From The Manager

Welcome back to the SRD stadium for a great evening of football, a warm welcome goes to Robbie and all connected with Cambridge City. Over the last few weeks you can see that Robbie has his side firing after a few difficult results, beating both North Leigh and Yaxley in style. You only have to look at the players available to recognise the talent within the setup.

It's another very difficult test for us but I'm hoping that we can gain momentum from the last 2 fixtures and produce another creditable performance, we know we have enough in this squad to make it difficult for the opposition.

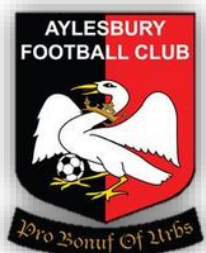

The first half against Leighton we looked like a side that meant business, the intensity and work rate from all the players was fantastic and I can confidently say it was the best we have played all season. The second half performance was again equally as good, we defended well as a team and had to dig in when needed. The win means we have a final too forward to at the end of the season which will be a great day out for the club after everything we have been through.

The down side from 2 tough fixtures is that we are struggling massively with injuries, we will be having around 4 fitness tests before the game and have 4 players not available due to injuries. Once again this leaves us down to the bare bones and we could be looking at bringing in some of the successful under 18's to cover if needed. This is something we are not afraid to do as 4 of the lads trained with us last week and looked very comfortable and could push for places in the squad over the next few weeks.

I hope you enjoy the evening and hopefully the points can remain in Aylesbury ...

Paul

Aylesbury FC History

The club has enjoyed a long history in senior and junior football dating back to the 1930's under the previous names of Aylesbury Vale, Haywood United, Belgrave, Stocklake and Negretti and Zambra FC, which was founded in the 1930's by workers at the Negretti and Zambra company then based in London's King Cross district. The company moved to the Stocklake Industrial Estate, Aylesbury.

in 1949 and by the mid 50's the premises had a bar, football, cricket and tennis facilities. The football club joined the Aylesbury District League in 1954. The social club changed its name to Stocklake when Negretti and Zambra sold the premises to the local council, who then leased the facilities; hence the different sections adopted the name Stocklake. Under the guidance of Chairman Mr Ernie Crotty, the club gained many honours including runners up in ADL's top divisions, before gaining intermediate status in the Wycombe and District League first and senior divisions. Sadly Ernie was killed in a road accident just before the club moved premises to the present location at Haywood Way in 1987.

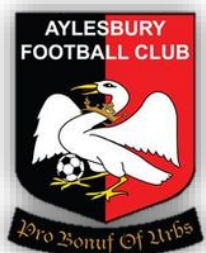

After gaining senior status and promotion to the Chiltern League in 1988, Stocklake enjoyed many further successes including Division One runners up in 1991, Premier Division and League Cup runners up the following season and Wycombe Senior Cup success in 1995. Cup success was also followed on in the following season, this time the Berks and Bucks Intermediate Cup being added to the trophy cabinet. Belgrave FC was formed in 1983 by Jim Sullivan who lived in nearby Belgrave Road. Jim had two sons who were passionate about football but were limited to where they could play, so formed a team himself with the help of neighbours Lynne and David Hatcher. By 1990, under the guidance of Danny Martone, Belgrave had grown to five youth teams providing football for over ninety boys from the Quarrendon and Haydon Hill areas of Aylesbury.

1996 saw the forming of two senior teams under the Belgrave FC name and by the turn of the millennium teams were represented at all levels from Under 8's through to seniors, some 200 players being registered, this also including Stocklake Ladies. In 2000 four youth teams won league and cup honours, whilst the senior team went on to win the Aylesbury District Cup, the Field Shield and ADL Premier Division runners up.

At the start of the 2000/2001 season, the senior Belgrave FC team was renamed Haywood United following an amalgamation with Stocklake FC with Danny Martone voted in as chairman of the new club. Haywood United joined the Spartan South Midlands League and won promotion into Division One after two seasons. Notable achievements during the 2001/2002 season included league awards for the best kept and most improved ground; this included the erection of floodlights and perimeter fencing, which Danny and his hard working committee fought hard to establish. Another award was gained for the match day programme in recognition of how much the club was developing.

