WELCOME TO THE DYNAMOS

A Message from the Chairman

Welcome to another season at Haywood way. As you will know after losing our previous management team to family and work commitments, we spent the start of the close season looking for a new manager. Jordan stepped into a committee role and after meeting

With various managers, we offered the Role to Batch who stood out a mile as the kind of manager we were looking for.

His work with Young players, coaching expertise and meticulous attention to detail has really impressed us. His non stop hard work over pre season to bring in new players and work with them has been nothing short of fantastic and we will continue to support him and his staff throughout the season.

A new season brings with

It some new beginnings. Our newly refurbished Clubhouse is in full swing with sky sports and BT Sports constantly on the screens. We had the entire club enjoying it over the past months with presentation evenings and tournaments. It's been great to finally have it back up and running.

Another new addition to the club (any day now) will be our new stand. We'd hoped it would be in place for the first home game but manufacturer delays have meant it's running a little behind, but we have been assured it will be up and ready for use very soon.

Finally as we embark on a new season, I'd like to thank our supporters, players and sponsors. Without you the club doesn't exist. Your support gives us the drive and determination to make the club the best it can be for the whole community, and this season we will strive to make sure the club goes above and beyond to create a great atmosphere for everyone who visits.

Mike Borrett
Club Chairman.

The Management

I am pleased to welcome Biggleswade to The Greenfleets Stadium today.

The attendances at our pre season friendlies have been very good, we hope that continues today in our first home league game of the season.

On the pitch I've added to the squad this week, I'll continue to do this as we look to finish as high as possible.

The group are still familiarising themselves with each other and how I'd like them to play. I have been very pleased with the progress we are making. This was highlighted in Tuesday nights strong second half friendly performance.

Your support during pre season has been fantastic, I've been told the new club stand is not far away from being installed, so alongside the clubhouse and tea bar the Matchday experience and club are continuing to grow.

Best Wishes,
Batch

Dynamos HISTORY

Aylesbury Vale Dynamos is an amalgamation of Aylesbury FC and Bedgrove Dynamos, two local clubs with a rich history in local football. **Aylesbury FC** enjoyed a long history in senior and junior football dating back to the 1930's under the previous names of Aylesbury Vale, Haywood United, Belgrave, Stocklake and Negretti and Zambra FC, which was founded in the 1930's by workers at the Negretti and Zambra company then based in London's King Cross district. The company moved to the Stocklake Industrial Estate, Aylesbury.

BEDGROVE DYNAMOS

Alf Buckland, a resident of Finmere Crescent, formed Bedgrove Dynamos in 1968. It was created to fill a void in activities for boys within the Bedgrove area on the south side of Aylesbury. In 1980, Dave Bayliss became involved when he brought his Cub side to the Bedgrove Park. The teams amalgamated and Dave went on to be the chairman for 21 years, stepping down in the year 2000. Within two years and barely a full strip between them, they managed not only to win the Under 12's Aylesbury & District League (ADL), but went on to win the 13's & 14's league in consecutive years and, by which time, they now had four teams at various age groups.

Over the years the club has grown and has won many tournaments and trophies, especially at county level. Many teams have toured abroad and the club has also entertained boys from Europe and America. We can boast that we are the only boys club to have a club pennant on display in Barcelona's trophy room.

At the start of the season 2001/02 the club was the largest junior club in the Aylesbury area, running teams from under 8's through to under 18's. At the end of the season 2001/02 the club managed to win the coveted Berks and Bucks Cup at under 14's, the Mayor's Cup at under 12's, represented in two other cup finals, won 3 league titles, gained 6 promotions in total and all teams finished in the top 6 to the fairplay awards for their respective leagues. In the last 20 seasons across the age groups the club has won 25 divisional titles, and runners up 20 times.

In 2019 two became one when the sides amalgamated with the intention of allowing the youth of the town to progress through junior football to youth and then adult football and play at the highest possible level.

AYLESBURY FC

The club moved to Haywood Way, their current stadium, in 1987.

