## **Welcome to AVDFC**

Good evening and welcome back to Haywood Way – I would like welcome all connected with Royal Wootton Bassett, we were looked after so well on Saturday and I hope your stay is as pleasant as you made our stay with you.

If we are honest, we were lucky to come away from the first fixture with a draw, RWB reacted the better of the 2 sides in the terrible conditions and will look back at the game as one they should have won. Having the experience now of playing them, we are fully aware of what to expect - I was very impressed with them going forward and threat they bring. We had to defend for large spells of the game and had it not been for a fantastic performance from James Weatherill, we might have lost by 2 or 3.

Disappointing this early on this season, we already have a mini injury crisis – Already missing Lewis Stratffrd we now have Joe Fitzgerald (broken nose) and Alex Woodfine (calf ) to add to the list. This will give a couple of the talented Under 18's squad an opportunity to join the first team squad.

We have started the season well in the league, winning 2 from 2 games – For a completely new squad this is really pleasing – there is already a strong bond formed in the dressing room and as the weeks pass it will just get stronger and stronger. As we all know the team will have its off days but the most important thing is to make sure we learn from it and react in a positive way.

I hope you all enjoy the game, make sure you're the 12th man and help us get through to the next round!! Come on you Dynamoles – Paul.

## <u>Dynamos HISTORY</u>

Aylesbury Vale Dynamos is an amalgamation of Aylesbury FC and Bedgrove Dynamos, two local clubs with a rich history in local football

**Aylesbury FC** enjoyed a long history in senior and junior football dating back to the 1930's under the previous names of Aylesbury Vale, Haywood United, Belgrave, Stocklake and Negretti and Zambra FC, which was founded in the 1930's by workers at the Negretti and Zambra company then based in London's King Cross district. The company moved to the Stocklake Industrial Estate, Aylesbury.

in 1949 and by the mid 50's the premises had a bar, football, cricket and tennis facilities. The football club joined the Aylesbury District League in 1954. The social club changed its name to Stocklake when Negretti and Zambra sold the premises to the local council, who then leased the facilities; hence the different sections adopted the name Stocklake. Under the guidance of Chairman Mr Ernie Crotty, the club gained many honours including runners up in ADL's top divisions, before gaining intermediate status in the Wycombe and District League first and senior divisions. Sadly Ernie was killed in a road accident just before the club moved premises to the present location at Haywood Way in 1987.

After gaining senior status and promotion to the Chiltern League in 1988, Stocklake enjoyed many further successes including Division One runners up in 1991, Premier Division and League Cup runners up the following season and Wycombe Senior Cup success in 1995. Cup success was also followed on in the following season, this time the Berks and Bucks Intermediate Cup being added to the trophy cabinet. Belgrave FC was formed in 1983 by Jim Sullivan who lived in nearby Belgrave Road. Jim had two sons who were passionate about football but were limited to where they could play, so formed a team himself with the help of neighbours Lynne and David Hatcher. By 1990, under the guidance of Danny Martone, Belgrave had grown to five youth teams providing football for over ninety boys from the Quarrendon and Haydon Hill areas of Aylesbury. 1996 saw the forming of two senior teams under the Belgrave FC name and by the turn of the millennium teams were represented at all levels from Under 8's through to seniors,

At the start of the 2000/2001 season, the senior Belgrave FC team was renamed Haywood United following an amalgamation with Stocklake FC with Danny Martone voted in as chairman of the new club. Haywood United joined the Spartan South Midlands League and won promotion into Division One after two seasons. Notable achievements during the 2001/2002 season included league awards for the best kept and most improved ground; this included the erection of floodlights and perimeter fencing, which Danny and his hard working committee fought hard to establish. Season 2002/2003 saw a difficult start in Division One, but with the arrival of manager Jon Franklin and his assistant Keith Walker just after Christmas, the club eventually consolidated finishing in 9th place. Promotion was gained to the South Midlands Premier Division the following year after a campaign that saw 23 wins, 7 draws and only 4 losses. Haywood United proved themselves capable of staying in the Premier Division after finishing 3rd in the 2004/2005 season in a campaign that only include one loss in the twenty matches after Christmas. The club also entered the FA Cup and Vase for the first time and won the Buckingham Charity Cup in 2006.

