Introducing Arlesey Town

It's been a tough season so far for Arlesey Town, sitting at the bottom of the table at christmas and looking for a christmas miracle to escape the drop.

After winning the league back in the 2010/11 season in dramatic fashion, Arlesey enjoyed a few seasons in the Southern Premier, but were unable to stay in the notoriously difficult league, being relegated back to the South East league in 2016.

After finishing 15th last season Arlesey have picked up only 6 points this season, having one win and three draws under their belt, scoring 21 goals and conceding 56 at the time of writing this programme. The Blues have had no trouble scoring goals in their matches played so far but their main problem is in locking it up at the back with the defence.

Arlesey will also be missing striker Jack Vasey who has moved to Cambridge City. Vasey scored plenty of goals for Blues and has been evidently missed at the Bedfordshire club.

Striker Tony Williams is the top scorer for Arlesey so far this season with 5 goals under his belt, including a hat trick against Cambridge City in a thrilling 7-3 loss.

It will be a tough game for Arlesey but they are certainly no mugs and the FC line-up will need to be at the top of their game today to overcome the Blues.

LAST TIME WE MET

A look back at last season when we faced Arlesey, with a loss at home and victory away late in the season.

October 29th 2016

Despite two late goals which may have given the casual observer the impression this was a close game, there was little doubt that for those present this was an abject performance from the home team.

Abel Amu had the away team's first chance, swiping a right footed cross across the face of the goal early on. Five minutes later FC's Andre Olukamni sent in a low shot that Bart Pedrycz did well to hold. It wasn't to be too long however until Arlesey took the lead. A simple cross from the right left the FC defence motionless and this allowed Sean Beasley to tap the ball home from just three yards. Spence strolled down the left and with consummate ease laid the ball to an unmarked Arul Amu who slotted home for 2-0. The third goal again saw the away side amble into the FC area where an unchallenged Christian Tavernier had just to stick out a toe to prod the ball past a stranded Jenkins.

With two minutes remaining Ty Deacon found space in the box and almost broke the net with a powerful shot off the bar to reduce the deficit. Another two minutes, with the away defence in disarray, manager Danny Gordon hit a low powerful shot past Pedrycz and although the volume from supporters increased there was to be no third goal as Arlesey shut up shop and hung on. **FULL TIME 2-3**

April 8th 2017

Aston Goss grabbed both goals, one a raptor of a strike from 30 yards, the other a simpler but by no means less vital tap in. News of a Histon victory only underlined the importance of this win, which leaves the team with an excellent chance of survival with just three games left to play.

On 38 minutes, the ball reached Aston Goss who unleashed an unstoppable shot into the top corner from 30 yards to give FC the lead. **FULL TIME 0-2**

THE MANAGERS

Brothers **Zema and Nathan Abbey** returned to Arlesey as joint managers in 2015, leaving league rivals St Neots Town to take over the Bedfordshire side. Zema has played for the likes of Cambridge United, and spent four seasons at Norwich City from 2000-04. Nathan was a goalkeeper and played made 55 appearances for Luton Town and 46 for Chesterfield. Nathan later played two seasons in goal for Arlesey between 2011-13.

Zema first took charge of Arlesey in 2011 where he stayed for two years, before moving to St Neots Town with brother Nathan and Gary King to jointly manage St Neots. The pair returned in February of 2015 to replace Nick Ironton in the helm as joint managers, however relegation that season could not be halted, with Arlesey finishing 22nd with a total of 36 points.

WHO'S WHO

Who are the men from Arlesey to watch out for this afternoon?
We take a look here.

Bart Pedrycz

Goalkeeper signed from Dunstable Town and was named player of the year last season. From Poland, he is as big in voice as he is in frame and commands his defence.

Bill Plumpton

Young defender who has come through the ranks of the reserves and has impressed greatly. Cool under pressure, he is maturing into his role nicely. Can play either right or left side.

Luke Abraham

Defender who signed on last season and immediately impressed and has made the left back spot his own. Started at Peterborough before going to Aylesbury FC from whom he came to us from. Club captain.

Joe Steele

Young centre half who was at MK Dons. Has shown great promise in defence and has made a big impact since arriving. Voted young player of the year last season.

Stephen Cade-Abbey

Young defender who has impressed from the start of last season and was ever present thereafter. Learning with every game and also improving. One to watch.

Ryan Lamond

18 year old local player, risen up through the youth team from U7's and eventually into the reserves last season. Progressed significantly since stepping up this level.

