## Welcome from Bill Lyon, President Orrell RUFC

A very warm welcome to visiting players, officials and supporters and all Orrell players, members FOPS, sponsors, officials and supporters. I hope that a great game is in prospect and that we can get together afterwards at the Delph and discuss the afternoon's events.

2016-17 gave us our best season for some years. The 1XV maintained its progress and concluded the season with a very creditable fourth place, having achieved parity even with the promoted teams. The 2XV gained promotion from Raging Bull 5 as champions- in only their second season since reforming. A credit to coaches and players alike.

Particularly encouraging was the increase in the number of players available for selection. The new season brings new challenges for our coaching team of Andy Carroll, Peter Carletti, Glyn Worley and Matt Stafford with the re-organised South Lancs/Cheshire2 League. It will produce some keenly anticipated match ups with many

old friends and should provide a hotly contested competition. The new structure should also give clarity to all the teams as to what the next season brings and to give teams a meaningful fixture list. The 2XV already has a clear structure and they can hopefully go from strength to strength in Raging Bull 4, attracting more players along the way. Our junior section continues to develop. The boys continue to thrive although taking a team right through the age groups to Colts level remains a difficulty.

Whilst we are always seeking new players, it is equally important that we have sufficient coaches to ensure the development of these players – any mums, dads, players, ex-players out there, please step up! We are about to enter a critical 2-3-year phase, where fundraising is vitally important, if we are to realise our ambitions of a new home.

To all players, officials and members, the very best of luck. Thank you for your continued support.

*Mike played for Orrell in the 50s;  
Mike is third from the right on the second row.*

It is with great sadness that we mark the passing of two great Orrell supporters and a former Orrell player. Our condolences and thoughts go out to the Cleary family on the loss of their mum and grandma, Mrs Edna Cleary; to Club Secretary, John Huyton and family on the loss of their mum, Mrs Enid May Huyton and to 1XV player Max Huxley on the loss of his grandad, Mike Woods.

## Chairman's Message

In the previous programmes this season I said that I would keep you updated on progress with the project to establish our own playing facilities and particularly fund raising. I also set out the challenges we face in establishing our own playing facilities and I make no apologies for repeating them here again this week.

Our challenge is simple, we need to raise £200,000 ourselves over the next 2 to 3 years towards the cost of phase 1 of the project which is the levelling and draining of the land and sowing of the pitches. Because of the lead time for the pitches to mature we need to start phase one as soon as we can **so we need your help now**.

We recently sent out appeal letters to all members and former members and have had a good response in some areas. At the time of writing we have had over 200 register for full membership to which we expect to add over 100 junior members. We have increased membership of the 200 club by 25% to 126 and we have received 30 donations or pledges bringing the total amount in the development fund to just over £38,000.

I would like to thank those people that have responded with donations or pledges, A significant number of the donations were very generous, however, they come from only 6% of those that received the appeal letters.

Can I please ask that you read our Appeal Letter again and let us know if you would like to help us achieve our dream? In addition, do you have any business or personal contacts that you think would be interested in sponsoring or partnering with us on the project then let us know, we have donor packs providing more information.

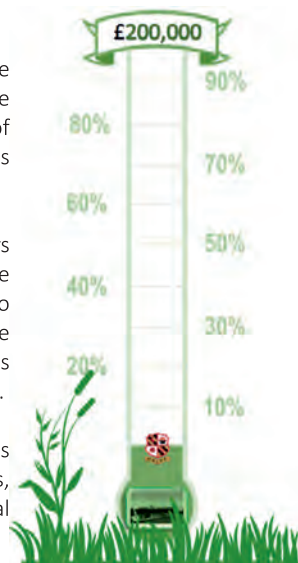

Perhaps you have some expertise that you think would be helpful or if you just have some time to spare

let us know and we can co-opt you onto our fund-raising committee. You will see elsewhere in the programme appeals for volunteers to help in specific areas of running the club please have a look and come forward if you are able to help.

Thank you all for your continued support.

