**CHARTER STANDARD**

Dear Paul

Many congratulations to you and all the workforce at **Bartestree FC** for achieving **The FA Charter Standard Community Club** accreditation; The FA formally recognises your club as one that is committed to raising standards throughout grassroots football and ensuring that it is well organised, well managed and providing a positive experience for all players, coaches and volunteers involved.

The FA is very proud of its FA Charter Standard Programme and we understand and appreciate the work and commitment required to achieve the accreditation and for this we are extremely grateful.

To further support your club you will receive:

- A Football Association Charter Standard Club Certificate & Plaque (enclosed)
- A marketing & promotion CD-ROM with FA templates and FA Charter Standard logos (enclosed)
- Two size 3, eight size 4 and four size 5 Nike footballs

Utilising The FA logo contained on the Marketing CD-ROM may further promote your activities to parents, players, volunteers, sponsors and potential funders and will demonstrate the high standards you set both on and off the field.

In addition you have access to a free legal helpline [0191 2117799 [CSLegalhelp@TheFA.com](mailto:CSLegalhelp@TheFA.com)] plus further information and supporting documents at: [www.thefa.com/charterstandard](http://www.thefa.com/charterstandard).

Also remember you can view your club's discipline record, update your club records, teams, managers, coaches and their qualifications via Members' Services. Ask your County FA how to access Members' Services if you are unsure.

As an FA Charter Standard Club I hope that you continue to work with your County FA to uphold and maintain the standards of the Programme by completing the Annual Health Check.

Once again, many congratulations on achieving The FA Charter Standard accreditation.

Yours sincerely