Andre Maltay

A tough and uncompromising defender that can either play at full back or centre half and is equally good in either slot. Signed from Barton Rovers.

Aaron Gooch

Another young player who has come through the ranks and stepped up into the reserves last year, where he deservedly won player of the year.

Harlem Sambu

Hails from France and signed this season from Kempston. Very comfortable on the ball and always looking to create chances.

Fabian Brown-Johnson

New signing this season making his debut against Fleet.

Craig Packham

Young wide player that has come up through the reserves before going to Biggleswade Utd and returning to the first team this season. Another good prospect.

Phil Payne

Tall midfield player who has signed this season. Seems to be settling into the side now. Previous clubs include AFC Launceston.

Taylor Rhiney

Tricky wide player who transferred in from Barton Rovers. Looks dangerous on either side. Has a very good shot from outside of the box.

Callum Gregory

Midfielder who signed from Newport Pagnell this season.

Rafe Goodman

Young player who has come from the Stevenage development side. Improving with every game as he likes to probe forward and he also chips in with a few goals.

Charlie Scott

Joining Arlesey Town Youth at the Under 12's level and continued all the way up into the Under 18's. Made 24 appearances for the reserves last season and won the young player of the year award.

Tony Williams

Talented young player who has played for the reserves. Has to be an exciting and pacey forward who is learning and improving with every game.

Kim Forsythe

A forward who has always scored goals. A player who lives and was brought up in Arlesey and has come up through the clubs youth and reserve teams.

Kye Andrews

Kye signed at the end of last season from Kempston Rovers. A strong, physical, ball playing midfielder.

Dion Gibbs

Has impressed through pre-season, will provide good back up and real competition for the keepers shirt this season.

Tashriq Andrews

Young and energetic midfielder who has come up through the Stevenage academy.

Elias Moses

22 year old, signed this season from Edgeware Town.

Lewis Elsom

Recent new signing, on loan from Peterborough United.

John Bailey

Signed 2 weeks ago from Kempston Rovers.

By Alex Narey

Forgive me for using an example from the Football League to make my point here, but I am going somewhere with this...

The great Brian Clough did not mix his words when it was put to him that his Nottingham Forest side won promotion from the second division in 1976-77 because they got 'lucky'. With the top three going up, Forest edged out Bolton in the race for the top flight courtesy of a 1-0 win against Millwall in the final game of the season, victory coming via a Jon Moore own-goal. The critics didn't just point to that game, but also that Forest had reached the promised land of the First Division with the fifth lowest points tally of any promoted team in English history.

"Bulls**t!" fumed Clough. "You can't be lucky over 42 games. One game, yes, three games, maybe. But not 42!" I thought of Clough venting his spleen when I looked at the respective tables across the Non-League pyramid this week. There are no false positions now, and while the National League continues to pose weekly questions as to who is the best in the land, it cannot be disputed that the likes of Sutton and Dover – two sides who would have been given little chance of topping the pile past the month of August – have earned the right to be taken seriously as title contenders. But there is something about January that

turns the screw.

You get through Christmas – unscathed or scathed – and the New Year does funny things to a team. Clubs with the bigger budgets add to their playing staff and get their housekeeping in order; the opposition has been sized up in previous fixtures with dangermen and tactics identified; the smaller and more inexperienced squads start to feel the effects of injuries.

Meanwhile, plans for the home straight are formulated and for most, cup objectives are put to one side. The congestion in the National League – not to mention the play-off system of the top seven – means the race for promotion is wide open, pretty much right down to the bottom four.

But January is 'moving month' where the heavy punches are thrown, and for every side that makes a positive move, there is always one that begins to see their early good work undone. Last season, Lincoln and Tranmere grew a new pair of horns after Christmas, and one or two clubs are likely to do the same this time around. The National League – and many other leagues in the pyramid – remains highly competitive because of the even nature of the playing field. But post Christmas the big boys tend to show a bit more muscle. One thing's for sure, whoever does the business come May, it won't be down to luck. Even if a club sneaks into the play-offs on the last day, over the course of the season you get what you put in. Only the best reach the top and stay there.

Arlesey Town Club history

Arlesey Town Football Club celebrated their centenary in 1991, having been formed by a group of local people before the turn of the last century. Before the Second World War, Soccer was played on a localised basis, and in common with many clubs in the area, Arlesey competed in the flourishing Biggleswade & District League and entered the Biggleswade Knock-out Cup.

