KICK-OFF TIMES ON INTERNATIONAL MATCH DAYS

No matches will be scheduled on Scotland's home Six Nations Match dates unless both teams agree and request to play. When League/Cup matches fall on the same weekend as a home International match, clubs are encouraged to support the National Team by not playing in direct conflict with the International game. As a result, Clubs can agree to play their match on any day of the weekend with the usual approval from the relevant Competition Secretary. Should clubs wish to play their match on the actual day of the International match a 2-hour default time for kick-off before the international match will apply. Should clubs have logistical difficulty in achieving this they should seek approval for different arrangements from the relevant Competitions Committee via the Competition Secretary.
