Harefield.

In 2018 United celebrated their 150th year of football in Harefield as a community club promoting senior, junior, Sunday and women's football. The same season 2018-9 Manager Jason Shaw gained promotion in his fourth campaign by going unbeaten all season, only dropping four points and winning 34 consecutive matches, also winning the Middlesex Premier Cup against a strong Cockfosters side.

"The <u>Invincibles</u>" started the 2019-20 season back in the Spartan South Midlands Premier Division, a return to Step 5 football, a season that was expunged due to the <u>Covid</u> 19 virus. The Hares introduced a ladies side for the first time, managed by former Reserve team coach Vince <u>Bairda</u> with his coach Brian Keeley, and were looking good for promotion before the season was curtailed.

Jason Shaw now looks to begin his sixth season with the club with the Hares playing Step 5 football again, here's to the next 150 years!

Harefield United Football Club Season 2020/2021 CLUB HISTORY OF NORTH GREEDFORD UNITED FC

The club was founded in September 1944 as a youth team. The following season saw the formation of a senior side with the club entering the Harrow League and later the Middlesex County League. In 1983 the club was promoted to the Spartan League but in 1994 it resigned to re-join the Middlesex League. Keen to regain Senior Status, ground improvements were undertaken, including the installation of floodlights, and in 2002 the club was elected to the Combined Counties League.

In 2003/04, managed by Steve Hawkins, the club were runners up in the Premier Challenge Cup losing 4-1 to AFC Wimbledon in front of a crowd of over 5,000 at Woking FC. In 2004/05 the club finished League runners-up and in the following year reached the League Cup semi-final. In 2006/07 the team, under Mick Harvey, went one better, but unfortunately lost 4-1 to Merstham in the final.

Steve Ringrose took over the Manager's job at the beginning of season 2008/09. In his first season Steve led the team to second place in the Premier League with the club finishing Runners-up to Bedfont Green. Season 2009/10 proved the most successful in the club's history when the First Team became Combined Counties Champions, earning promotion to the newly-formed Southern Football League Division One Central, as well as winning the MFA Charity Cup beating Enfield Town 1-0 at Hampton & Richmond's ground in front of a large crowd.

Despite having a difficult first season at the higher level the First Team succeeded in retaining its Step 4 status. However, despite notable cup successes, the first half of season 2011/12 saw the club struggling in the league. Steve Ringrose was replaced by Neil Shipperley in December 2011 and Shipps managed to successfully steer the side away from the threat of relegation.

Experiencing an even more difficult time at the start of season 2012/13, Neil Shipperley was reappointed for a second term replacing Jon-Barrie Bates as First Team Manager. However, the team continued to struggle and, having lost 14 league matches on the trot, our only consolation was that Woodford United had still failed to notch up a single point. Our campaign that year was saved by an amazing end-of-season run which saw the team finish 19th – above the relegation places.

We were hoping to continue where we left off at the start of the following season but, again after excellent cup runs, we struggled in the league and narrowly escaped the drop after crucial wins against our two fellow relegation contenders, Chertsey and Ashford Town (Middx). Reserve Team Manager Paul Palmer, supported by Don Bennett, replaced Shipps following Neil's resignation midway through the season.

Following an indifferent start to the 2014/15 campaign it was decided to part company with Paul and ask Don to take over. Results though did not improve and in December 2014 Don tendered his resignation. Reserve Manager Barry Morris took over assisted by coaches George Bouhet and Fitzroy McLeod. After an initial struggle another impressive end-of-season run saw the team finish four points clear of bottom club AFC Hayes, and we were granted a reprieve by the FA.

Barry and his team were re-appointed for the forthcoming campaign, but in September Barry resigned and George took over. Unfortunately, poor results again left the club rooted at the bottom of the table, and in November 2015 the committee appointed two ex-Greenford players — Ricky Pither and Danny Bennell — as joint First Team managers to replace George. Despite some promising performances, results still did not improve and four wins and six draws were not enough to secure the points needed to avoid the drop. On this occasion there was to be no chance of another reprieve.

We were offered a place in the Combined Counties Premier Division after successfully appealing against an FA decision to place the club in the Hellenic League and, with their wide knowledge of local clubs and players, Ricky and Danny's team were invited to continue in their roles, with Mark Chandler taking over as joint manager following Danny's resignation. Unfortunately, due to poor

\

league results which left the club languishing at the foot of the CCL Premier Division table, the NGU committee reluctantly decided to part company with Ricky and Mark at the beginning of October 2016.