After gaining senior status and promotion to the Chiltern League in 1988, Stocklake enjoyed many further successes including Division One runners up in 1991, Premier Division and League Cup runners up the following season and Wycombe Senior Cup success in 1995. Cup success was also followed on in the following season, this time the Berks and Bucks Intermediate Cup being added to the trophy cabinet.

By 1990, under the guidance of Danny Martone, Belgrave had grown to five youth teams providing football for over ninety boys from the Quarrendon and Haydon Hill areas of Aylesbury. 1996 saw the forming of two senior teams under the Belgrave FC name and by the turn of the millennium teams were represented at all levels from Under 8's through to seniors.

Dynamos HISTORY

At the start of the 2000/2001 season, the senior Belgrave FC team was renamed Haywood United following an amalgamation with Stocklake FC with Danny Martone voted in as chairman of the new club. Haywood United joined the Spartan South Midlands League and won promotion into Division One after two seasons. Season 2002/2003 saw a difficult start in Division One, but with the arrival of manager Jon Franklin and his assistant Keith Walker just after Christmas, the club eventually consolidated finishing in 9th place. Promotion was gained to the South Midlands Premier Division the following year after a campaign that saw 23 wins, 7 draws and only 4 losses. Haywood United proved themselves capable of staying in the Premier Division after finishing 3rd in the 2004/2005 season in a campaign that only include one loss in the twenty matches after Christmas. The club also entered the FA Cup and Vase for the first time and won the Buckingham Charity Cup in 2006.

Season 2006/2007 began with Haywood United becoming Aylesbury Vale FC and saw Keith Walker and Steve Glenister take over as joint managers and steadily build a squad. This was recognised in the 2008/2009 season, under the management of Mark Eaton, with a good cup run in the FA Cup and FA Vase, winning three rounds in the FA Cup losing to Level 4 side Gosport after a replay, and losing out in the 4th round of the FA Vase to Leiston Town. May 2009 saw a major new development in a new semi professional side vote for a name change. Aylesbury Football Club was formed under the leadership of Chairman Roger Dance and assisted by Vice Chairman Danny Martone.

Former Chairman Bill Harrison was made President of the club. Great success on the field of play was to follow, with the team having a fantastic run in the F.A. Cup. We were the last 'level five' team in the country to remain in the competition and were rewarded with a visit to Haywood Way for the F.A. Cup trophy. We were finally knocked out of the competition by Wealdstone in a close game. A brave and superb display was witnessed by a bumper crowd of 800 plus.

Steve Bateman took over in 2013/14, steered the club to safety in his first 6 months in charge. Then in 2014/15 with Bateman at the helm FC has their most successful season to date. Playing at the highest level in the club's history, the team finished third in the League, having been pushing for promotion all season and narrowly lost out in the semi final to Bedworth United having already beaten them twice in the league. The 2015/16 finished with a flourish as the club finished just outside the play off positions, but had the consolation of our first major Cup Final, beating Chesham United in the Berks & Bucks Cup at Windsor. Danny Gordon & Gareth Risbridger took the helm after Bateman resigned, supported by Paul Bonham.

Davis Haule took over from Gordon & Risbridger in December 2016, appointed brother Brian as his assistant and recruited former coaches Fraser McLachlan, Aaron Wiffin and added Ryan Collings to his back room staff for the 2017/18 season.

In 2018/19 Scott Reynolds was appointed manager and when he resigned midway through the season it was left to Paul Bonham to take control but because of ground grading issues the Southern League made the decision to relegate the club and after ten seasons in the Southern League. Phil Granville and Ben Gill were appointed midway through the 2019/20 season and kicked off the 2020/21 season again in the Spartan Premier Division. Steve Bateman was re appointed as manager in September 2021.

In November 2022 Jordan King and James Green came in to steady the ship and moved the team from 18th and struggling to a respectable 13th position. They stepped down at the end of the season.

We now start the 2023/24 season with Paul Batchelor at the helm, bringing Ryan Davis and Tom Bamford into the coaching team.

