A Word from the Chairman

Good afternoon everyone and today we welcome the players, management staff, board members and fans of Peterborough Sports to the SRD stadium. I hope you all enjoy your stay with us and have a safe journey home afterwards.

It's been a pretty traumatic week, with manager Scott Reynolds stepping down last weekend for personal reasons. Scott came to us in the summer and in the short time he has been with us, he done a fantastic job stabilising the playing side and recruiting a completely new team and although results have not always been favourable, some of our performances I feel have been very good, especially against the better teams in the league. I would like to take this opportunity to thank Scott personally for all his hard work over the last 3 or 4 months.

So Paul Bonham will take on the first team as Interim Manager and Matt Moran will assist him and I have every confidence that they can carry on the good work that Scott started with more recruits on the playing side pending to make us even more competitive. I wish them both the best of luck. But it doesn't get any easier as our next three games including today are against teams in the top four.

Although there is a saying that the table doesn't lie, I honestly think that with the players we have currently and some of the performances we have had in recent weeks, that we are in a false position.

Today is going to be tough against very good opponents but as we have already proved this season we are very capable of causing an upset and getting a result. I would like to finish by thanking the fans for supporting us through this transitional season so far and I'm sure you be rewarded with some wins and fc climbing the table very soon.

Until next time coym!

Tony Masella

From The Dugout

Good afternoon all and a big welcome back to the SRD stadium. I would like to welcome James and all connected to Peterborough Sports ahead of this afternoons fixture.

Peterborough Sports have had a fantastic start to life in the Southern Central, League, getting to a creditable third round FA Cup qualifying fixture against the high flying Chorley, and currently sitting 3rd in the League with games in hand.

It's been a very difficult week with everyone Connected to FC with Scott Reynolds stepping down after the game on Saturday. I would personally like to thank Scott for bringing me back to club and for all his work over his time in charge at FC.

A big thank you goes to the committee for intrusting me with the Interim Manager's role – It will be a proud moment being in the dugout this afternoon. Matt and I have had a very busy week speaking to the existing squad but also sounding out availability a possible targets.

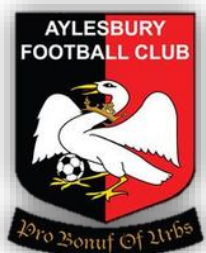

I have been very impressed with the player's reaction and their commitment this week in training, we have continued to work hard but now we need to take this into Saturday's game, we have had some very positive results against the top teams in this league and I hope we react well against Peterborough Sports today.

This week was always about taking stock of what we have and trying to settle the ship, the squad is in pretty good shape and has shown that we aren't a million miles away from where we need to be.

This is why points on the board but more importantly a good performance is crucial this squad in terms of confidence.

Enjoy the game – Come on you Moles!!!!

Paul

Aylesbury FC History

The club has enjoyed a long history in senior and junior football dating back to the 1930's under the previous names of Aylesbury Vale, Haywood United, Belgrave, Stocklake and Negretti and Zambra FC, which was founded in the 1930's by workers at the Negretti and Zambra company then based in London's King Cross district. The company moved to the Stocklake Industrial Estate, Aylesbury.

in 1949 and by the mid 50's the premises had a bar, football, cricket and tennis facilities. The football club joined the Aylesbury District League in 1954. The social club changed its name to Stocklake when Negretti and Zambra sold the premises to the local council, who then leased the facilities; hence the different sections adopted the name Stocklake. Under the guidance of Chairman Mr Ernie Crotty, the club gained many honours including runners up in ADL's top divisions, before gaining intermediate status in the Wycombe and District League first and senior divisions. Sadly Ernie was killed in a road accident just before the club moved premises to the present location at Haywood Way in 1987.

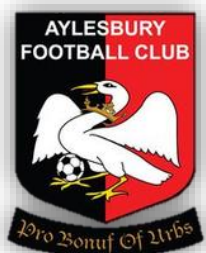

After gaining senior status and promotion to the Chiltern League in 1988, Stocklake enjoyed many further successes including Division One runners up in 1991, Premier Division and League Cup runners up the following season and Wycombe Senior Cup success in 1995. Cup success was also followed on in the following season, this time the Berks and Bucks Intermediate Cup being added to the trophy cabinet. Belgrave FC was formed in 1983 by Jim Sullivan who lived in nearby Belgrave Road. Jim had two sons who were passionate about football but were limited to where they could play, so formed a team himself with the help of neighbours Lynne and David Hatcher. By 1990, under the guidance of Danny Martone, Belgrave had grown to five youth teams providing football for over ninety boys from the Quarrendon and Haydon Hill areas of Aylesbury.

1996 saw the forming of two senior teams under the Belgrave FC name and by the turn of the millennium teams were represented at all levels from Under 8's through to seniors, some 200 players being registered, this also including Stocklake Ladies. In 2000 four youth teams won league and cup honours, whilst the senior team went on to win the Aylesbury District Cup, the Field Shield and ADL Premier Division runners up.

At the start of the 2000/2001 season, the senior Belgrave FC team was renamed Haywood United following an amalgamation with Stocklake FC with Danny Martone voted in as chairman of the new club. Haywood United joined the Spartan South Midlands League and won promotion into Division One after two seasons. Notable achievements during the 2001/2002 season included league awards for the best kept and most improved ground; this included the erection of floodlights and perimeter fencing, which Danny and his hard working committee fought hard to establish. Another award was gained for the match day programme in recognition of how much the club was developing.