Season 2002/2003 saw a difficult start in Division One, but with the arrival of manager Jon Franklin and his assistant Keith Walker just after Christmas, the club eventually consolidated finishing in 9th place. Promotion was gained to the South Midlands Premier Division the following year after a campaign that saw 23 wins, 7 draws and only 4 losses. Haywood United proved themselves capable of staying in the Premier Division after finishing 3rd in the 2004/2005 season in a campaign that only include one loss in the twenty matches after Christmas. The club also entered the FA Cup and Vase for the first time and won the Buckingham Charity Cup in 2006.

Season 2006/2007 began with Haywood United becoming Aylesbury Vale FC and saw Keith Walker and Steve Gleinster take over as joint managers and steadily build a squad. This was recognised in the 2008/2009 season with a good cup run in the FA Cup and FA Vase, winning three rounds in the FA Cup losing to Level 4 side Gosport after a replay, and losing out in the 4th round of the FA Vase to Leiston Town.

Aylesbury FC History

After Christmas the side suffered due to long term injuries and finished mid table. May 2009 saw a major new development in a new semi professional side. Aylesbury Football Club was formed under the leadership of Chairman Roger Dance and assisted by Vice Chairman Danny Martone. Former Chairman Bill Harrison was made President of the club.

Great success on the field of play was to follow, with the team having a fantastic run in the F.A. Cup. We were the last 'level five' team in the country to remain in the competition and were rewarded with a visit to Haywood Way for the F.A. Cup trophy, allowing the team, supporters and local people to get their hands on this famous trophy and make the most of this memorable occasion. We were finally knocked out of the competition by Wealdstone in a close game. A brave and superb display was witnessed by a bumper crowd of 800 plus.

Meanwhile, away from the midst of F.A. Cup drama, our success continued, becoming 'Double Winners' Winning both the Spartan South Midland League and League Cup capping an extraordinary season and gaining promotion to the Southern League Division 1 Central.

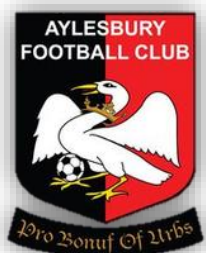

Steve Bateman took over in 2013/14, steered the club to safety in his first 6 months in charge. Then in 2014/15 with Bateman at the helm FC has their most successful season to date most successful to date. Playing at the highest level in the club's history, the team finished third in the League, having been pushing for promotion all season and narrowly lost out in the semi final to Bedworth United having already beaten them twice in the league

the 2015/16 finished with a flourish as the club finished just outside the play off positions, but had the consolation of our first major Cup Final, beating Chesham United in the Berks & Bucks Cup at Windsor. Steve Bateman and his management team resigned at the end of the season and Danny Gordon & Gareth Risbridger took the helm , supported by Paul Bonham , Ryan Wiffin & Aaron Norman. Davis Haule took over from Gordon & Risbridger in December 2016, appointed brother Brian as his assistant and recruited former coaches Fraser McLachlan, Aaron Wiffin and added Ryan Collings to his back room staff for the 2017/18 season.

2017/18 was a difficult season for club finishing 21st and avoiding relegation due to the League re organisation. This season sees a new era with ex Leighton manager Scott Reynolds taking over the reigns assisted by Matt Moran, Lea Coulter and the returning Paul Bonham.

Aylesbury Football Club prides itself on clear ambitions: to progress to higher league football and to achieve higher league status with squads from local talent. The club hopes to continue to work with other local community groups and enhance the clubs facilities to benefit the people within Aylesbury.

Last Time Out

Aylesbury FC 2 (3) Leighton Town 0 (2) – Tue 19th Feb 2019 – Bucks Charity Cup Semi Final

FC went into this game on a high after the defeat of Bedford on Saturday. Josh Thompson came into the starting line up for his Moles debut and Davis Haule replaced Elliott Amdieu in midfield.

This was always going to be a tough game with Leighton on a good run and two one up from the first leg, but it was the home side that took the game to Leighton forcing a couple of early corners. The first real chance fell to Ty Deacon after just nine minutes when excellent persistence from man of the match Bruno Brito enabled him to feed in Deacon but the ball was cleared by Kyle Davison.

