**Tickets will only be supplied to fully paid up members of the Club who should not apply for more tickets to any match than they require for their own personal use. Refunds for unwanted tickets may not be possible.**

Members must understand that the supply of all tickets by the RFU to Clubs and by Clubs on to their members is subject to detailed and onerous conditions set by the RFU. A copy of the RFU's full ticket terms and conditions is available on request and the RFU suggests that we should include the following summary on this application form:

No member may sell or dispose of the tickets to anyone if they are not required for that member's personal use. They should instead be returned to the Club. If a member is allocated two or more tickets the Club may be required by the RFU to inform them who will be accompanying the member or accompanied the member to the game and request back the tickets after the match. If any of the tickets allocated to the club are discovered on the black market the RFU may sanction the Club which may lead to the loss of allocation.