Season 2002/2003 saw a difficult start in Division One, but with the arrival of manager Jon Franklin and his assistant Keith Walker just after Christmas, the club eventually consolidated finishing in 9th place. Promotion was gained to the South Midlands Premier Division the following year after a campaign that saw 23 wins, 7 draws and only 4 losses. Haywood United proved themselves capable of staying in the Premier Division after finishing 3rd in the 2004/2005 season in a campaign that only include one loss in the twenty matches after Christmas. The club also entered the FA Cup and Vase for the first time and won the Buckingham Charity Cup in 2006.

Season 2006/2007 began with Haywood United becoming Aylesbury Vale FC and saw Keith Walker and Steve Gleinster take over as joint managers and steadily build a squad. This was recognised in the 2008/2009 season with a good cup run in the FA Cup and FA Vase, winning three rounds in the FA Cup losing to Level 4 side Gosport after a replay, and losing out in the 4th round of the FA Vase to Leiston Town.

Aylesbury FC History

After Christmas the side suffered due to long term injuries and finished mid table. May 2009 saw a major new development in a new semi professional side. Aylesbury Football Club was formed under the leadership of Chairman Roger Dance and assisted by Vice Chairman Danny Martone. Former Chairman Bill Harrison was made President of the club.

Great success on the field of play was to follow, with the team having a fantastic run in the F.A. Cup. We were the last 'level five' team in the country to remain in the competition and were rewarded with a visit to Haywood Way for the F.A. Cup trophy, allowing the team, supporters and local people to get their hands on this famous trophy and make the most of this memorable occasion. We were finally knocked out of the competition by Wealdstone in a close game. A brave and superb display was witnessed by a bumper crowd of 800 plus.

Meanwhile, away from the midst of F.A. Cup drama, our success continued, becoming 'Double Winners' Winning both the Spartan South Midland League and League Cup capping an extraordinary season and gaining promotion to the Southern League Division 1 Central.

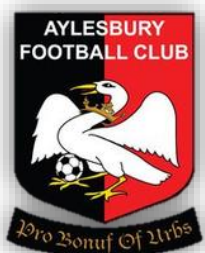

Steve Bateman took over in 2013/14, steered the club to safety in his first 6 months in charge. Then in 2014/15 with Bateman at the helm FC has their most successful season to date most successful to date. Playing at the highest level in the club's history, the team finished third in the League, having been pushing for promotion all season and narrowly lost out in the semi final to Bedworth United having already beaten them twice in the league

the 2015/16 finished with a flourish as the club finished just outside the play off positions, but had the consolation of our first major Cup Final, beating Chesham United in the Berks & Bucks Cup at Windsor. Steve Bateman and his management team resigned at the end of the season and Danny Gordon & Gareth Risbridger took the helm , supported by Paul Bonham , Ryan Wiffin & Aaron Norman. Davis Haule took over from Gordon & Risbridger in December 2016, appointed brother Brian as his assistant and recruited former coaches Fraser McLachlan, Aaron Wiffin and added Ryan Collings to his back room staff for the 2017/18 season.

2017/18 was a difficult season for club finishing 21st and avoiding relegation due to the League re organisation. This season sees a new era with ex Leighton manager Scott Reynolds taking over the reigns assisted by Matt Moran, Lea Coulter and the returning Paul Bonham.

Aylesbury Football Club prides itself on clear ambitions: to progress to higher league football and to achieve higher league status with squads from local talent. The club hopes to continue to work with other local community groups and enhance the clubs facilities to benefit the people within Aylesbury.

Peterborough Sports History

Peterborough Sports Club History for Season 2016-17

Peterborough Sports football club was founded in 1908 and were initially known as Brotherhoods Engineering Works a non-competitive factory side for the company that was founded by Peter Brotherhood in 1867 that was famed for designing and manufacturing the first steam turbine engine in the world. The club honours its heritage to this day with the turbine engine featuring in the club badge and "The Turbines" as the club nickname. We were called Bearings Direct in the 1990's and then changed to Peterborough Sports all at the same Lincoln Road ground which underwent a major revamp in 2012/13, with a ground fit for Step 3 the ultimate aim. Sports were promoted from the Peterborough League to the UCL after finishing 3rd in the Peterborough League in season 2012/13. This is now the sides 3rd season at the new level after finishes of 16th & 5th and a first venture into the FA Vase in 2014/15, which has been followed with a first entry into the FA Cup for 93 years in season 2015/16 – the longest ever gap between participating. The Reserves enjoyed 3 successive promotions after reforming at the start of the decade and are now in the Peterborough League Premier Division themselves, finishing a commendable 9th in their first season last year. We also have an Under 16's playing in the Peterborough Youth League.

The club started competitive life in the Northants League in 1919 (which became the UCL in 1934) winning the title in that first season before joining the Peterborough League in 1923. The club once entertained Tottenham Hotspur at Lincoln Road before the 2nd World War in front of a crowd of 4,000 at a time when a stand went down the whole length of the ground and drew over 3,000 for the visit of local rivals Peterborough & Fletton United (now Peterborough United).

The clubs most successful year before the current season came in the 2006/07 season when both the Peterborough Premier Division and Northants Junior Cup were secured for the only time in the clubs history and in season 2010/11 the club secured its first PFA trophy since the 2nd world war when lifting the Challenge Cup and were promoted back to the Peterborough League Premier Division for a short 2 season stay

Without doubt the clubs most famous player is Victor Watson (pictured) who played in the Northants League title winning team of 1919/20 before moving onto West Ham United for £50 via Wellingborough in March 1920. He remains the Hammers record goal scorer with 326 goals from 505 appearances.