New keeper Josh Thompson had his first opportunity to impress on eleven minutes, Silford was through on goal, his chip to the back post was kept in by Faulkner and his returning cross was volleyed by Silford but straight down the throat of the FC keeper. Aylesbury took the lead on twenty one minutes, Ryan Young left Matt Hall for dead on the right wing, his low cross was parried away by the Leighton keeper but only into the path of Bruno Brito who blasted the ball home into an empty net to tie the aggregate score. This early goal gave the home side confidence as they were now dominating play, soon after a mazy run by Paul Field was stopped when he was cynically hacked down but the inviting ball from the resultant free kick didn't find anyone in a red shirt and the ball drifted narrowley past the back post.

Aylesbury doubled the lead just before the break, another superb run from Young saw him lay the ball off to Deacon and his cross was met by Brito on the edge of the box and he smashed a volley passed Wyant who just couldn't keep the ball out.

Half Time Aylesbury 2 (3) - Leighton Town 0 (2)

The second half started much as the first had ended with Aylesbury looking the stronger and more composed side, but on sixty minutes Leighton had their first real chance, a crazy scramble in the FC area following a cracking Matt Hall corner, and a few well hit Leighton efforts are well saved by Thompson, keeping the FC lead intact.

Ryan Young was having a field day down the right against Matt Hall, after yet another storming run down the right-flank, he reached the byeline, Deacon is screaming for it in the six yard box for an easy cut back, but Young opted to go it alone and fired into the side netting.

As the game drew to a close it was Leighton who were searching for the equaliser, pushing the home side back without ever really creating anything, then on the break just before the end of the game there was some super interplay between Brian Haule and Ty Deacon, Deacon traversed a couple of challenges, before cutting it back to Haule but his effort was blocked en route to goal.

Aylesbury will now face either Winslow or Buckingham in the Final on the 1st May 2019

Cambridge City History

Early years

The club was formed in 1908 as Cambridge Town, the direct descendant of the earlier Cambridge St Mary's club which had folded at the end of the 1907-1908 season following a dispute with the local Cambs FA. As a torchbearer for amateur football in the days when many clubs viewed the professional game with disdain, the new club affiliated itself with the recently established Amateur Football Association rather than the local FA. Trophy success came early, with a notable victory being achieved in the International Du Nord Trophy in 1912 after beating host club Tourquennois in Northern France. Cambridge Town amalgamated with an earlier Cambridge United club in May 1914, joined the Cambs FA for the first time and in turn gained entry into the FA Cup and the FA Amateur Cup for the first time, whilst retaining their AFA links. The club's best ever run in the Amateur Cup came in 1928 when they reached the semi Final only to lose to Leyton at Fulham's Craven Cottage ground. The club moved to the Town Ground in Milton Road in April 1922, having previously played at Purbeck Road (1908-1911), the Hills Road Bridge Ground (1911-1914), Trinity College New Field (1920-1922) and various other grounds in the period 1919 to 1920.

Town v Town

A rivalry developed with Ipswich Town during the late 1920's and mid 1930. Huge crowds attended these games at Milton Road, peaking at 11,916 in 1929. Both clubs' success in the Southern Amateur League prompted invitations to join the newly formed semi-professional Eastern Counties League in 1935. Ipswich accepted, but the Cambridge Committee declined on account of their commitment to amateur football, so the two Towns went their separate ways. Within three years Ipswich had been elected to the Football League leaving Cambridge fans wondering what might have been! Cambridge Town moved on to the Spartan League, winning three league titles between 1945 and 1950. Shortly after progression to the Athenian League, Cambridge was granted City status in 1951 and with it the club's name change to Cambridge City.

Southern League Champions

City finally left the amateur game in 1958 and joined the Southern League, gaining a place in the Premier Division of the Southern League ahead of local rivals Cambridge United in their first season. City won the Premier Division in 1962/63, edging out United in an enthralling title race with the local derby at Milton Road being witnessed by over 11,500 people. The absence of automatic promotion to the Football League put a lid on City's ambitions. Nevertheless, City were regular challengers for the title and had the highest attendances in non-league football up until the mid-1960s. But City lost their way and were relegated to Southern League Division 1 in 1967/68. Promotion back to the Premier Division followed in 1969/70, but this was the same season Cambridge United were elected to the Football League. City were left to reflect that, in 12 Southern League seasons together, they had finished above their local rivals in 7 of them.