Season 2006/2007 began with Haywood United becoming Aylesbury Vale FC and saw Keith Walker and Steve Gleinster take over as joint managers and steadily build a squad. This was recognised in the 2008/2009 season, under the management of Mark Eaton, with a good cup run in the FA Cup and FA Vase, winning three rounds in the FA Cup losing to Level 4 side Gosport after a replay, and losing out in the 4th round of the FA Vase to Leiston Town. After Christmas the side suffered due to long term injuries and finished mid table. May 2009 saw a major new development in a new semi professional side vote for a name change. Aylesbury Football Club was formed under the leadership of Chairman Roger Dance and assisted by Vice Chairman Danny Martone

## Dynamos HISTORY

Former Chairman Bill Harrison was made President of the club. Great success on the field of play was to follow, with the team having a fantastic run in the F.A. Cup. We were the last 'level five' team in the country to remain in the competition and were rewarded with a visit to Haywood Way for the F.A. Cup trophy, allowing the team, supporters and local people to get their hands on this famous trophy and make the most of this memorable occasion. We were finally knocked out of the competition by Wealdstone in a close game. A brave and superb display was witnessed by a bumper crowd of 800 plus.

Meanwhile, away from the midst of F.A. Cup drama, our success continued, becoming 'Double Winners' Winning both the Spartan South Midland League and League Cup capping an extraordinary season and gaining promotion to the Southern League Division 1 Central. Steve Bateman took over in 2013/14, steered the club to safety in his first 6 months in charge. Then in 2014/15 with Bateman at the helm FC has their most successful season to date most successful to date. Playing at the highest level in the club's history, the team finished third in the League, having been pushing for promotion all season and narrowly lost out in the semi final to Bedworth United having already beaten them twice in the league

the 2015/16 finished with a flourish as the club finished just outside the play off positions, but had the consolation of our first major Cup Final, beating Chesham United in the Berks & Bucks Cup at Windsor. Steve Bateman and his management team resigned at the end of the season and Danny Gordon & Gareth Risbridger took the helm, supported by Paul Bonham, Ryan Wiffin & Aaron Norman. Davis Haule took over from Gordon & Risbridger in December 2016, appointed brother Brian as his assistant and recruited former coaches Fraser McLachlan, Aaron Wiffin and added Ryan Collings to his back room staff for the 2017/18 season.

In 2018/19 Scott Reynolds was appointed manager and when he resigned midway through the season it was left to Paul Bonham to take control but because of ground grading issues the Southern League made the decision to relegate the club and so after ten seasons in the Southern League the club will start the 2019 season in the South Midlands League after what has been a difficult and turbulent period.

#### **Bedgrove Dynamos**

Alf Buckland, a resident of Finmere Crescent, formed Bedgrove Dynamos in 1968. It was created to fill a void in activities for boys within the Bedgrove area on the south side of Aylesbury. In 1980, Dave Bayliss became involved when he brought his Cub side to the Bedgrove Park. The teams amalgamated and Dave went on to be the chairman for 21 years, stepping down in the year 2000. Within two years and barely a full strip between them, they managed not only to win the Under 12's Aylesbury & District League (ADL), but went on to win the 13's & 14's league in consecutive years and, by which time, they now had four teams at various age groups.

Over the years the club has grown and has won many tournaments and trophies, especially at county level. Many teams have toured abroad and the club has also entertained boys from Europe and America. We can boost that we are the only boys club to have a club pennant on display in Barcelona's trophy room.

At the start of the season 2001/02 the club was the largest junior club in the Aylesbury area, running teams from under 8's through to under 18's. At the end of the season 2001/02 the club managed to win the coveted Berks

under 8's through to under 18's. At the end of the season 2001/02 the club managed to win the coveted Berks and Bucks Cup at under 14's, the Mayor's Cup at under 12's, represented in two other cup finals, won 3 league titles, gained 6 promotions in total and all teams finished in the top 6 to the fairplay awards for their respective leagues. In the last 20 seasons across the age groups the club has won 25 divisional titles, and runners up 20 times.

In 2019 two became one when the sides amalgamated with the intention of allowing the youth of the town to progress through junior football to youth and then adult football and play at the highest possible level.

## **Vs Leighton Town (League) – Won 1-2 - Away**

The Dynamos Kicked off the new season withn excellent win at Bell Close against one of the title Favourites This was a thrilling opener to the Spartan League campaign, ten yellow cards, two red cards and three goals and eventuall three points for the Dynamos.

With James Weatherill and Harry James both unavailable it was youngster Joe Williams who is on the books at Kings Langley that made his debut in goal for Aylesbury, Bruno Brito, who has played just twenty minutes of pre season took up the left hand midfield birth in a 4-3-3 formation.