The experienced management team of Danny Vincent and Colin Murphy were offered and accepted the position, and were duly appointed in time to take charge of the Chertsey Town home game on 11th October. After the poor start the club eventually finished the 2016/17 season in a creditable 13th position on 58 points, and with Danny and Colin still in charge, assisted by Terry Schofield who had joined the First XI management team, we were looking for a higher finish the following season.

Unfortunately, after an excellent start with a fine FA Cup away win against Welwyn Garden City, during the earlier part of the 2017/18 campaign we became the league's draw specialists dropping points in games we should have won. From the turn of the year the season will be most remembered for some of the worst weather conditions in living memory with the season extended to the second week in May 2018. Despite ending the campaign on a high with four wins on the spin, overall 2017/18 was a disappointing season with the team again finishing 13th but with fewer points than the previous year.

Two major changes were then forced on the club during the close season. First last season's management team unexpectedly resigned and this was followed by an FA decision to move us to the Spartan South Midlands Football League Premier Division. On the management side we were quick to re-appoint Paul Palmer and Matt Penfold who had just won promotion from the SSMFL Division One with Southall. Neither Paul nor Matt were new to the club. Matt served here for two terms under Neil Shipperley and Paul took over from Shipps after his resignation in February 2014. With the experienced squad they brought to the club, we had high expectations at the start of the 2018/19 campaign.

Unfortunately, these were not realized and the team became embroiled in a relegation fight. Although wins against Leighton Town, Edgware and Biggleswade United helped secure our survival as a Step 5 club, a 16th place finish with just 34 points on the board left the committee with no choice but to make managerial changes. Following an impressive interview and an extremely successful 2 seasons as Under 18's manager the decision was taken to offer the First Team post to Colin Jones a position which Colin, supported by his full Youth management team, accepted. The full management team, led by Colin, remain in post, with Dino Pashias taking over the role of Youth Team manager, hoping the re-run of the Covid-19 abandoned 2019/20 season will lead to a much improved league performance!

MIND YOUR LANGUAGE

DELETE THAT EXPLETIVE!

Our Club is fully supportive of the Leagues' Mind Your Language Initiative, to eradicate offensive behaviour within these grounds.

It is our wish for everybody to feel comfortable here and to encourage everyone, especially younger people to enjoy their time with us, this won't happen if they are listening to constant foul and offensive language.

Cheer your team, enjoy the day, but keep those swear words far away... ...it could cost us money in fines!!!!

WE ARE LEADING SPECIALISTS IN MACHINE MOVING, MACHINE TRANSPORT, STORAGE & INSTALLATION

Welcome to Flegg Projects: where you know your machinery moves will be expertly managed, however complex they are.

We believe the finest and most elaborate machinery moving equipment is of little use without capable, experienced project management to make sure it performs properly.

All of our senior staff, across the UK, have learned the business from the bottom up. So they not only know the theory of how to move machinery expertly, they also know the practice.

And as you'd expect, our own state-of-the-art equipment has been hand-picked by our expert team to provide the highest quality and most reliable service.

That's why you can be confident, with Flegg Projects, that your machinery moving requirements will be handled by people who know what they're doing – delivering your project cost-effectively, safely and responsibly. And, by people whose expertise relieves you of the stress that normally goes with moving high-value heavy machinery at this level.

After more than 40 years as an independent machinery moving company specialising only in machine moving, transport and storage, we are ideally placed to move your machinery to the highest of standards.

For more information or to arrange a machine moving quotation, please **get in touch** with our Flegg Projects Team.

Leftheris House

Drapanos Village, Crete

Leftheris is a fully air-conditioned two-bedroom house on a small complex with shared pool. It is tastefully furnished and the kitchen & living areas are well equipped (inc. washing machine).

The main bedroom and bathroom are upstairs, with sun terrace overlooking the mountain and swimming pool, sea views in the distance.

The second bedroom situated downstairs is fitted with two single beds; there is also a toilet and hand basin.

The house is a 40 minute drive from Chania airport and 2 hours from Heraklion airport. A car is essential for the holiday. However, we do have a driver that will pick up and return to airports for a small fee.