Strife in the 1970s

City finished Southern League runners up in 1970/71, but the latter years of the decade were dreadful. Relegation in 1975/76 saw crowds dwindle and the Club fall into decline. In 1977, Directors decided to return the Club to amateur status by joining the Isthmian League but, in scenes that would be repeated 30 years later, subsequent fans' protests forced most of the Board to resign. The club thus remained in the Southern League.

Better times

After the redevelopment of the ground in the mid 1980's, City gradually improved and a new generation of fans mobbed their heroes after the 1985/86 Southern League Southern Division

Cambridge City History

championship was won on the last day of the season. The goal scoring exploits of Gary Grogan were instrumental in City's recovery, according him a 'City Legend' status. Since 1993, City have reached the 1st round proper of the FA Cup five times and the 2nd round once, which is a far better record than achieved by the more illustrious City sides of the 1960s.

Ups and downs

Recent seasons have been a roller-coaster ride for the City faithful. City's best season for 30 years saw them finish runners up in the inaugural Conference South season in 2004/05, going on to lose in the play-offs. Off the field the ground had been sold to pay off mounting debts and matters took a turn for the worse in 2006 when the then Board announced an agreement to allow City to be absorbed into Cambridge United. With City on the brink of extinction, supporters were galvanised into a campaign which eventually forced Directors to resign, to be replaced by members of the Cambridge City Supporters' Trust. The opening league match of 2006/07 was arguably the most memorable since the early 1960s – not merely because City won with a stoppage time winner at Havant & Waterlooville, but because it offered irrefutable proof that that City had survived a blatant attempt to kill it off and were very much alive and kicking. City celebrated their centenary in 2008, but were demoted at the end the 2007/08 season due to over-zealously applied ground regulations. This decision ended 22 consecutive seasons in the 2nd tier of non-league football. City lost out to Gloucester City in the 2008/09 play-off. In the 2009/10 season, City won the Southern League Cup for the first time and finished one point shy of a playoff place. With the ground sold, a groundshare agreement was in place with Newmarket Town for the 2010/11 season but a last minute offer from our landlord meant that City had another season in its own stadium and celebrated by securing a place in the playoffs with a 4th place finish in the league. However, this was met with disappointment again as the team went down one nil away to Salisbury City. Another reprieve following a new deal with the landlord gave City two more seasons at Milton Road, 2011/12 and 2012/13. Once again the play-offs were reached but again an away defeat in the semi final, this time at Oxford City. This disappointment was however tempered by the news that the club has secured a site on which to build a new stadium and training complex. City ultimately missed out on a play-off spot in the 2012/13 season, but the club enjoyed a FA Cup run, with a televised first round proper home tie with MK Dons producing a fantastic night with a nil nil draw at Milton Road before losing in the replay at Stadium MK. With our lease on the stadium finally coming to an end, April 27th 2013 saw the last ever first team match at the ground before a large crowd with mixture of tears and smiles. Adrian Cambridge had the honour of scoring the last ever goal at Milton Road in the one nil victory over Redditch United.

New era

A new era for the club commenced in August 2013 starting with a ground-share at Histon FC. City once again reached the play-offs that season but once again tasted semi final defeat, this time at home to St Albans City. The 2015-16 season saw City move to share at St Ives Town FC. Manager Gary Roberts left in the summer of 2016 after 13 years at the club. His replacement Dan Gleeson had a short and ultimately unsuccessful spell in charge, former player Robbie Nightingale taking over as manager in December 2016. Robbie won his first game in charge to boost City's hopes of avoiding the drop. City's playing record improved culminating in five wins and a draw in their last six games but ultimately it was not enough and the club were relegated to step four for the first time in our history. Hopes of bouncing straight back were dashed when City lost in the play-off to Hartley Wintney. After three seasons at St Ives, City are now back at Histon FC whilst waiting for the new ground in Sawston to be built.