*Tony Havlin*

## Commercial & Sponsorship

---

Round two of the Lancashire Plate and another tough draw for Orrell. Heaton Moor are currently third in the league and appear to be on a good run of results having only lost to the two clubs above them.

Today's Match Day Sponsor is John Huyton and family. Their sponsorship of this game is in loving memory of their mum who passed away recently. Our condolences to John and all his family.

Our 1st XV next home game is against Port Sunlight on 21/10/2017 and your continued support of the Club and players is much appreciated.

The 2nd XV are playing against Bury 3 today in a cup match. I sincerely hope the weather is better than last Saturday when they played Bury at home- damp would be a gross understatement! I

guess that Bury will have more players available for their home game than the 13 players that turned up on Saturday.

The 2nd XV next home game is on 28/10/2017 against Rochdale 3. The coaches and players would welcome your support. After match refreshments are available after the game at Winstanley Tennis Club for both teams and supporters. All welcome!

There are still opportunities to sponsor the 1st and 2nd XV homes games. Please contact me if you can help in any way- £25 sponsors the Referee.

Good luck boys- here's to round 3!

## Coaches Corner

The 1st XV travelled to Winnington Park on a rainy Saturday 7th October, with a team which was less than full strength. We came up against a former Orrell player, Matt Farr, who now coaches the Winnington first team.

Orrell started brightly and dominated the first fifteen minutes with good rucking play taking them close to the Winnington line. However, Winnington gained field position from good field kicks and scored a try in the Orrell right corner against the run of play which gave them a platform from which they increased gradually in confidence. As the rain increased in intensity, so did the amount of penalties conceded by Orrell, causing them to be pegged back by an increasingly confident Winnington team who won the game by 28 points to 0. The last try was conceded a minute before the final whistle after a penalty for repeated infringements by Orrell.

It is frustrating for the coaches when faced with having to make several changes at short notice due to player availability. It is to be hoped that the players will respond positively to this defeat, by bouncing back strongly against this week's opposition at home to Heaton Moor in the cup quarter final.

Regards

*Peter Carletti*

## Captains Corner

Hello and welcome to St John Rigby College. Today's opponents are Heaton Moor in the Lancashire Plate. We are looking to improve massively on our last two performances after two bad results; a week away from a league fixture will hopefully be a good way to get our season back on track.

Cup rugby is always exciting and the past few years we've not really had a good cup run, we are wanting to change that this year, continuing today. Heaton Moor have had a good start to the season in the league with only one loss and are currently third, so we have got to be at our best today to get the win we want and need.

Last weeks away loss at Winnington Park was very disappointing, especially when we identified them as a very beatable side and far from the best side we have faced this year, however on the day we were not up to the task. However the lads who stepped inn to help us out due to a number of absentees did themselves and the team proud as many were called up late and did us a massive favour. Cheers lads.

Also a big thank you to the Huyton family for sponsoring today's game in memory of their mum, Enid. So sorry for your loss. Let's hope we can get the win for her!

Enjoy the game.

*Dan Huxley*

## Sunday 8th October 2017

### U11s

Orrell U11s welcomed Ashton-on-Mersey on a surprisingly dry Sunday morning.

This was a very impressive display from Orrell, the focus in training has been on rucking and there was clear improvement from previous weeks. This allowed every player to show what they are capable of when we are attacking.

The opening minutes of the game were an arm wrestle with both sides defending well around the ruck. Orrell finally managed to make the break through after a period of sustained pressure moving the ball wide to score in the corner. This pattern of play continued with Orrell's ball handling and strong running enabling them to run in several quality tries.

Charlie Berry playing only his second game for the club was outstanding with the ball in hand and showed he had been putting in the time in training with some textbook rucking.

Kieran B another recruit was awarded clubman of the week, he was constantly in the right place making tackles and securing possession for his teammates. His improvement over the past few weeks has been very impressive.

Curtis Barker was man of the match after his strong running and silky hands led to a number of scores which coupled with his awesome tackling meant he thoroughly deserved the award.

Thanks to all the players, coaches and parents for a great morning of rugby.

