PRESIDENTS WELCOME

A message from our new Honorary President for the 2019/20 season, Neil Palmer.

A warm welcome to members, players and supporters to the 2019-2020 season. We look forward to the league season with renewed confidence following some improved performances towards the end of last season and continuity in the senior coaching role.

Our minis section goes from strength to strength thanks to the dedication of coaches and parents. The committee will strive to bridge the gap between minis and senior rugby as we are reaping the benefits now of youth players in recent years turning out for senior teams.

I know you will continue to support our club whether through playing, training, volunteering coaching, standing on the sidelines, purchasing raffle tickets or attending the social events;

Thank you.

Here's to a great season.

Neil

ON AND OFF FIELD CHANGES

Administration

We thank those who have stepped down from their roles, in particular President Michael Heath and Hon. Secretary Ken Devlin. Both have been great servants in the administration of our club during the past few years, and have left strong and lasting structures in place to ensure our continued success both on and off the field.

We welcome Neil Palmer as our new Club President. Neil is a decades long Service member, having excelled on the pitch as a player, we look forward to his term as President.

Playing

On the field, we say farewell to 1st XV captain Hamish Matheson, and 2nd XV captain Gareth Lewis. Both have been great leaders, seeing success on the field and being widely respected by their teammates.

We welcome Peter Hoskins as club captain. Hosky has been a mainstay of the 1st XV for years now, and is fully deserving of this honour. He will have two vice captains, backrow Jonny Carroll, and centre Matthew Cuthbertson. Hamish Matheson takes over the 2nd XV after his successful period with the 1's, and brings a wealth of experience to the 2's.

Mini Rugby

On the mini side, Mark Borland steps down as convenor after a hugely successful term. The minis have grown from strength to strength, and we thank Mark, along with all his coaches for the huge effort and commitment they provide. Our new minis convener is Ian Burgess, deputised by Andrew Hartland. Both experienced coaches, we're sure they'll continue the growth and success of our thriving minis section.

Award Winners

We also had a number of awards handed out at our AGM, to celebrate the efforts of individuals throughout the year

- Captains Cup: Simon Hoskins
- President's Cup: Gareth Lewis
- Don Owens Salvar: Paul Culbert

We're an amateur club and we couldn't survive without the countless hours, efforts and dedication of our volunteers. We thank each them for all their work and commitment to ensure the continued success of our club. And we wish our new leadership team, both on and off the field, every success for the season ahead. 2019/20 here we come!

Paul Culbert, Gareth Lewis and Simon Hoskins receive their awards

YOUR CLUB NEEDS YOU!

As an amateur rugby club, we're only as strong as our volunteers. We survive and thrive on the hard work, effort and dedication of our members. However we always need more help, and there's lots of ways you can get involved:

- Come down on Saturday's and support the team, both 1st and 2nd XV as well as the minis.
- Join us on bus trips for away fixtures
- Have you any particular skills? Why not get in touch to see how they could benefit your club
- Get to know your fellow members – join us at social functions
- Think you could coach? It's a great way to stay involved, and full training can be provided, for both senior and mini levels
- Grab a whistle! We need referees, an integral part of the game and a great way to remain part of the rugby family
- Support our fundraising: It takes a lot to run a rugby club, and even a small donation to a raffle or fundraiser can make a huge difference.

If you'd like to get involved or help in any way, speak to any of our committee members, coaches, players or officials, or drop us an email at info@csnirfc.co.uk, contact us through social media or simply come on down on a Saturday afternoon.

With thanks to all those who have in the past, and continue to support our club.

The commitment of our esteemed members ensures our continued success as a club, both on and off the pitch.

MINI RUGBY

We're delighted to have a thriving Mini Rugby section here at Service, with regularly over 100 children active on Saturday mornings.

We have teams from P1 to P7, we get together at 10am every Saturday morning for either training or games against other clubs.

Our coaches are all fully qualified, and we ensure that the kids have a chance to learn and grow through rugby, while maintaining a real sense of enjoyment.

We have a range of events throughout the year, from training, to matches, blitzes, tournaments and even tours at the end of the season. In addition, our minis have on many occasions took to the field at half time during Ulster games at Kingspan Stadium.

We understand that mini rugby is the start of the journey, we've had players from our mini section come right the way through the club to eventually line out for the 1st XV, not to mention schools and representative rugby.

MINI RUGBY

WELFARE

We're committed to child protection at Civil Service NI RFC, and as such have a new Welfare Officer in place for the 2019/20 season, Greg Euler.

Greg can be contacted by email on eulergreg21@hotmail.com. Greg's club role is supplemented by a number of Ulster Branch & IRFU representatives:

- Paul Whitten - Branch Safeguarding Officer
02890493111 (ext 247) Paul.Whitten@ulsterrugby.com
- Kerry Spence - Branch Safeguarding Officer kerry.spence@ulsterrugby.com
- Anne Marie Hughes (IRFU Safeguarding Officer) safeguarding@irfu.ie

Further information is available from the IRFU and Ulster Branch websites.

COACHING

All our coaches are trained and AccessNI cleared, and in many cases they're parents. Our coaches are volunteers and our thriving mini rugby section is down to their hard work and selflessness.
