From the New AVDFC Chairman

Good Afternoon

I'd like to take this opportunity to introduce myself. I am currently the chairman of the biggest Youth football club in the area, Bedgrove Dynamos. I have been Chairman of Dynamos for 4 years now (2 years vice chairman before that) and was voted in with my current committee to try and expand the outreach of youth football in the town and to offer the best standard of coaching possible.

Over the past few years we have seen the club grow to over 450 members with 26 teams from u6s to adults in various leagues, and over 50 qualified coaches and managers. Over the years myself, my family and friends of Bedgrove Dynamos have been regular visitors to Haywood Way supporting the Moles and have built close friendships with the committee and the team.

About 6 years ago as Vice Chairman of BDFC I met Danny Martone and was blown away by his passion and drive to bring youth football through to senior football to the town. Over the years we formed a friendship and Danny offered pitches to our youth section, something we had always struggled with due to lack of pitches in the town. This led to a much closer bond between the 2 clubs and we shared the same vision of inclusive football for all ages.

Our bond has continued to strengthen and we have grown together over the past couple of years. We were aware of the importance of offering our youth teams the best standard of football we could once they step into u18s and senior football and were conscious that our Senior football set up was not enough for the amount of young players each season stepping up. Aylesbury FC had the knowledge and experience of senior football, and with their dedicated, passionate, hard working committee it was an easy conversation about how we could combine the 2 clubs and committees to become one big club for the town.

We believe that what we can now offer to the players of the club is very special and will continue to grow for many years to come. We also can continue Danny's legacy and his wish of an integrated setup with players from 3 years old right through to senior teams.

Taking the newly merged club to the next level will be a challenge, but we will do it together, and with the backing and support of both clubs families, followers and members we are really excited for what the future holds and I am honored to have been chosen as chairman, and look forward to the new chapter ahead of us.

Mike Borrett

From The Manager

Good afternoon all, A warm welcome goes to Jon Taylor and all connected with Bedford Town to SRD Stadium. I have been very impressed with the squad John has built this year, they have shown its quality with a great run in the FA Trophy and I firmly believe they will be in the play off's come the end of the season.

Having lost to them already this year we know we are going to have to perform to our highest level to get something from this game.

We are heading into this fixture on the back of a heavy defeat against top of the league Peterborough Sports, it was always going to be a hard game for us, but it has shown us the levels we need to be at to compete at Step 4 as a playing squad and as coaches.

On the squad front we have lost a couple more players who have jumped ship which is always going to be disappointing, but I wish them all well with their new clubs. We have had a busy week of bringing new faces and I'm happy with the immediate impact they have all had, all have come in looking hungry and wanting to impress which is a great to see from my point of view.

We have had a very good week at training and the levels of application have been the highest I've seen all season; this group of players make me feel proud to be part of it and shows that we are all in this together.

Even more pleasing is the immediate effect of having Paul Tomms and Pete Forssling in the squad, they have brought allot of energy into training and into the changing rooms, I'm confident this will reflect in our performances come match days and hopefully bring us some much-needed points.

I hope you enjoy the game and I hope the points stay in Aylesbury #moles.

Paul

Aylesbury FC History

The club has enjoyed a long history in senior and junior football dating back to the 1930's under the previous names of Aylesbury Vale, Haywood United, Belgrave, Stocklake and Negretti and Zambra FC, which was founded in the 1930's by workers at the Negretti and Zambra company then based in London's King Cross district. The company moved to the Stocklake Industrial Estate, Aylesbury.

In 1949 and by the mid 50's the premises had a bar, football, cricket and tennis facilities. The football club joined the Aylesbury District League in 1954. The social club changed its name to Stocklake when Negretti and Zambra sold the premises to the local council, who then leased the facilities; hence the different sections adopted the name Stocklake. Under the guidance of Chairman Mr Ernie Crotty, the club gained many honours including runners up in ADL's top divisions, before gaining intermediate status in the Wycombe and District League first and senior divisions. Sadly Ernie was killed in a road accident just before the club moved premises to the present location at Haywood Way in 1987.

