WELCOME TO THE DYNAMOS

From The Editor:

It's certainly been an eventful start to the season for the club and I am sure today's game will be no different. Batch is re-building a squad that was stripped in the summer, he has brought in some very exciting talent and I for one really look forward to watching how this team learns to gel and grow.

Hopefully, next week we will see some improvements to the ground that I am sure will impress everyone and at least keep us all dry on those wet afternoons and evenings!

Lets get behind Batch and the boys today as we look to get three points on the board, give them your loudest cheer!

Also the bar will be open tomorrow, so get down and cheer on England in the world cup final!

The Management

Good afternoon, I want to extend a very warm welcome to Dave, John, the committee and all travelling over from Baldock.

Last Saturday versus Biggleswade we were very unlucky to not come away with at the very least a point. We dug ourselves into a bit of a hole however we responded fantastically in the second half and were looking to go on and win the game but sadly had the point ripped away from us in the dying embers of the game.

Tuesday night was not an acceptable performance, football moves fast and we have no time to feel sorry for ourselves, we are on to the next one and following a good session on Thursday night I am fully confident the boys will come out today with a point to prove.

Please get behind Ryan and the lads today, every little bit of support really helps.

Best wishes,
Batch

Dynamos HISTORY

Aylesbury Vale Dynamos is an amalgamation of Aylesbury FC and Bedgrove Dynamos, two local clubs with a rich history in local football. **Aylesbury FC** enjoyed a long history in senior and junior football dating back to the 1930's under the previous names of Aylesbury Vale, Haywood United, Belgrave, Stocklake and Negretti and Zambra FC, which was founded in the 1930's by workers at the Negretti and Zambra company then based in London's King Cross district. The company moved to the Stocklake Industrial Estate, Aylesbury.

BEDGROVE DYNAMOS

Alf Buckland, a resident of Finmere Crescent, formed Bedgrove Dynamos in 1968. It was created to fill a void in activities for boys within the Bedgrove area on the south side of Aylesbury. In 1980, Dave Bayliss became involved when he brought his Cub side to the Bedgrove Park. The teams amalgamated and Dave went on to be the chairman for 21 years, stepping down in the year 2000. Within two years and barely a full strip between them, they managed not only to win the Under 12's Aylesbury & District League (ADL), but went on to win the 13's & 14's league in consecutive years and, by which time, they now had four teams at various age groups.

Over the years the club has grown and has won many tournaments and trophies, especially at county level. Many teams have toured abroad and the club has also entertained boys from Europe and America. We can boast that we are the only boys club to have a club pennant on display in Barcelona's trophy room.

At the start of the season 2001/02 the club was the largest junior club in the Aylesbury area, running teams from under 8's through to under 18's. At the end of the season 2001/02 the club managed to win the coveted Berks and Bucks Cup at under 14's, the Mayor's Cup at under 12's, represented in two other cup finals, won 3 league titles, gained 6 promotions in total and all teams finished in the top 6 to the fairplay awards for their respective leagues. In the last 20 seasons across the age groups the club has won 25 divisional titles, and runners up 20 times.

In 2019 two became one when the sides amalgamated with the intention of allowing the youth of the town to progress through junior football to youth and then adult football and play at the highest possible level.

AYLESBURY FC

The club moved to Haywood Way, their current stadium, in 1987.

After gaining senior status and promotion to the Chiltern League in 1988, Stocklake enjoyed many further successes including Division One runners up in 1991, Premier Division and League Cup runners up the following season and Wycombe Senior Cup success in 1995. Cup success was also followed on in the following season, this time the Berks and Bucks Intermediate Cup being added to the trophy cabinet.

By 1990, under the guidance of Danny Martone, Belgrave had grown to five youth teams providing football for over ninety boys from the Quarrendon and Haydon Hill areas of Aylesbury. 1996 saw the forming of two senior teams under the Belgrave FC name and by the turn of the millennium teams were represented at all levels from Under 8's through to seniors.

Dynamos HISTORY

At the start of the 2000/2001 season, the senior Belgrave FC team was renamed Haywood United following an amalgamation with Stocklake FC with Danny Martone voted in as chairman of the new club. Haywood United joined the Spartan South Midlands League and won promotion into Division One after two seasons. Season 2002/2003 saw a difficult start in Division One, but with the arrival of manager Jon Franklin and his assistant Keith Walker just after Christmas, the club eventually consolidated finishing in 9th place. Promotion was gained to the South Midlands Premier Division the following year after a campaign that saw 23 wins, 7 draws and only 4 losses. Haywood United proved themselves capable of staying in the Premier Division after finishing 3rd in the 2004/2005 season in a campaign that only include one loss in the twenty matches after Christmas. The club also entered the FA Cup and Vase for the first time and won the Buckingham Charity Cup in 2006.

Season 2006/2007 began with Haywood United becoming Aylesbury Vale FC and saw Keith Walker and Steve Glenister take over as joint managers and steadily build a squad. This was recognised in the 2008/2009 season, under the management of Mark Eaton, with a good cup run in the FA Cup and FA Vase, winning three rounds in the FA Cup losing to Level 4 side Gosport after a replay, and losing out in the 4th round of the FA Vase to Leiston Town. May 2009 saw a major new development in a new semi professional side vote for a name change. Aylesbury Football Club was formed under the leadership of Chairman Roger Dance and assisted by Vice Chairman Danny Martone.

