**Revised: 10/08/10**

All Club Members are required to abide by the Marin R.E.D.S. Code of Conduct.

The Board of Directors will identify a member of the Club as the "contact person", to be liaison between the Club and the Event Host staff.

Members of the Club are required to obey the requests "contact person", including the request that an individual or all Club Members leave the premises.

Post-Match Events have a start and end time, to be determined by the Board and will be posted either writing (email) or verbally (post-match) prior to the Event.

Club Members will obey requests and instructions of the ownership and staff of the Event Host and obey their patron conduct polices.

Club Members identified by Event Host staff as "cut-off" from alcohol are required not to challenge the decision of the Event Host staff. Club Members are prohibited from facilitating the consumption of alcohol to "cut-off" Club Members.

Failure of Club Members to obey and adhere to these guidelines will subject those Members to sanction by the Disciplinary Committee of the Club where applicable.

For the purposes of this document, "Club Members" include current players, friends, associates, spectators, family of current or past players, or persons affiliated or associated with Marin R.E.D.S. Rugby Club or any other rugby organization.

I certify that I have read, understood and will abide by the rules and guidelines as stated above.