After gaining senior status and promotion to the Chiltern League in 1988, Stocklake enjoyed many further successes including Division One runners up in 1991, Premier Division and League Cup runners up the following season and Wycombe Senior Cup success in 1995. Cup success was also followed on in the following season, this time the Berks and Bucks Intermediate Cup being added to the trophy cabinet. Belgrave FC was formed in 1983 by Jim Sullivan who lived in nearby Belgrave Road. Jim had two sons who were passionate about football but were limited to where they could play, so formed a team himself with the help of neighbours Lynne and David Hatcher. By 1990, under the guidance of Danny Martone, Belgrave had grown to five youth teams providing football for over ninety boys from the Quarrendon and Haydon Hill areas of Aylesbury.

1996 saw the forming of two senior teams under the Belgrave FC name and by the turn of the millennium teams were represented at all levels from Under 8's through to seniors, some 200 players being registered, this also including Stocklake Ladies. In 2000 four youth teams won league and cup honours, whilst the senior team went on to win the Aylesbury District Cup, the Field Shield and ADL Premier Division runners up.

At the start of the 2000/2001 season, the senior Belgrave FC team was renamed Haywood United following an amalgamation with Stocklake FC with Danny Martone voted in as chairman of the new club. Haywood United joined the Spartan South Midlands League and won promotion into Division One after two seasons. Notable achievements during the 2001/2002 season included league awards for the best kept and most improved ground; this included the erection of floodlights and perimeter fencing, which Danny and his hard working committee fought hard to establish. Another award was gained for the match day programme in recognition of how much the club was developing.

Season 2002/2003 saw a difficult start in Division One, but with the arrival of manager Jon Franklin and his assistant Keith Walker just after Christmas, the club eventually consolidated finishing in 9th place. Promotion was gained to the South Midlands Premier Division the following year after a campaign that saw 23 wins, 7 draws and only 4 losses. Haywood United proved themselves capable of staying in the Premier Division after finishing 3rd in the 2004/2005 season in a campaign that only include one loss in the twenty matches after Christmas. The club also entered the FA Cup and Vase for the first time and won the Buckingham Charity Cup in 2006.

Season 2006/2007 began with Haywood United becoming Aylesbury Vale FC and saw Keith Walker and Steve Gleinster take over as joint managers and steadily build a squad. This was recognised in the 2008/2009 season with a good cup run in the FA Cup and FA Vase, winning three rounds in the FA Cup losing to Level 4 side Gosport after a replay, and losing out in the 4th round of the FA Vase to Leiston Town.

Aylesbury FC History

After Christmas the side suffered due to long term injuries and finished mid table. May 2009 saw a major new development in a new semi professional side. Aylesbury Football Club was formed under the leadership of Chairman Roger Dance and assisted by Vice Chairman Danny Martone. Former Chairman Bill Harrison was made President of the club.

Great success on the field of play was to follow, with the team having a fantastic run in the F.A. Cup. We were the last 'level five' team in the country to remain in the competition and were rewarded with a visit to Haywood Way for the F.A. Cup trophy, allowing the team, supporters and local people to get their hands on this famous trophy and make the most of this memorable occasion. We were finally knocked out of the competition by Wealdstone in a close game. A brave and superb display was witnessed by a bumper crowd of 800 plus.

Meanwhile, away from the midst of F.A. Cup drama, our success continued, becoming 'Double Winners' Winning both the Spartan South Midland League and League Cup capping an extraordinary season and gaining promotion to the Southern League Division 1 Central.

Steve Bateman took over in 2013/14, steered the club to safety in his first 6 months in charge. Then in 2014/15 with Bateman at the helm FC has their most successful season to date most successful to date. Playing at the highest level in the club's history, the team finished third in the League, having been pushing for promotion all season and narrowly lost out in the semi final to Bedworth United having already beaten them twice in the league

the 2015/16 finished with a flourish as the club finished just outside the play off positions, but had the consolation of our first major Cup Final, beating Chesham United in the Berks & Bucks Cup at Windsor. Steve Bateman and his management team resigned at the end of the season and Danny Gordon & Gareth Risbridger took the helm , supported by Paul Bonham , Ryan Wiffin & Aaron Norman. Davis Haule took over from Gordon & Risbridger in December 2016, appointed brother Brian as his assistant and recruited former coaches Fraser McLachlan, Aaron Wiffin and added Ryan Collings to his back room staff for the 2017/18 season.

2017/18 was a difficult season for club finishing 21st and avoiding relegation due to the League re organisation. This season sees a new era with ex Leighton manager Scott Reynolds taking over the reigns assisted by Matt Moran, Lea Coulter and the returning Paul Bonham.

