The HARES

## Harefield United FC Club History

The club was formed in 1868, making it the oldest club in Middlesex. In their formative years they played under such names as Harefield Victoria and Breakspair Institute in the local Uxbridge Leagues before merging with Harefield FC in 1934 to become Harefield United, playing in the Uxbridge and District League.

By 1947 the club had joined the Great Western Combination, playing at Taylors Meadow and winning the league once in the 1950-1 season. In 1964 the club moved to the Parthenon League, winning the league at the first attempt. They then joined the Middlesex League two seasons later where they stayed for five seasons, winning the league title four times and the league cup twice.

In 1967-8 the club celebrated their centenary by moving to their present ground at Preston Park in Harefield, joining the Spartan League Senior Section in the 1971-2 season, staying there for four seasons, making their debut in the FA Vase in 1974-5 before progressing to Division Two of the Athenian League for the 1975-6 season. The club also made their debut in the FA Cup in 1979-80. The Athenian League folded in 1984, the year the Hares won the League Cup under manager Nobby Carpenter, making them still the current holders!

The club then moved to the Isthmian League Division Two North for two seasons, then spent seven years in Division Two South before being relegated to Division Three where they stayed until after the 1996-7 season when lack of funds for ground improvements meant the club had to move back to the Spartan League.

A year later they became founder members of the Spartan South Midlands Premier Division South, until it was renamed Division One where they finished runners up and won the League Cup, before playing in the Spartan Premier where they remained until being relegated to Division One at the end of 2015-6.

This spell was the most successful in the club's history winning the Challenge Trophy in 2002-3 and the Premier League Cup the following season when they were also runners up in the Middlesex Senior Charity Cup. Under manager Stuart Leavy the Hares were league runners up twice, in 2006-7 and again in 2008-9 when they missed out on promotion to the Ryman League by one goal difference to Biggleswade Town.

## Harefield United Club History Cont'd/....

In 2002 Harefield United Youth FC was formed with teams from the former Denham Youth FC, the club currently fielding over twenty teams of all ages and levels from Under 7s to Under 21s, Sunday League teams, Under 18s Allied Counties, reserves and first team with some players having progressed all the way through the ranks.

In 2010 the club won the National Award for Groundsman Of The Year for Steps 5 and 6, some achievement for a club with no groundsman and the pitch maintained by volunteers.

At the beginning of the 2016-7 season the Hares start life in the Spartan South Midlands League Division One looking to bounce back at the first attempt under manager Jason Shaw's second season in charge.

In season 2017-18 the Hares promoted reserve team coach Brian Keeley to Head of Youth Development with former first team player Ben Payne as his assistant, looking to expand the thriving youth programme further at Harefield.

In 2018 United celebrated their 150th year of football in Harefield as a community club promoting senior, junior, Sunday and women's football. The same season 2018-9 Manager Jason Shaw gained promotion in his fourth campaign by going unbeaten all season, only dropping four points and winning 34 consecutive matches, also winning the Middlesex Premier Cup against a strong Cockfosters side.

"The Invincibles" started the 2019-20 season back in the Spartan South Midlands Premier Division, a return to Step 5 football, a season that was expunged due to the Covid 19 virus. The Hares introduced a ladies side for the first time, managed by former Reserve team coach Vince Bairda with his coach Brian Keeley, and were looking good for promotion before the season was curtailed.

Jason Shaw now looks to begin his sixth season with the club with the Hares playing Step 5 football again, here's to the next 150 years!

## Harefield United Football Club Season 2020/2021

### CLUB HISTORY OF BIGGLESWADE UNITED FC

Biggleswade United Football Club was re-formed on the 16th July 1959. However, local history records indicate that there was a Biggleswade United side playing at Second Meadow as early as 1929. Our first season (1959/60) saw us competing in Division Three of the North Herts. League (NHL). After 10 successful years in the NHL the club made the step up to South Midlands League (SML) football. But towards the end of a 15-year association with the SML the club began to struggle and after three years of finishing in the bottom three of Division One we sought fresh fields. The club joined the Herts. Senior but club continued to find the going tough. In 1986 we elected to return to local League football, joining the Bedford and District Football League and began to build again.

The appointment of Brian Swords as first team manager in 87/88 proved to be the turning point in the club's fortunes. During the next ten years the club achieved a tremendous amount of success on and off the football pitch. Our record of League and Cup honours speak for themselves but aligned to this a great deal of work went on behind the scenes to match the on-field success. The club now boasts one of the best clubhouse and ground facilities in the Mid-Bedfordshire area. The success of the club has also attracted many new players as well as commanding a great deal of loyalty from those players who helped the club progress from Division Three of the Bedford and District League to County Senior Club status in just 15 years.

The 1995/96 season was the most successful in the club's history - winning five major honours; the Beds Intermediate County Cup, Bedford and District League Championship, League Cup Championship and as the League's representatives the club won the Beds. FA Centenary Cup. Having won every major Bedford League honour the club felt it was time to move on and made the decision to make the step up once again and returned to Division One of the SML. In an exceptionally successful first season we celebrated a Division One "double" by winning the Championship and the Division One Cup. We also retained the Beds. FA Intermediate County Cup, only the second club in the competition's history to achieve this feat. To crown our success the club were awarded the SML Special Achievement Trophy in July 1997.

