# OUR HISTORY

Lingfield FC was formed in 1893, initially competing in the now defunct Edenbridge & District League for the first 20 years of its history. Throughout virtually all their history the club has retained its distinctive red and yellow colours, albeit in a variety of guises.

After much success in junior and local intermediate football the club applied to join the Sussex County League (and senior football) in 1980, but were turned down after the ground was deemed inadequate. However, Lingfield had more success with the Combined Counties League, which they joined the following season (1980/81). In 1981/82 Lingfield finished as runners-up in Division Two of the Eastern Division.

Lingfield installed floodlights for the first time in 1983 and they were christened with a match on 2nd March against Brighton, a game that drew a crowd of 1,200. With floodlights in place, the club was finally accepted into Division Two of the County League, with the promise of less traveling and more local derbies to look forward to. After three seasons however, they were relegated to Division Three, and intermediate football once more.

In 1993/94 Lingfield returned to senior football as runners-up to Bosham, but it proved to be a brief return, with relegation following the next season. In 1997/98 however, the club was promoted once more, this time as champions of Division Three, but again struggled to maintain senior status. In 2000 they finished bottom but avoided the drop, but were not as lucky with an identical finish the following year.

2001/02 saw Lingfield close to dropping out of the League altogether after they finished bottom of Division Three, only to be saved by the merger of Ansty Rangers and St. Francis Hospital to form St. Francis Rangers. The following two seasons however, saw a steady improvement, finishing 3rd in the table (albeit 8 points behind second-placed Bexhill United) in 2004/05. The club also reached the final of the Division 3 Challenge Cup, but lost 1-3 to Rustington.

In 2005/06 the Club fulfilled its promise of the previous season by going one better and returning to senior football after an absence of five years as runners-up to champions Peacehaven & Telscombe. Lingfield

finished five points clear of third-placed Rustington, but the West Sussex club was once again to prove their nemesis in the Challenge Cup, beating Lingfield 12-11 on penalties after the two sides had drawn 1-1 in normal time. Astonishingly, the shoot-out saw no fewer than 32 spot kicks taken!

In 2006/07 the club finished in 10th position but in 2007/08 under manager Steve Perkins Jnr, secured promotion to Division 1 for the first time in their history by finishing as runners-up to East Grinstead Town.

In their first season in Div 1 in season 2008/09 the club finished in a highly respectable 8th position, under manager Steve Perkins Jnr.

In 2009-10 season Lingfield finished in 10th position in Div 1

In 2010-11 season Lingfield finished in 11th position in Div 1

In 2011-12 season Lingfield finished in 7th position in Div 1

In 2012-13 season Lingfield finished in 6th position in Div 1

In 2013-14 season Lingfield finished in 15th position in Div 1

In 2014-15 season Lingfield finished in 17th position in the SECL

In 2015-16 season Lingfield finished in 8th position in Div 1

In 2016-17 season Lingfield finished in 5th position in Div 1

In 2017-18 season Lingfield finished in 3rd position in Div 1 and promoted to the Prem Division

In 2018-19 season Lingfield finished in 8th position in the Prem and also won the Surrey FA Premier County Cup

In 2019/20 season Lingfield's season was abandoned and was null and void due to Covid-19

# EAST PRESTON

The original East Preston Football Club was established in 1947, but folded within a decade. A new club was formed in 1966 and joined the Worthing & District League. They moved up to the West Sussex League in 1968, going on to win the league's Premier Division in 1977–78 and then three consecutive titles between 1980–81 and 1982–83. In 1983 the club were founder members of the new Division Three of the Sussex County League. Although they won the division at the first attempt, they were not promoted due to their ground failing to meet the requirements, and remained in Division Three until finishing as runners-up in 1990–91, after which they were promoted to Division Two. However, the club were immediately relegated back to Division Three after finishing bottom of Division Two in 1991–92.

East Preston were promoted to Division Two again after finishing as Division Three runners-up in 1994–95; the season also saw them win the Division Three Cup and the Sussex Intermediate Cup. They spent three seasons in Division Two before winning it in 1997–98, earning promotion to Division One. Although the club was relegated back to Division Two after finishing

bottom of Division One in 2001–02, they were promoted back to Division One at the end of the following season after a third-place finish. The club remained in Division One until the end of the 2008–09 season, when they were relegated to Division Two. However, after winning Division Two and the Division Two Cup in 2011–12, they returned to Division One. They won the Sussex RUR Cup the following season, beating Broadbridge Heath 1–0 in the final. The club went on to win the Division One title in 2013–14, but were denied promotion to the Isthmian League after failing a ground grading inspection; league runners-up East Grinstead Town were promoted in their place.