During the 1920's, the club joined the Bedfordshire County League - which was later to become the South Midlands League. Arlesey originally played at 'The Bury' before moving to their former home, 'Lamb Meadow.' The ground took its name from 'The Lamb,' a former Public House situated near the site which, for many years acted as the club's headquarters and changing rooms. The birth of the modern era is owed to the foresight of officials of the late 1940's and early 1950's. They purchased the premises and became landlords for the princely sum of just £500 in 1948. Four years later, in 1952, an adjoining area was bought and this is where the clubhouse used to stand. The story goes that two Committee members missed their train to Kings Cross and with time to kill, saw a notice in a local Estate Agent's window for a forthcoming auction of the land. They returned the following week and purchased the said land for the clubhouse. The area lay unused for a number of years until the arrival of

'Biggs Wall' who negotiated with the club to build temporary offices and canteen facilities - which the Football Club then bought back, turning them into what was then, the clubhouse.

The first competitive match under floodlights was played in January 1981 against the now defunct 'Pirton FC' and two months later the Blues played host to Luton Town for the official opening in front of over 1,000 spectators.

Playing fortunes have fluctuated since the war and season 1950-51 saw the Blues finish as runners-up to Bletchley Town in the S.M.L. Premier Division. The following season the 1st XI lifted the championship crown and the second string were crowned S.M.L. Division Two champions with the Youth team winning three trophies. The 1952-53 season began North Beds Charity Cup final win over Biggleswade Town (the match was held over from the previous season), and ended with a second successive championship win, Arlesey amassing S.M.L. record 52 points.

In February 1954, the developing Arlesey Town Colts, local players, reached the 4th round of the F.A. Youth Cup and were drawn away to Portsmouth. The 1950's had seen the Blues compete in the South Midlands and Parthenon Leagues.

Season 1968-69 saw one of Arlesey's favourite sons in charge of team affairs; Roland Legate, (who played football professionally for Luton Town) took the helm as player-manager and during his four-year spell, he took the Blues to a league runners-up spot. The start of the 1975-76 season saw Legate return as manager and the trophies came with him, 3 Hinchbrook Cup successes, one Beds Senior Cup, the Biggleswade K.O Cup twice and the South Midlands League Challenge Trophy once. Supporting the Executive Committee's wish to cross the pyramid to the United Counties League. With two indifferent terms in the U.C.L., Arlesey lifted the Premier Division crown in season 1984-85.

During the late 1980's the Blues won the United Counties League, Premier Division Cup and a Beds Premier Cup final appearance against Luton Town. During the 1991 centenary year in the blues lifted the South Midlands Floodlight Cup with a fine victory over fellow U.C.L. side Irthlingborough Diamonds, who went on to become Rushden & Diamonds in the football league.

With the rising cost of UCL travel and the attraction of more 'local derbies' in 1991-92 it was decided to resign from the United Counties League and cross to the familiar surroundings of the South Midlands League. A successful first year campaign saw the Blues finish in third place and in their second season finished sixth in the league and lifted the Premier Division Cup. The club also gained national recognition following a marvellous run in the FA Vase to the quarterfinals, with victories Flackwell Heath 2-0, Ware 1-0, Haverhill Rovers 2-1, Eastwood Hanley 2-1, Falmouth Town 5-3, and Oadby Town 2-1. In the quarterfinal the blues faced old U.C.L. foes Boston in a thrilling game and lost out to an injury time winner.

With changes to support and playing staff for 1994/5 the results exceeded expectations. The South Midlands League championship was won with a record 107 points, but even this memorable feat was eclipsed when Arlesey Town defeated Oxford City at Wembley Stadium in front of over 13,000 spectators to lift the F.A. Carlsberg Challenge Vase on May 13, 1995.

On their way to the greatest day in the club's history, the Blues had beaten Hoddesdon 2-0, a vengeful 2-1 victory at Boston, a 2-0 win at Barnstaple, a 1-0 home win over the holders Diss Town and a 3-0 quarter-final demolition of Cammel Laird before facing U.C.L. side Raunds Town in a two-legged semi-final. The first leg, played at Raunds, saw Arlesey beaten out of sight by a score of 3-0 and very few pundits gave them much chance of overturning the deficit in the return match the following week at Lamb Meadow. Three nil at 90 minutes and 5-0 after extra-time, including a penalty save by Arlesey 'keeper Steve Young meant that the Blues were off to grace the most hallowed of turf!

