

Vacancy - Bexhill United Ladies U14s Assistant

Bexhill United Ladies are currently looking to appoint an assistant for the Under 14s for the 2017/18 season.

Based in Bexhill-on-Sea, the Club runs two open age ladies teams that compete in the South East Counties League. The Under 14s side plays in the Sussex County Women and Girl's League.

The successful applicant will have the opportunity to work with players of varying abilities. In addition, they will need to be willing to work within the existing system at Bexhill United with the main aim of developing players.

The role will be related to the coaching and management of footballing activities, however you may be required to complete match day tasks (team sheet and collection of subs). Fixture and travel arrangements, registrations and all other organisational elements will be dealt with by the Committee.

The commitment required is training on Friday evenings (7pm to 8pm) and games on Sundays throughout the season. This is a voluntary post.

We are looking for someone with passion for female football and time to dedicate to the development of the Bexhill United Ladies. The role will require the successful applicant to possess excellent communication and motivational skills as well as the ability to work as a team.

FA First Aid and Safeguarding qualifications are desirable but not essential as the Club can assist. Any appointment will be subject to a satisfactory CRC check.

If you are interested in this role then please send your footballing CV to katiwilde@hotmail.co.uk and a brief statement about why you want to join our club.
