Meet the **Belles U9**, who played their first league match in Sep 2023 and won! This is remarkable as not only was this their first game but the Belles were only formed less than 12 months ago. Simon Hodgson (on the left) approached WTFC about having a girls team. With his friend Simon Bunn (right) they started The Belles. They now have 150 girls who's ages are from 5 to 13. With over 7 teams. They train on a Saturday at WTFC with the younger ones from 9.30 - 10.30 and the older girls from 11am till 12pm. Simon can be contacted on 07919563622 for details.

MEET ONE OF OUR VOLUNTEERS

A lot of people who work at the club do so voluntarily. They give their time and energy and never complain. One of those volunteers is Mark Bundock.

Mark who is 56 started as a volunteer at WTFC in 2005 when the late chairman Tony Last, asked him to be his Secretary for the season 2005-6. Apart from a few seasons away due to personal reasons, Mark has always been involved with the club. In his time he has been Club Secretary, Reserves Secretary and is currently First Team Secretary.

In addition to being Secretary Mark is also a Bingo caller on a Thursday night and every other Friday at the club bingo.

In April 2022, Mark received an award from Essex FA for his work at Witham Town.

Here are a few of the events happening in the club in the lead up to Christmas.