Aylesbury Football Club prides itself on clear ambitions: to progress to higher league football and to achieve higher league status with squads from local talent. The club hopes to continue to work with other local community groups and enhance the clubs facilities to benefit the people within Aylesbury.

Bedford Town History

Bedford Town, nickname "The Eagles" was founded in 1908 and in the early years they played in the United Counties League and its predecessors, the Northampton League and Northampton Alliance. In 1945, The Eagles moved to the Southern League but achieved little during the first seasons. The club received a much needed boost when in February 1951 Ronnie Rooke was signed as Player/Manager. This signing captured the imagination of the public for "Rookie" was a well known footballer, having played for Arsenal, Fulham, Crystal Palace and England.

"Giant Killers"

However, it was not until season 1955-56 that the Eagles started on the first of their great cup runs which would see them achieve national fame as "Giant Killers" with a number of fine wins over league opposition including Watford 3-2, Norwich 2-4, Newcastle 1-2, Exeter 1-2, Brighton 2-1 and Oxford 1-0. But possibly their greatest achievement was to draw 2-2 with Arsenal at Highbury watched by a crowd of over 55,000 in season 1955-56. The Eagles nearly caused a major shock in the replay leading 1-0 until 4 minutes from time before going down 1-2 after extra time, having had 2 goals disallowed for offside. During the 60's, changes of manager were made in a succession of two year spells with Reg Smith taking over from Rooke followed by Basil Hayward in 1963, Ron Burgess 1965, Ron Heckman 1967, Alan Wright 1969, Reg Smith again in 1971, Brian Garvey, Jim Walker, Barry Fry 1977 and finally Trevor Gould. The last game for the Club was against Nuneaton Borough away on the 4th May 1982, with the Eagles going down 1-0. And so after 74 years the end came in 1982 when the owners of the football ground in Queens Park exercised their right to terminate the lease and when plans to build a new stadium near Barkers Lane, Bedford, failed, the Club was wound up.

On the 5th May 1989, a group of Eagles supporters met to start a campaign to re-form Bedford Town FC, which was so successful that they obtained Council permission to play their home games on a public pitch in Queens Park. With Tony Sullivan as team manager, they were elected to the South Midlands League and finished fourth Terry King was tempted out of retirement to team up with Tony Sullivan for the 1992-93 season and a number of early wins put them on the way to a runaway championship.

This meant that the Club had to find their own ground in order to be promoted. The Council finally decided a site at Meadow Lane, Cardington, a former council tree nursery, would be the most appropriate and with financial support from the council and much hard work from supporters and committee members, the New Eyrie was ready for the opening night game against Peterborough United watched by a crowd of over 3,000. So the Eagles went into the SML Premier Division, won their first game and remained top of the league all season. Another race against time saw the ground upgraded and a rollercoaster campaign saw Bedford claim the 3rd promotion spot in the final week of the season. The Eagles started season 1995-96 with high hopes of a 4th successive promotion. But the team who gained promotion from Division Three never really settled to life at a higher level, and a string of bad results meant that relegation was a distinct possibility. The Committee acted quickly to bring in Mick Foster from Beazer Homes Buckingham Town who brought several players with him which resulted in the Club finishing in a respectable 8th place.

Bedford Town History

1996-7 was one of inconsistency, which cost the Eagles any chance of promotion. However, the Town finished in 7th place - the highest position since the Club was reformed. The season 1997-98 saw an exciting finale when a late run by the Eagles saw them just fail to pip Wealdstone to the 3rd promotion spot and have to settle for 4th position. The Town also won 2 cup competitions, the Beds. Premier Cup and the Vandanel Cup. Season 1998/99 - With just a few days to go before the start of the season, the Club parted company with the Manager and former players Tony Luff and Jason Reed were appointed joint managers. The Town enjoyed an excellent FA Vase run getting to the 5th Round when they were drawn at home to the holders Tiverton Town. The Eagles lost 1-2 in front of a crowd of 1,566 and Tiverton went on to retain the Cup. Season 1999/2000 - After a poor start to the season the eagles parted company with the Luff and Reed and the club acted swiftly and Roger Ashby was appointed Manager. The Club finished in 8th spot. In the FA Trophy the Eagles reached the 4th Round against Conference side Yeovil. The Eagles lost 0-4. The attendance of 2,010 was the highest attendance for a competitive game since the club was re-formed.