In glorious sunshine it was the home side that dominated the early scurmishes, pinning Aylesbury into their own half without ever really creating any clear opportunities as the Dynamos defensive ubnit held firm. It wasn't until the tenth minute that Aylesbury created their first chance, Alex Woodfine brought doen the ball, found Alfie Gaspar in the area he turned and shot first time but it was gathered comfortably by Mckenzie-Lyle. Gaspar had another chance on twelve minutes but his weak shot from the edge of the box was straight at the Leighton keper.

Aylesbury were now starting to get into the game and after eighteen minutes a nice move involving Alex Woodfine and Alfie Gaspar saw the young forward finding Bruno Brito on the edge of the eighteen yard box but Brito fired his left foot shot just over the bar. After twenty nine minutes Aylesbury's pressure finally paid dividends when Brito was picked out inside the area and his half volley type finish although parried by McKenzie-Lyle squeezed into the bottom corner, cue wild celebrations on the pitch as Brito was mobbed by the whole team.

The lead only lasted two minutes though, Jordan Fredericks floated in a cross to the far post which wyaded the Dynamos defence and was nodded home at the far post by Dave Murphy. Leighton had an excellent chance to double their lead five minutes later when Osborne fed Webb with a spectacular ball, he eventually got the ball under control and fired a shot across Williams but somehow Lewis Strafford cleared te ball off the line with everyone believeing that the home side were about to take the lead. Strafford was injured in the seconds afterwards and had to be replaced.

On the stroke of half time Aylesbury restored their lead as Dan Wilson, rising like a salmon in the box, met a Bruno Brito corner and his bullet header gave the Leighton keeper no chance.

The second half started much as the first had done as Aylesbury were pushed deeper and deeper, but again although Leighton were dominating the pressure they failed to really trouble Williams in the Aylesbury goal. There were yellow cards galore as the half progressed with Carl Tappin, Jacob Troughton-Smith, Alfie Gaspar, Keith Mupfururirwa and Alfi Touceda all being brandished yellow cards.

After seventy five minutes, Leighton's Kyle Davison-Gordon picked up his second yellow and was dismissed as the match became more fractious, tensions were running high amongst the two sets of players as the home side pushed for an equaliser. Aylesbury only real chance of the half again fell to Bruno Brito , he picked the ball up on the left drove forward into the area and fired in a low shot across the keeper but wide of the post. We then had our first sin bin when Tom Silford was sent to sit on the bench for ten minutes which meant the home side played the last few minuteds with just nine men. The ref eventually blew the whistle and the Aylesbury boys celebrated an excellent opening day against a side tipped to be there or there abouts in the title race

## Vs Crawley Green (League) - Won 2-0 - Home

The Dynamos' goal lived a charmed life, but they picked up their first home victory of the season nonetheless with a 2-0 victory against a Crawley Green side who will come away from Haywood Way disappointed. Paul Bonham was forced into a defensive change following Lewis Strafford's foot injury against Leighton Town with Roy Bryan slotting in at centre-half, whilst James Weatherill returned in goal and Abu Khan started on the right-hand side. The game had a very open feel to it early on, with plenty of attacking play at both ends of the pitch. Abu Khan almost opened the scoring for the Dynamos, grazing the post with a header from Bruno Brito's cross.

Dominic Lawless was inches away from the putting Crawley Green ahead on two separate occasions soon after, but Aylesbury were saved by the width of the crossbar in both cases. Bruno Brito and Abu Khan were making life difficult for the Crawley Green back line all evening, and the latter latched onto a superbly weighted ball in the penalty area late on in the first period. Khan showed great composure to round the onrushing Lobjoit in the visiting goal but could only crash the ball against the post of the open net.

The teams went in goalless at the break, but there was no chance that the match was going to finish that way. The breakthrough came just past the hour mark, following a managerial masterstroke from Paul Bonham. Alex Woodfine left the field of play with Abu Khan moving from the left wing to operating through the middle. Carl Tappin played a tremendous through ball which dissected the visiting side's defence for the pacey youngster to run onto. He showed the defenders a clean pair of heels, before rounding Lobjoit and making no mistake this time around - calmly rolling the ball into the unguarded goal.

Dominic Lawless – by far Crawley Green's most dangerous player on the night, must have thought that the third time was his charm, but unbelievably saw an effort from around 6 yards out rattle against James Weatherill's crossbar once more, following a corner which wasn't dealt with by the Dynamo's defence.