Former Chairman Bill Harrison was made President of the club. Great success on the field of play was to follow, with the team having a fantastic run in the F.A. Cup. We were the last 'level five' team in the country to remain in the competition and were rewarded with a visit to Haywood Way for the F.A. Cup trophy. We were finally knocked out of the competition by Wealdstone in a close game. A brave and superb display was witnessed by a bumper crowd of 800 plus.

Steve Bateman took over in 2013/14, steered the club to safety in his first 6 months in charge. Then in 2014/15 with Bateman at the helm FC has their most successful season to date. Playing at the highest level in the club's history, the team finished third in the League, having been pushing for promotion all season and narrowly lost out in the semi final to Bedworth United having already beaten them twice in the league. The 2015/16 finished with a flourish as the club finished just outside the play off positions, but had the consolation of our first major Cup Final, beating Chesham United in the Berks & Bucks Cup at Windsor. Danny Gordon & Gareth Risbridger took the helm after Bateman resigned, supported by Paul Bonham.

Davis Haule took over from Gordon & Risbridger in December 2016, appointed brother Brian as his assistant and recruited former coaches Fraser McLachlan, Aaron Wiffin and added Ryan Collings to his back room staff for the 2017/18 season.

In 2018/19 Scott Reynolds was appointed manager and when he resigned midway through the season it was left to Paul Bonham to take control but because of ground grading issues the Southern League made the decision to relegate the club and after ten seasons in the Southern League. Phil Granville and Ben Gill were appointed midway through the 2019/20 season and kicked off the 2020/21 season again in the Spartan Premier Division. Steve Bateman was re appointed as manager in September 2021.

In November 2022 Jordan King and James Green came in to steady the ship and moved the team from 18th and struggling to a respectable 13th position. They stepped down at the end of the season.

We now start the 2023/24 season with Paul Batchelor at the helm, bringing Ryan Davis and Tom Bamford into the coaching team.

HOMOPHOBIA

FOOTBALL FOR EVERYONE

LET'S MAKE FOOTBALL WELCOMING FOR LESBIAN, GAY, BISEXUAL AND TRANSGENDER PEOPLE

WHAT CAN YOU DO?

THINK ABOUT THE LANGUAGE YOU USE

Using the word 'gay' to mean something is bad can make gay people feel put down or uncomfortable.

Saying someone is 'gay', 'queer', a 'poof', a 'faggot' (or any other homophobic term) just because they do something wrong on a football pitch or are having a bad game is disrespectful.

Saying men are playing 'like girls' or 'like women' not only offends women and girls, but can also make gay supporters and players feel uncomfortable too.

CHALLENGE HOMOPHOBIC LANGUAGE AND BEHAVIOUR IN OTHERS

If you feel safe, always challenge language and chanting that puts lesbian, gay, bisexual and transgender people down. Remember, saying nothing only allows prejudice and discrimination to get worse.

REPORT IT

Homophobia is against the law and against the Rules of the Game. You can report homophobia in football via Kick It Out by calling 0800 169 9414 (freephone), downloading the app to iphone and android devices, visiting the website www.kickitout.org

Baldock Town HISTORY

Following the demise of the original Baldock Town FC in 2001 the new Baldock Town were formed from the Baldock Town Youth FC as an outlet for youth squads in 2003. The new Baldock Town played its first competitive match in September 2003 in the North Herts League at 'The Shed' on Clothall Road, Baldock. The match was against Magnum with a Rob Foster hat-trick sealing a 5-1 win. The club then progressed from the North Herts League to the Herts Senior County League (HSCL). The 1st Team won Div 1 of the HSCL in their debut season in 2007/2008.

For three seasons from 2008 the team played its home matches on at the County Ground, Letchworth but they returned to Baldock to play at their old ground in Norton Road now known as the North Herts Arena.

After three near misses the 1st Team finally won the HSCL Premier Div title in 2012. Unfortunately due to ground grading issues the team were unable to take their place in the Spartan Southern Midlands League (SSML).

In order to achieve its ambition of playing at the highest possible level the Team were forced to move to ground share with Hitchin FC. The club finished in second place the following season but this proved to be good enough to secure that elusive promotion to the SSML. The side, managed by former player Scott Grant, also won the Herts Senior Centenary Trophy for the first time and retained the Anagram Records Trophy.

The next two seasons saw a period of consolidation for the 1st Team as they finished 7th and 10th, respectively, in SSML Div 1 (Step 6 on the Non-League pyramid). After three seasons at Hitchin the club moved to share with Stotfold FC. Luke Gregson then took over in 2015, following Grant's resignation, and assisted by Dean Gilbert the team then went on a superb run and ended up just missing out on promotion. The 3rd place finish was the highest placing in their recent history.

The 2017-18 season proved to be momentous as Baldock Town continued to progress and finished second in Div 1 and were duly promoted to the SSML Premier Division. The team continued with its run of excellent form and finished in 5th place in their first season in the SSML Premier Division.

The following season Baldock managed to get to 12th position before the season was prematurely ended as Covid 19 started to take hold. Luke Gregson decided to step down at the end of that season and Adam Fisher took over as Manager, assisted by Rob Bates.

Baldock only managed 12 games in the 2020-21 season as Covid-19 pandemic eventually won and the League was abandoned. Rob Bates took over as Manager during the summer of 2021 and started the season with some great Cup performances but failed to turn that into League form and are currently at the bottom of the League. Rob Bates has since resigned and Dave McAdam is currently Managing the Team. The Team currently ground share with Arlesey FC.