Season 2000-2001 - The Eagles finishing runners-up in Ryman Division One, gaining promotion to the Premier Division, losing only four league games all campaign. The Club also became a Private Limited Company at the beginning of the season and David Howell took over the club as Chairman. Season 2001-2002 - The League campaign got off to a disastrous start, losing the first seven matches before taking three points on the 8th attempt at Hendon with a 2-1 victory. The league campaign would always be difficult after that, and it wasn't until mid February that the club finally pulled away from the bottom two when the team put together a tremendous nine game unbeaten run. The FA Cup campaign was a memorable one, reaching the 1st Round proper. In front of the Match of the Day cameras the Eagles drew 0-0 at home to 2nd Division Peterborough United and took the "Posh" to a deserved replay at London Road in front of over 5,500 people. The Eagles eventually went down 2-1 and were unfortunate not to have won the game.

Season 2002/03 - After the departure Roger Ashby, former Northampton Town boss Kevin Wilson was appointed as manager of Bedford Town in October. Kevin played at the highest level and was capped by Northern Ireland 42 times. League form improved dramatically and the club finished in its highest league position of 9th since reformation.

Season 2003/04 - In October 2003 Manager Kevin Wilson and his Assistant Lee Howey resigned from the club to join Aylesbury United. Reserve and PASE Coach Dave Randall took charge in October 2003 but agreed to stand down in January 2004 after a poor run of league results. He was immediately replaced by Nick Platnauer.

Season 2004/05 - After a shaky start an upturn in form saw the Eagles win 12 home league games on the trot and reach 2nd place. Unfortunately injuries took their toll and eventually slipped to 5th by the end of the season. Bedford reached the semi final of the play off losing on penalties to Chippenham Town. The Eagles also lost 3-2 over two legs to Kings Lynn in the League Cup final, but silverware did come to the club in the form of the Bedfordshire Senior Cup, beating Barton Rovers in the final 2-1.

Bedford Town History

Season 2005/06 - The club moved into its new facilities at the beginning of this season with a new function room and football facilities up to National Conference standard. The club were consistent throughout the season and earned a Play off final spot at Chippenham. The Eagles had their day with a magnificent 3-2 win, the winning goal coming from a wonder strike by Tom Bonner two minutes from time. The Eagles now facing a new challenge in Nationwide South, the highest standard the club have played in since re-formation in 1990.

Season 2006/07 - After struggling for most of the season Manager Nick Platnauer handed in his resignation in February 2007. Stuart Bimson was appointed Caretaker Manager and was eventually given the post. Although results did improve relegation was confirmed on the 7th of April in a 2-0 defeat at Newport County.

Season 2007/08 - Another poor season saw the Eagles relegated. However due to financial problems with other clubs Bedford escaped the drop. In the middle of our preparations for 2008/09 Manager Stuart Bimson left the club to take a position at Cambridge United as Assistant Manager. Former Club Captain and Assistant Manager Lee Howarth was appointed 1st Team Manager.

Season 2008/09 - The Eagles at least consolidated their position and achieved 15th place in the league which could have been much better if the teams away form had been up to scratch. The team only picked up 5 results on their travels with 4 wins and 1 draw.

Season 2009/10 - The season proved to be another struggle for the Eagles. Conceding 88 goals in the league made life difficult to pick up regular points. After the departure of Manager Lee Howarth in March after a 6-1 defeat at Farnborough, former Reading Captain and Welsh International Ady Williams took over the reigns with the club looking at the distinct possibility of relegation. The fight came down to the last game of the season when we ran out 2-0 winners over Tiverton Town and escaped relegation by a point.

Season 2010/11 - Pre-season promise did not materialise and with only one league win in the first twelve and early exits from FA Cup and Trophy saw manager Ady Williams resign in October. Long serving Assistant and former Reserves Manager Ady Hall was appointed as Manager.

Season 2011/12 - The season didn't start well and early exits from the FA Cup and FA trophy both against East Thurrock didn't help matters. Former manager Nick Platnauer returned to the fold as assistant manager in October. The second half of the season saw an upturn in league form with the club finishing in 10th position its highest finish for six years. Manager Ady Hall resigned at the end of the season due to work commitments and former manager Nick Platnauer took on the role for the second time.