In 2015 the Sussex County League was renamed the Southern Combination, with Division One becoming the Premier Division. After finishing second-from-bottom of the Premier Division in 2015–16, East Preston were relegated to Division One. The following season they finished third in Division One and were promoted back to the Premier Division.

# THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

The international break very rarely affects Non-League clubs, but Non-League is increasingly influencing the international scene.

Each season we see more players deservedly earn moves into the Football League – and some even go on to reach the absolute peak.

Over the last seven months the football pyramid has become even more divided, with 'Project Big Picture' now trying hard to increase the gap, but the importance of lower-league clubs to the product on the pitch has never been more obvious.

Six players in Gareth Southgate's latest England squad have had stints in Non-League and there were five in the side Ryan Giggs picked for Wales when the two teams met last week.

Nick Pope started the friendly fixture at Wembley having begun his career in the Eastern Counties League with Team Bury before progressing to Bury Town in the Isthmian League.

Following his move to Charlton Athletic, Pope went on loan to Harrow Borough, Welling United, Cambridge United and Aldershot Town for more crucial experience of first team football.

The back-up England keepers against Wales, Jordan Pickford and Dean Henderson, are also no strangers to Non-League. Pickford had loan spells at Darlington and Alfreton Town while Henderson played in goal for Stockport County just over four years ago when they

were in National League North. He's also pushing to become Manchester United's number one.

Centre-back Tyrone Mings impressed in senior football at Yate Town and Chippenham Town in the Southern League before a successful trial at Ipswich Town forged the start of his top-flight career.

Dominic Calvert-Lewin made his England debut, and scored, in the 3-0 win over Wales. A debut goal was nothing new to the Everton striker, as a 17-year-old he bagged on his first appearance for Stalybridge Celtic against Hyde on Boxing Day when Sheffield United sent him out for game time. On New Year's Day, in the reverse fixture, he scored twice and set up three.

Danny Ings also got in on the act at Wembley, scoring his first goal for his country via a bicycle kick. Ten years ago, he was netting in Non-League at Dorchester Town on loan from Bournemouth.

Many others in the England squad either started or showed their talents in the lower reaches of the Football League before stepping up into the Premier League spotlight.

Non-League football and its clubs play a vital role in developing players just as much as the top-flight academies – every player has a different path and their roots should not be forgotten.

# CODE OF CONDUCT

The club committee would like to remind ALL spectators who watch Lingfield that they are expected to abide by the club's Code of Conduct whether that be here at Godstone Road or when following the team to their away fixtures.

This is particularly relevant in our behaviour towards match officials. Everyone who partakes in the game at this level does so because they love and enjoy it, whatever side of the fence they are on. Spectators, officials and players have disagreed with match officials since football began and regularly make their views known. However this should not degenerate into personal abuse towards match officials who are doing their job.

We all bear a collective responsibility to set a good example and help provide a positive environment in which children can learn and enjoy the game. Play your part and observe The FA's Respect Code of Conduct for spectators at all times.

## I WILL:

- Remember that children play for FUN
- Applaud effort and good play as well as success
- Respect the Referee's decisions even when you don't agree with them
  - Appreciate good play from whatever team it comes from
- Remain behind the touchline and within the Designated Spectators' Area
- Let the coach do their job and not confuse the players by telling them what to do
- Encourage the players to respect the opposition, referee and match officials
  - Support positively and offer players encouragement not criticism
- Never engage in, or tolerate offensive, insulting or abusive language or behaviour

I understand that if I do not follow the Code, any/all of the following actions may be taken:

## I MAY BE:

- Issued with a verbal warning from a club or league official
- Required to meet with the club, league or CFA Welfare Officer
  - Required to meet with the club committee
  - Obligated to undertake an FA education course
  - Obligated to leave the match venue by the club
- Requested by the club not to attend future games
- Suspended or have my club membership removed
- Required to leave the club along with any dependents.

## IN ADDITION:

- The FA/County FA could impose a fine and/or suspension on the club.