In the season 1997/98 we finally achieved Senior status. This was achieved not only through the endeavours of the players on the field but ultimately as a result of an extremely hard working committee. With the help of the Biggleswade Town Council a new stand was erected and perimeter fencing installed. And two seasons later the club erected floodlights and on the evening of 26th October 1999 we played our first-ever floodlit game at Second Meadow, Ryman League side Leighton Town were the visitors in the Bedfordshire Premier Cup.

The next eleven years saw the first team led by Steve "Snowy" Wright and under his management the club continued to enjoy a very high level of League and Cup success ultimately achieving promotion to the Molten Spartan South Midlands League Premier Division and with it the opportunity to compete in the FA Cup. And under Snowy the club made three Beds FA Senior Challenge Cup final appearances, winning two of the three with victories over Stotfold (4-1) and Leighton Town (1-0) but missed out in 2006/07 going down 2-0 to Dunstable Town. Snowy's other cup successes came in the form of the Hunts Premier Cup, North Beds Charity Cup, Hinchingsbrooke Cup, the SML Division One Cup and the SML Special Achievement Award once again. The end of the 2006 2007 saw Snowy step down as manager with his assistant, Nick Burton taking over the first team reins. January 5th 2009 saw the club embark on further ambitious ground improvements. With financial backing from Biggleswade Town Council, Mid Beds District Council and the Football Foundation we installed a 260-seater stand, fully enclosed the ground with a double turnstile entrance and players' secure walkway which raised the ground to Grade E status.

After several years of stability in terms of first team managers the next six years saw a regular turnover of first team and reserve team managers with Nick Burton, Dave Elkin and Phil Childs all taking over the first team reins for a time.

## Harefield United Football Club Season 2020/2021

At the start of the 2013/2014 season we appointed Mick Reardon and Mark Royal as first team managers both of whom had enjoyed success as coaches at the higher levels of football. Their disciplined approach was quickly adhered to and responded to by the players and under their stewardship we achieved the highest Premier Division position in nine years and first silverware in seven years winning the North Beds Charity Cup for the first time in the club's history.

In November 2014 the club took a further positive step to realise our ambitions with the appointment of Sky Sports Presenter and renowned author, Guillem Balague as Biggleswade United's Director of Football. Following Mick and Mark's decision to step down at the end of 2014/2015, Guillem was quick to act and recruited a new Head Coach in Cristian Colas Beccera. Cristian was assisted by former professional player, Stuart Bimson, and under their guidance the team finished in eighth spot in the Premier Division in 2017/2018 - the highest position in the club's history. Having built a strong reputation for their outstanding coaching ability and playing philosophy Cristian and Stuart moved up to Step 3 level club, Staines Town, for the start of the 2018/2019 season. Guillem was again in search for a high quality coach and Jimmy Martin came highly recommended by his predecessor, Colas, who worked with Jimmy at Stevenage FC Academy. Jimmy was appointed Manager in May 2018 but he tendered his resignation in October 2018 having been offered a "hard to refuse" opportunity to take up a coaching role at Premier Division club Watford. Despite the setback the first team went on to record their highest ever League placing - a fourth spot in the Premier Division.

In the season 2019/2020 the club were sitting in a highly commendable third position in the Premier Division and under the management of Chris Devane and Trishnan Patel were hoping for a promotion play off opportunity. However, in March 2020 the season was declared Null and Void by the FA after the devastating outbreak of the Coronavirus. The club were also to learn that Chris and Trishnan had accepted the offer to work at Step 4 and departed the club at short notice. Fortunately the club were able to call upon the services of former Head Coach Cristian Colas and former assistant manager Mark Royal who will take over the first team reins for season 2020/2021 - whatever that may look like.

The club has certainly come a long way in relatively few years but we could not have done it without the help of a very supportive Town and District Council who clearly understand the benefits of having a community based club in Biggleswade. Our success is also very much down to a very hard working committee who throughout the year - not just the football season - continue to volunteer their time and commitment to the club, to help it continue to thrive and be a source of enjoyment for our supporters and the Biggleswade community.

## WE ARE LEADING SPECIALISTS IN MACHINE MOVING, MACHINE TRANSPORT, STORAGE & INSTALLATION

Welcome to Flegg Projects: where you know your machinery moves will be expertly managed, however complex they are.

We believe the finest and most elaborate machinery moving equipment is of little use without capable, experienced project management to make sure it performs properly.

All of our senior staff, across the UK, have learned the business from the bottom up. So they not only know the theory of how to move machinery expertly, they also know the practice.

And as you'd expect, our own state-of-the-art equipment has been hand-picked by our expert team to provide the highest quality and most reliable service.

That's why you can be confident, with Flegg Projects, that your machinery moving requirements will be handled by people who know what they're doing – delivering your project cost-effectively, safely and responsibly. And, by people whose expertise relieves you of the stress that normally goes with moving high-value heavy machinery at this level.

After more than 40 years as an independent machinery moving company specialising only in machine moving, transport and storage, we are ideally placed to move your machinery to the highest of standards.

For more information or to arrange a machine moving quotation, please **get in touch** with our Flegg Projects Team.

# Leftheris House

## Drapanos Village, Crete

Leftheris is a fully air-conditioned two-bedroom house on a small complex with shared pool. It is tastefully furnished and the kitchen & living areas are well equipped (inc. washing machine).

The main bedroom and bathroom are upstairs, with sun terrace overlooking the mountain and swimming pool, sea views in the distance.

The second bedroom situated downstairs is fitted with two single beds; there is also a toilet and hand basin.

The house is a 40 minute drive from Chania airport and 2 hours from Heraklion airport. A car is essential for the holiday. However, we do have a driver that will pick up and return to airports for a small fee.
