AYLESBURY UNITED JUNIORS F.C. was founded in 1976 under the name of **BEARBROOK RANGERS F.C.**, (the boys at that time being predominantly from Bearbrook Middle School), and competed in the Aylesbury Junior Football League.

Since then the club has expanded and have moved further afield for our football, playing briefly in the Hemel Hempstead Minors League and regularly in the **Wycombe and South Bucks Star League** and the **Bovis Homes Chiltern Youth League**.

Following a short spell in 1984 with the Rivets Club, **AYLESBURY UNITED F.C.** invited us to play under the banner of **AYLESBURY UNITED JUNIORS F.C.**, thus completing a progressive Youth policy. This is the end of our **SEVENTH** season as "**Junior Ducks**" and are looking forward to another successful season in 1993 / 94.
