Dear Member,

April 2018

Out with the Old and In with the New!

Saturday 21st April will be the last home game of the season for Walsall 1st XV and it will also be the last game played on a pitch that has served us well for almost a hundred years. In that time Cup and League fixtures have brought the likes of Northampton, Exeter, London Welsh, London Irish, to name but a few, to Delves Road.

Countless players of the past, present and future have memories of training and playing on the pitch. Rather than see it all go to landfill we want to give everyone the opportunity to take a piece of the club history away with them and raise much-needed funds for the club at the same time to benefit all sections of our club.

I am proposing that on Sunday 22nd April between 9 – 2 o'clock turn up with your shovel, choose the square metre of turf you wish to take, have your photo taken that will then be put into a collage to adorn a board on the side of the new pitch and donate £5.00. I will take donations running up to the date and you can book your square or squares.

I look forward to seeing you on the 22nd.

Yours sincerely,

Gary Taylor