FOOTBALL FOR EVERYONE

LET'S MAKE FOOTBALL WELCOMING FOR LESBIAN, GAY, BISEXUAL AND TRANSGENDER PEOPLE

WHAT CAN YOU DO?

THINK ABOUT THE LANGUAGE YOU USE

Using the word 'gay' to mean something is bad can make gay people feel put down or uncomfortable.

Saying someone is 'gay', 'queer', a 'poof', a 'faggot' (or any other homophobic term) just because they do something wrong on a football pitch or are having a bad game is disrespectful.

Saying men are playing 'like girls' or 'like women' not only offends women and girls, but can also make gay supporters and players feel uncomfortable too.

CHALLENGE HOMOPHOBIC LANGUAGE AND BEHAVIOUR IN OTHERS

If you feel safe, always challenge language and chanting that puts lesbian, gay, bisexual and transgender people down. Remember, saying nothing only allows prejudice and discrimination to get worse.

Biggleswade United HISTORY

Biggleswade United – Our Club History

Biggleswade United Football Club was re-formed on the 16th July 1959. However, local history records indicate that there was a Biggleswade United side playing at Second Meadow as early as 1929. Our first season (1959/60) saw us competing in Division Three of the North Herts. League (NHL). After 10 successful years in the NHL the club made the step up to South Midlands League (SML) football. But towards the end of a 15-year association with the SML the club began to struggle and after three years of finishing in the bottom three of Division One we sought fresh fields. The club joined the Herts. Senior but club continued to find the going tough. In 1986 we elected to return to local League football, joining the Bedford and District Football League and began to build again.

The appointment of Brian Swords as first team manager in 87/88 proved to be the turning point in the club's fortunes. During the next ten years the club achieved a tremendous amount of success on and off the football pitch. Our record of League and Cup honours speak for themselves but aligned to this a great deal of work went on behind the scenes to match the on-field success. The club now boasts one of the best clubhouse and ground facilities in the Mid-Bedfordshire area. The success of the club also attracted many new players as well as commanding a great deal of loyalty from those players who helped the club progress from Division Three of the Bedford and District League to County Senior Club status in just 15 years.

The 1995/96 season was the most successful in the club's history - winning five major honours; the Beds Intermediate County Cup, Bedford and District League Championship, League Cup Championship and as the League's representatives the club won the Beds. FA Centenary Cup. Having won every major Bedford League honour the club felt it was time to move on and made the decision to make the step up once again and returned to Division One of the SML. In an exceptionally successful first season we celebrated a Division One "double" by winning the Championship and the Division One Cup. We also retained the Beds. FA Intermediate County Cup, only the second club in the competition's history to achieve this feat. To crown our success the club were awarded the SML Special Achievement Trophy in July 1997.

In the season 1997/98 we finally achieved Senior status. This was achieved not only through the endeavours of the players on the field but ultimately as a result of an extremely hard working committee. With the help of the Biggleswade Town Council a new stand was erected and perimeter fencing installed. And two seasons later the club erected floodlights and on the evening of 26th October 1999 we played our first-ever floodlit game at Second Meadow, Ryman League side Leighton Town were the visitors in the Bedfordshire Premier Cup.

The next eleven years saw the first team led by Steve "Snowy" Wright and under his management the club continued to enjoy a very high level of League and Cup success ultimately achieving promotion to the Molten Spartan South Midlands League Premier Division and with it the opportunity to compete in the FA Cup. And under Snowy the club made three Beds FA Senior Challenge Cup final appearances, winning two of the three with victories over Stotfold (4-1) and Leighton Town (1-0) but missed out in 2006/07 going down 2-0 to Dunstable Town. Snowy's other cup successes came in the form of the Hunts Premeir Cup, North Beds Charity Cup, Hinchingsbrooke Cup, the SML Division One Cup and the SML Special Achievement Award once again. The end of the 2006 2007 saw Snowy step down as manager with his assistant, Nick Burton taking over the first team reins. January 5th 2009 saw the club embark on further ambitious ground improvements. With financial backing from Biggleswade Town Council, Mid Beds District Council and the Football Foundation we installed a 260-seater stand, fully enclosed the ground with a double turnstile entrance and players' secure walkway which raised the ground to Grade E status.