# Orrell RUFC Mini & Junior Section Match Report

## Sunday 8th October 2017

### U8s

A super dry day of Sunday morning rugby for Orrell minis under 8s taking hosts to Ashton on Mersey tag squad. Both teams stepping up with season starting to a more competitive level, as these kids are constantly leaning the rules of the sport. Both teams bringing their A game today with a slightly more physical activity as the season progresses, yet still within the rules.

Man of the match award went to Archie Maguffie, as he was showing off his fancy footwork to the opposition to dodge and weave through the opposition. Well-rounded player Luke Davis demonstrated his speed by several tries, most with speed down the opposition touchline right in the corners.

Max Worthington and Zax Manir Jolley, team mates and mates showing determination and constant improvement whilst playing. Louis Smith shows he has the speed and passion with a great running try, from well in his own half. Confidence growing for Erin Cullen, with a super run on pass to blast through Asheton's defence, straight from kick off. Jacob, Harrison and Jack all played with passion and enthusiasm to always complement their team mates.

### U12s

Cracking game of rugby this morning down at Upholland High School with Orrell RUFC under 12s beating Ashton on Mersey Junior Rugby Club under 12s.

Ashton put up a solid defence and turned the ball over several times but Orrell came away with the win.

Harvey Dickinson was chosen as the MOTM by the Ashton coach for some excellent tries, clever kicking and motivating the team really well. The ceremonial downing of the can of coke was less impressive as most of it ended up down his top. A good win lads. Let's take this forward to the next game.

# 1XV Match Report: Winnington Park v Orrell

## Saturday 7th October 2017

---

Orrell were away to an unbeaten Winnington Park on a raining afternoon. Tom Bramwell and David Price were making their debut for the First team.

In the opening few minutes of the game, Orrell started well and a number of pickups and drives took them close to their opponent posts, but the Home sides defence stopped Orrell scoring. A few minutes later, again after several pick up and drives, Orrell were awarded a penalty, but the conversion was missed. Eventually Winnington get into the Orrell half and from a line out the set up a rolling maul then move the ball out to their back to score a try in the corner. The conversion was missed, giving them, 5 points lead after 15 minutes play. 5 minutes later Orrell give away a penalty which is converted to extend the Home side lead to 8 points. With just over 10 minutes left in the first half, Orrell were penalised for taking a scrum down and Winnington Park extended their lead with another conversion to 11 points to nil. Another penalty against Orrell for a late tackle enabled the Home side to kick another penalty to take their lead to 14 points. In the last few minutes of the half, good defences work by Orrell stopped the Home side extending their lead to leave the score at half time Winnington Park 14 Orrell 0.

In the opening few minutes of the second half, as they did in the first half, Orrell took the play deep into their opponent's half, but then gave away a penalty, which took the play back into their own half. 15 minutes into the half, a penalty kick by the Home side gives them a line out on Orrell 22m line. Winnington win the line out and move the ball in field and them back to touch down in the corner for their second try, which was converted to extend their lead to 21 points to Nil.

The wet conditions appeared to affect the handling of both sides and although Orrell had a number of good pick up and drives, no scoring chances resulted. With less than 10 minutes left in the game one of the Winnington players was Yellow Carded for persistent off side. Winnington then had to defend in their own half for the next few minutes, but eventually cleared the ball into the Orrell half. Orrell were themselves reduced to 14 players when Lloyd Davies was Yellow Carded for kicking through in a Ruck just has the game moved into stoppage time. Winnington then got possession of the ball and moved it across the field to touch down in the corner for their 3rd try. The try was converted and immediately the referee blows his whistle for Full time with the Final score Winnington Park 28 Orrell Nil.

Next Saturday Orrell are at Home at St. John Rigby College in the Lancashire Plate against Heaton Moor. Kick Off 2.30pm.