The hosts all but sealed the three points with seven minutes to play — another masterful ball from Bruno Brito this time fed in Keith Mupfururirwa who collected the ball in the penalty area before being upended by Lobjoit who was late to react to the danger. The referee had no hesitation in pointing to the spot and booking the guilty party. Bruno Brito stepped up himself and made no mistake from 12 yards — smashing home straight down the middle of the goal, making it two goals in two games for the Portuguese maestro, and more importantly meant maximum points for AVDFC.

## **Vs Royal Wootton Bassett (FA Cup) – Drew 1-1 - Away**

There were more changes to the side today as The Dynamos faced Hellenic side Royal Wootton Bassett. With Lewis Strafford already injured another change was needed because Alfie Gaspar was not available, Lewis Merridan came into tthe midfield, Abu Khan was played though the middle with Alex Woofdine dropping to the bench and Keith Mupururirwa playing on the right of a front three.

A gusty, crossfield wind made life difficult for both teams, but there was little quality throughout a frustrating ninety minutes of cup football.

Royal Wootton Left back Chris Jackson, starting his first game of the season having had to make do with a place on the bench for the opening two league games, had put Bassett ahead after 21 minutes with a powerful effort from outside the area.

However, the Dynamos got back on terms - and ultimately earned a replay - when Keith Murfururirwa lifted he ball over an advancing Declan Lehmann just before the break.

The replay will take place at Haywood Way on Tuesday 13th August with a 7.45pm Kick Off

## **Royal Wootton Bassett - History**

Situated in the small market town six miles west of Swindon, Royal Wootton Bassett Town have been playing football since being established in November 1882, making the club one of the oldest in the county of Wiltshire. The club plays its game at the New Gerard Buxton Sports Ground, which was opened in the summer of 2015.

The club had previously spent the majority of its existence – between 1930, when the club was reformed after a two decade hiatus, and 2014 - playing at the original Gerard Buxton Sports Ground at Rylands Way. The ground was donated by local dignitary Major Gerard Buxton for sporting activities within the town and opened in May 1930.

After its formation the club initially played friendly fixtures before entering its first competition, the Vale of the White Horse League, in 1898-99. Following a season in that division, Bassett entered the Swindon & District League in 1899. Progress made there culminated in the side entering the Wiltshire County League in 1903-04, a year after the club made the finals of both the Advertiser Cup and the Wiltshire Senior Cup, losing the latter in a replay against Warminster Town. Bassett made the final of the Wiltshire Senior Cup again during its first year playing at county level, but lost to Swindon Town Reserves.

At the time, the prestigious County League featured clubs such as Melksham Town, Devizes Town and Chippenham Town as well as – from further afield – Bath City and Yeovil Casuals (now Yeovil Town). Bassett had mixed fortunes during its spell in this division, coming last in 1904-05 before finishing runners-up a year later. During this period, the club's home games took place at 'The Close', upon which Tanners Close now stands, whilst they were based at 'The Royal Oak' public house.

Bassett resigned from the Wiltshire County League in the summer of 1908 after failing to comply with league regulations which insisted players must reside within a specific radius of the town — the majority of the Bassett side at the time lived in Swindon, while financial pressures meant the club folded. Years in the wilderness followed, thanks partly to the First World War — during which The Royal Oak was used as a barracks for German prisoners of war — and the presence of the 1920=21 FA Amateur Cup finalists Swindon Victoria, who for many years played in the town. However, owing to the opening of the Gerard Buxton Sports Ground in May 1930 and the desire for it to have tenants alongside the town cricket club, the football club was revived.

Starting in the Calne & District League, Bassett had much early success, finishing runners-up in 1930-31 before going on to win the league on three occasions. The division featured teams from numerous surrounding villages such as Clyffe Pypard, Bushton and Lyneham— a stark contrast to the sides Bassett competed against three decades earlier. Bassett finally re-entered County football in 1935-36, playing in Wiltshire League Division Two, before gaining re-election to the now expanded Wiltshire League Division One a year later, where Bassett struggled to compete with the likes of Westbury United, Devizes and Purton.

Fortunes began to change following the Second World War, and Bassett twice came close to reaching the First Round Proper of the FA Amateur Cup — in the 1946-47 season it was the last Wiltshire club standing, but was beaten 9—0 by Cornish side St. Austell in the final qualifying round. Bassett steadily rose up the Wiltshire League Division One table during the 1950s. After narrowly missing out on the title two seasons earlier, they were crowned as champions in 1958-59. A year later, now playing in the Wiltshire Premier Division, Bassett enjoyed another successful season, embarking on a nine game FA Amateur Cup run that saw them again fall one game short of reaching the First Round Proper.

