

DERBY COUNTY

Ladies Football Club

Derby County Ladies Football Club playing in the FA Women's Premier League are looking to recruit interns to film and analyse their games.

When do you need to be available?

We play our matches on Sunday afternoon (normally 2pm kick off). Our fixtures run from September through to May.

What will you need?

All camera, tripod and memory cards will be provided. You will need a laptop to develop footage

Time Commitments?

Home matches kick off at 2pm and you will be required to arrive at 1pm to get set up and ready for kick off. In addition to this you will need to work producing the DVD and analysis to be provided by Monday following the game. This should take 2-3 hours.

What will you get?

Experience working in and being involved in an elite football set-up. Experience performing analysis duties

Start Date:

October 2014