## From the drawing board to now

---

“I have been asked by the club to write a programme article for the next First Team Home Match 14th October 2107 writing firstly about myself, which I found uncomfortable to say the least, and secondly about the Second Team which I found much easier- I am very proud of what the team, everyone that is connected to it, and what has been achieved to date” **Glynn Worley.**

I began playing rugby union at Up Holland Grammar School in 1975, at the age of 11 and started playing at Orrell RUFC the same year. The early years were a bit of a mixed bag. As the years went by the teams and hopefully I got better and better. The best years were those between 1980 – 1983, during this time the Grammar School which had become Winstanley College reached the Semi Finals of the all England Schools Competition. The Orrell team that I played in boasted some real quality players; Gerry Ainscough, Stuart Cayzer, Chas Cusani, Micky Glynn, Shaun Wane and David Swann (who both went

on to make a careers in RL). We won the Lancashire Colts Cup and a 15 a side competition at Carlisle RUFC we went through the season unbeaten home and away.

At that time I played in a combined Winstanley College and St John Rigby team which played touring sides such as the National Dutch RU team, the team boasted players of both establishments including the late great Mike Gregory and Joe Lydon.

I was fortunate to get into the Orrell RUFC first XV on 2 occasions when we played Northern and then Hull and East Riding (incidentally both away games) I don't think that there were sufficient available to make the trip – no real change there!

In 1984 I joined Greater Manchester Police and moved away from the Orrell area. I played for Manchester RUFC and the Police Division where I was based. We won the Chief Constables Cup competition on 4 occasions. I also represented Greater Manchester Police and played in the P.A.A. Championships (National Police Competition), eventually hanging up my boots at the age of 42, undergoing surgery to my right knee having a full reconstruction.

I returned to the club in 2014 when I had retired from the police. I have two coaching badges 'Rugby Ready' and 'Scrum Factory'

### **The Development Team (later the second team)**

At the Executive meeting in December (2014) I was asked to try and build a team in addition to the first team. I was given a free hand by the Executive, I initially thought what will this team be about?

The core values of the team:

1. Enjoyment- rugby for all levels of ability and age
2. Player development- support for players aiming to progress their rugby within the club
3. Player rehabilitation- gradual return of players who have been injured.
4. Regular games- enter the team into the Raging Bull League 5 the time table for this wasn't set, but the 2015 – 2016 season seemed to be an appropriate target.
5. Broadening of the player base- the bigger the playing base the bigger the club, this would enhance the stature of the Club in the eyes of the RFU.

### **The Development Team Season 2014 – 2015**

On match days I initially had help from Peter Carletti (now one of the first team coaches)

Saturday 13 December 2014 was The First Development team game against Leigh RUFC 3rd Team the game was played at home prior to the First XV match we managed to get a team onto the pitch, we were however reliant at that time on some of our older players namely Jeff Huxley and Rob Jones taking the field. As it happens they both played well as did the team and we won 20 – 0 a really good start and something to build on.

The result was the spring board that was needed to help with the recruitment and retention of players. Initially we struggled to get enough players to take to the pitch.

After a decent first season I decided to enter the team into Raging Bull League 5 North. And we would play our matches at Winstanley College.

The Club now had the details of over 50 people who want to pull on the Orrell jersey!

### **The Second Team Season 2015 – 2016**

First season we did well finishing mid table. And it was at this point that Peter and I were joined by Andrew Carroll and it was the 3 of us who now to control of the team.

We went through the whole of the season with 100% record at home winning all our matches.

### **Season 2016 - 2017**

At the beginning of last season our target was to get as many of the team training as possible and to finish higher in the league than the mid – table position that we had the previous season.

We surpassed all our expectations – we won the league and were promoted to League 4 North at the end of the 2016 – 2017 season.

Again we went through the whole of the season with 100% record at home winning all our matches.

At this point Peter and Andrew decided to take on the challenge of managing and coaching the Orrell RUFC First XV.

### **Season 2017 - 2018**

At the start of this season I was joined by Matthew Stafford who will be looking after the Second Team with me. At the time of writing we are 3rd in Division 4 North- 3 Wins 1 Draw and 1 Loss.

### **The Future**

Complete the season with our home record of winning every match intact, to progress past the first round in the cup and to finish in the top half of the League.

We have already achieved one of those goals – we are through to the second round of the cup.