Biggleswade United HISTORY

After several years of stability in terms of first team managers the next six years saw a regular turnover of first team and reserve team managers with Nick Burton, Dave Elkin and Phil Childs all taking over the first team reins for a time.

At the start of the 2013 2014 season we appointed Mick Reardon and Mark Royal as first team managers both of whom had enjoyed success as coaches at the higher levels of football. Their disciplined approach was quickly adhered to and responded to by the players and under their stewardship we achieved the highest Premier Division position in nine years and first silverware in seven years winning the North Beds Charity Cup for the first time in the club's history.

In November 2014 the club took a further positive step to realise our ambitions with the appointment of Sky Sports Presenter and renowned author, Guillem Balague as Biggleswade United's Director of Football.

Following Mick and Mark's decision to step down at the end 2014 2015, Guillem was quick to act and recruited a new Head Coach in Cristian Colas Beccera. Cristian was assisted by former professional player, Stuart Bimson, and under their guidance the team

finished in eighth spot in the Premier Division in 2017 2018 - the highest position in the club's history.

Having built a strong reputation for their outstanding coaching ability and playing philosophy Cristian and Stuart moved up to Step 3 level club, Staines Town, for the start of the 2018 2019 season. Guillem was again in search for a high quality coach and Jimmy Martin came highly recommended by his predecessor, Colas, who worked with Jimmy at Stevenage FC Academy. Jimmy was appointed Manager in May 2018 but he tendered his resignation in October 2018 having been offered a "hard to refuse" opportunity to take up a coaching role at Premier Division club Watford. Despite the setback the first team went on to record their highest ever League placing – a fourth spot in the Premier Division.

In the season 2019 2020 the club were sitting in a highly commendable third position in the Premier Division and under the management of Chris Devane and Trishnan Patel were hoping for a promotion play off opportunity. However, in March 2020 the season was decalred Null and Void by the FA after the devastating outbreak of the Coronavirus. The club were also to learn that Chris and Tishnan had accepted the offer to work at Step 4 and departed the club at short notice. Fortunately the club were able to call upon the services of former Head Coach Cristian Colas Cristian took the club to its highest ever position in the club's history at the curtailment of the 20/21 season leaving us second in the table on PPG. The club applied for promotion to Step 4 but were unsuccessful. A double whammy came when the club were subjected to a lateral move to the UHlsport United Counties League. The FA's actions had a devastating effect on the club and we spent most of the 2021 2022 season at the foot of the table. But we rallied and secured Step 5 football on the final day of the season. The club have now been re-instated in to the SML and with a strong squad will be looking to put that season's nightmare in to a distant memory and push on to return as a top of the table club.

Biggleswade United HISTORY

With the nightmare season confined to the history books we kicked on and finished a very creditable 8th in the Premier Division but the highlight of the season was achieving the best ever run in the FA Vase. Starting at the qualifying round stages we came through five rounds reaching the fourth round proper but fell to Coventry Sphinx. At the end of a great season Cristian Colas made the difficult decision to step down after 7 (-2) seasons as head coach. Two United players came forward with the right experience, credentials and knowledge of the football world at this level and the next and the decision was felt to be the right one. Gareth Hunt, who had captained the side and had been instrumental in helping us through the difficult season, will be partnered with Jordan Wright who captained the FA Vase winning Newport Pagnell Town team. Highly respected by their peers we are confident that Gaz and Jordan will see us enjoy further success in the years to come.

The club has certainly come a long way in relatively few years but we could not have done it without the help of a very supportive Town and District Council who clearly understand the benefits of having a community based club in Biggleswade. Our success is also very much down to a very hard working committee who throughout the year - not just the football season - continue to volunteer their time and commitment to the club, to help it continue to thrive and be a source of enjoyment for our supporters and the Biggleswade community.