Season 2012/13 - The League campaign was a mixed affair, but the Eagles got their act together in the New Year and an 8 game unbeaten run saw the club come within touching distance of the play offs. Defeats at crucial times meant the Eagles finished in 10th position the same as the previous season. After the departure of Manager Nick Platnauer the club moved quickly to appoint Cranfield United Manager and former Eagles player Lee Bearman, with a directive to find good

Bedford Town History

local talent rather than searching further afield for players. Following a disappointing run of twenty games without a win, it was decided on Boxing Day 2013 to part company with Lee Bearman. On January 2nd 2014, former player Danny Nicholls was appointed manager with Alan Biley as his assistant. After 12 consecutive defeats manager Danny Nicholls and assistant Alan Biley resigned in March 2014. Wellingborough Manager Craig Adams was appointed 1st team manager and brought with him his assistant, Jamie Wright and Goalkeeping coach Brian Mapley. However, Adams could not prevent relegation to the Southern League Division One Central on March 22nd.

Season 2014/15 – Life under Craig Adams started inconsistently in Southern League Division One. A 5-3 win at Beaconsfield gave the club their first opening day win in 14 years before a disappointing September saw the Eagles drop down the table. The highlight of the autumn was the club's FA Trophy run, defeating Chipstead FC, Brightlingsea Regent, Chippenham Town before facing Weston-Super-Mare in the third qualifying round. After the turn of the New Year an inconsistent season took place with a phase of victories and defeats. At the climax of the season, Craig Adams committed himself to another season at the helm before resigning in mid May 2015. With a new management committee appointed, the search for a new manager commenced and on June 3rd, ex Barton Rovers manager Dan Kennoy was appointed.

Season 2015/16 – Having taken over in the Summer, Dan Kennoy assembled a reasonable squad throughout preseason and hopes were high. The Eagles started well with progression in the FA Cup and ten points from the first five league games. However, a poor September lead to Dan Kennoy and his management team resigning. The Management Committee acted quickly and appointed Jon Taylor to the role of manager, where he was joined by former Eagles player Paul Daniels. Taylor led the Eagles to a solid 14th position finish.

Season 2016/17 – After a hard working Summer, Taylor assembled a strong looking squad that started preseason well with victories against Stevenage FC and Peterborough United Xls. Former Dunstable Town manager Darren Croft joined as assistant manager and John Bell followed as physio. The league season started disappointingly with defeats against Farnborough, Royston, Northwood and exiting the FA Cup to AFC Dunstable. A strong league run continued through late September and October, but this did include a disappointing 4:0 loss at Hanwell Town in the FA Trophy. The club lost again at Hanwell Town in the league on 10th December, but then went on a 20 game unbeaten run. This finished in disappointing fashion at Marlow in early April but had propelled the Eagles up to a respectable eight place finish.

Season 2017/18 – After the departure of Darren Croft over the summer, coach Gil Octave was promoted to assistant manager. The season started with a disappointing defeat at Uxbridge but wins against Aylesbury United and Swaffham Town in the FA Cup meant the Eagles finished August on a high. The Eagles spent most of the autumn in midtable and Jon Taylor continued to add to his squad. At the start of 2018, former Histon coach and St Ives Assistant Manager Jack Cassidy was brought into the management team. At the end of January 2018, the club was taken over, ending 17 years of ownership under David Howell. Local businessmen David and Jon Taylor headed a consortium including Jason Brown, Ashley Jones, Doug Nurse and Alan Gudjin who took over tenure at the Eyrie. The Eagles went on a solid run from January, but were unable to reach the playoffs, falling short to finish in 8th place.

Bedford Town History

Season 2018/19 – After a summer of rebuilding on and off the pitch, the new ownership began to stamp down their vision for the Eagles to progress. A number of former league players were signed, and the Eagles started with three wins from three against Kidlington, Yaxley and Dereham (In the FA Cup). A strong FA Cup run continued, defeating Bostik Premier side Enfield Town, before narrowly going out to AFC Telford away in late September. Cup football took priority in the autumn, as the Eagles went on an incredible run in the FA Trophy. They reached the first round, travelling all the way from the extra preliminary round to get there. The journey involved five ties, three replays, knocking out two Bostik Premier League sides on the way with Cheshunt, Tilbury, Kingstonian, Chipstead and Worthing all falling to town as their March to the first round proper of the trophy continued. Due to the large amount of cup football, the Eagles had only played 10 league fixtures by 1st December, and they sat in eighth place at this point, albeit with a number of games in hand over the playoff sitting sides.