There are now over 130 players who have registered an interest and play for the club some with the first team but the majority with the second team.

Maybe there's someone who would look to forming a Third XV?

# GOT SOME FREE TIME ON YOUR HANDS? WE COULD FIND YOU SOMETHING TO DO

Every home game there are a multitude of jobs that need to be done. If you can spare an hour or so before a home game (and you don't have to commit to every single one – just help when you can). We can provide you with tea, coffee and some cake (and maybe even a pie) if you do.

We need people to help with things like, putting the post protectors up, putting our sponsor boards out, prepare the pitch and surrounding area. For an informal chat and to find out more, contact **Dave Hewlett** on **07764 576278** or **dhewlett.orrellrugfc@gmail.com**.

Ladies: we need your help too! Would you be interested in helping on a Saturday afternoon and preparing refreshments for our 2XV after their matches at Winstanley Tennis Club? The pay is atrocious but the enjoyment level is priceless. If you can pull a pint ... then it's even more fun! If you can spare an hour or so on a Saturday when the 2XV are at home, please get in touch with **Pauline Lloyd** on **07968 223809**.

## THERE'S QUITE A FEW EXCITING EVENTS COMING YOUR WAY, COURTESY OF ORRELL RUFVC

- The Annual General Meeting will be held on 30 May 2018 in St Luke's Church Hall.
- Following a very successful golf day this year, we have booked the 2018 Golf Day for 8th June 2018. We will once again be holding the Golf Day at Houghwood Golf Club.

**Details of all events can be found on our website.**

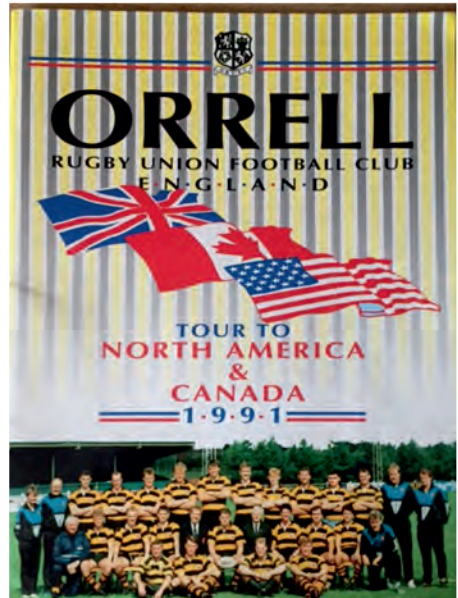

# REMEMBER WHEN?

We've recently had a clear out and have found so many old photographs and memories from days gone by, that we wanted to share with you.

Some of these will appear in the programme and some will appear on our Newsletter (make sure we've got your email address so you receive your copy) and some on the website.

Do you have any old memories you'd like to share with us? Let us know and we will add your photographs or memories to our Memory Box.

So, who remembers this tour? Some interesting job titles!

# BE A HAPPY LANDLORD!

## Receive Your Rent On Time Even If The Tenant Pays Late!

- Your rent will be paid to Winnard & Brown on the due date (even if the tenant pays late).
- Rent will be received in your bank account 2 – 4 days after the due date every month (even if the tenant pays late).
- Full rent protection for the total monthly rent, for up to 4 tenants, as named on the Tenancy Agreement.
- Legal costs to obtain possession of the property if the tenant fails to pay the rent. Total claims limit of £50,000.
- Covers breaches of the tenancy agreement by the tenant, including non-payment of rent and expired section 21 notices.
- Comprehensive tenant references included as part of the service.
- Nil excess with rent paid from the point of the first arrears.

### Rent on Time V's Rent Guarantee .

Rent on Time is far superior to a rent guarantee policy as with this service your rent is paid on the due date every single month, even if the tenant pays late. With rent guarantee, although you receive your money eventually, you have to wait until the tenant is 30 days in arrears, then submit a claim, the claim takes in the region of 30 days further to process, so it can be over two months before you receive a payment and when you do, the rent is paid in arrears rather than in advance, like with rent on time.
