Orrell RUFC is a founding member of Orrell & Winstanley Community Sports Club; a joint venture partnership with Winstanley Park Cricket Club to provide community sports facilities for the local community and beyond. The new family orientated facilities will play host to Orrell RUFC, who will finally find a permanent home after leaving their Edgehall Road ground ten years ago. The new buildings will also enable the cricket club to continue to meet the requirements for affiliation to the Southport and District League.

Membership of the Sports Club gives members access to rugby, cricket & rounders and any future sports that join the main club.