## **Royal Wootton Bassett - History**

The club generally found the going tough in its new league surroundings. However, they were up against strong opposition, which included numerous clubs from outside the county, namely Somerset sides Paulton Rovers, Radstock Town, Frome Town, Clandown and Peasedown Athletic, as well as Stonehouse Town from Gloucestershire.

Restructuring of the County League at the end of the 1960s then saw Bassett enter the Wiltshire Combination and pitted them against more local sides. During the eight years of this competition, Bassett's best finish was fifth in 1969-70. In 1976 the Wiltshire County Football League was established after another reorganisation of the game in the county. Bassett were placed in Division One, but were relegated after two seasons. They secured promotion a year later, but immediately went back down in 1979-80.

Steady progress eventually led to Bassett winning the Division Two title in 1984-85. In Division One, under the stewardship of Mick Woolford, Bassett won the league and promotion to the Hellenic League in 1987-88. That same year they again finished runners-up in the final of the Wiltshire Senior Cup, losing 1–0 to Purton. Woolford remained manager until 1995, overseeing a spell in which Bassett established themselves in Hellenic League Division One. During this period Bassett reached the final of the Hellenic League Division One Cup three times, winning it twice in 1989-90 and 1993-94.

Bassett's success continued at the turn of the century. In 1998-99, 99 years after its first participation in the competition, Bassett won its first County Cup title, beating Pewsey Vale 3–2 after extra time in the final held at the County Ground. A year later, thanks to the installation of floodlights at the Rylands Way ground, they were able to gain promotion to the Hellenic League Premier Division having finished third in Division One.

In its first season in the Premier Division, Bassett secured a mid-table position, finishing 13th and also won the Wiltshire Senior Cup for a second time by defeating Shrewton United 2–0. A year later the club reached the First Round of the FA Vase for the first time, losing at home to Cornish side St. Blazey. However, in the league Bassett became involved in numerous relegation battles, eventually falling back to Division One West after finishing 21st in the 2004-05 season.

Bassett came close to securing an immediate return to the Hellenic Premier Division in 2005-06, following a three month unbeaten spell from the end of January. However, a 1–0 defeat at Trowbridge Town in the penultimate game of the year saw Bassett finish fifth, one point shy of third place and a promotion spot. Underachievement followed during the next two years, although 2007-08 saw Bassett advance to the First Qualifying Round of the FA Cup after wins over local rivals Highworth Town and then-Southern League side Bracknell Town. A 15th place finish in that season was Bassett's lowest ever in the Hellenic League.

But a year later Bassett were again battling for promotion and having cup success. Bassett went further than ever before in the FA Vase, reaching the Second Round Proper, where they were defeated 4–0 at 1992 winners Wimborne Town. Throughout the year, Bassett were promotion candidates, but defeat at Trowbridge late in the season meant they finished fourth.

A return to the Hellenic Premier Division was finally achieved in 2009-10 as Bassett finished runners-up to Slimbridge in Division One West on goal difference after losing just three league games all season. The club enjoyed another FA Cup run in the 2010-11 season, making it to the First Qualifyng Round where Bassett were eventually knocked out by Hamble ASSC. In the league Bassett enjoyed a good start, but soon

became engaged in a battle against relegation though before finishing 15th. The club were eventually demoted after Rylands Way was deemed not to have met ground grading criteria.

Back in Division One West for the 2011-12 season, Bassett challenge for promotion through the year before they wound up fifth. 2012-13, Bassett's final season at Rylands Way, would see them secure a return to the Hellenic League Premier Division though, as they came runners-up behind Brimscombe & Thrupp in Division One West. Manager Dave Turner, who stood down at the end of the campaign after five years at the helm, also led the team to the Second Qualifying round of the FA Cup, where Bassett were defeated by Conference South side Dorchester Town.

With plans for the club's and Sports Association's new facility finally moving ahead, the first team began a two year groundshare with Cirencester Town in 2013-14, a year in which Bassett finished a comfortable 14th in the Hellenic Premier Division. That performance was bettered in 2014-15, Bassett's final year playing its games in Cirencester, with an 11th place finish – the club's highest ever in the non-league pyramid – and record points haul in the division.

Since the onset of the new Millennium the club has expanded significantly, with the establishment of a large Youth Section and a Ladies Section. The club now operates 23 teams from under 7s upwards. This growth led to the club being awarded Charter Development Club status by the FA before this was upgraded to Community Club status. Bassett were the first club in Wiltshire to achieve this. International ties have also been established, with three youth section teams touring Holland annually since 2001. This has led to a relationship with amateur side FC 's-Gravenzande, who are based near The Hague.