Arlesey Town's Wembley side that day were:- S. Young, N. Cardines, G. Bambrick, P. Palma, C. Hull, P. Gonsalves, S. Gyalog, G. Cox, N. Kane, R. O'Keefe and G. Marshall. Subs: A. Ward & T. Nicholls.

The Vase travelled home to Bedfordshire for the first time.

In 1995/5 season saw the Blues crash out of the Vase at the first hurdle but the South Midlands League Championship Crown was retained. The season culminated in three Cup finals for the club; the 1st XI were runners-up to Ely City in the Hinchbrook Cup, the Under 16 Youth side were beaten East Anglian Youth Cup

finalists while Peter Milton's Reserve side lifted the S.M.L. Reserve Challenge Trophy. After finishing in third place the 1996/7 campaign ended with the Blues relinquishing the S.M.L. title. However the Lamb Meadow trophy cabinet remained in a healthy position as they lifted the Beds Senior Cup (the first time since 1979) and also lifted the Hinchbrook Cup (last won in 1982). May 1997 saw Robbie O'Keefe tender his resignation, moving on to a higher grade of football with Baldock Town. In just three seasons Arlesey Town had achieved national recognition with F.A. Vase success and two league championships, a County Senior Cup victory and a Hinchbrook Cup triumph.

For season 1997-98 team were unable to keep pace and their championship aspirations soon evaporated. An FA Vase 3rd round exit occurred in Cornwall's Porthleven in December and the Blues' last chance of picking up any silverware disappeared at the hands of arch rivals Stotfold who loosened Arlesey's grip on the Hinchbrook Cup with a 2-0 semi-final victory. After a lengthy campaign the club finally received planning permission for a new ground just a few hundred yards along Hitchin Road. After a development project the club moved in on April 30th, 1999 and are now able to boast some of the finest facilities in the area with a purpose built Members Bar, multi-purpose Function & Conference Suite, all-seater stand and training pitch.

During the 1998/99 close season, Arlesey Town appointed Gary Pilsworth as manager however, things didn't work out and after 16 matches with the club rooted at the bottom of the league table, the management team replaced him with Nicky Ironton who had gained a wealth of experience having been at QPR, Barnet, Maidstone, Enfield, Barking and Baldock Town. Nicky was a former England semi-professional international. Nicky brought as his assistant former team-mate Billy Harrigan and together with Russell Ball, their objective was to avoid relegation and build a side capable of attaining promotion to the Ryman Isthmian League the following season. The Blues ended the season without silverware however, but a fantastic run from the end of January signalled the club's intents. Manager Nicky Ironton had built a side more than capable of attaining Arlesey's aim of playing a higher grade of football and the Blues looked forward to season 1999-2000 with optimism.

The first season at the new Hitchin Road ground began with nine straight Spartan South Midlands League Premier Division victories as Ironton's men stormed to the top of the table. A mid season blip in form threatened the side's hard work but having secured the services of coach Alan Dawson, the Blues went from strength to strength and went on to lift their fifth South Midlands League Championship. A run in of eight consecutive victories culminated in a 2-0 triumph at Milton Keynes City on Thursday 4th May meant the Blues secured the championship. With their ground grading 'Arlesey' Town were promoted to the Ryman Isthmian League Division Three. The sale of Dave Kitson to Nationwide Football League Club Cambridge United halfway through the season, did little to upset their cause indeed, the signing of ex Stevenage Boro' striker Neil Trebble boosted their season. A prolific striker, Trebble netted an amazing 18 goals from 17 starts and one wonders just how many he would have scored had he been with the Blues at the start of the season.

Season Review

In what has been a hard season so far for the Moles which has not lived up to expectations for fans and players alike, the Moles have battled on and looked to have turned the corner. We take a look at the key moments of the 2017/18 season so far.

A strong pre-season gave Moles fans high hopes for the season ahead with victories over Chertsey, Staines, Berkhamsted and Bedfont Sports.

August 12th, an opening day away draw to Hayes & Yeading with a goal from Jeanmal Prosper was a good start.

August 19th, a 2-1 victory over Cirencester saw FC progress in the FA cup before losing in the next round to Leiston.

August 28th, an El Quakico defeat to Aylesbury United signalled the poor run ahead as we lost 6 on the bounce.

September 26th, a 3-1 victory over Marlow saw FC get their first win of the season.

October 10th, the low point of the season, a 6-0 away loss to Bracknell in the county cup. Red cards for Shayne Almond and keeper Ash Jenkins, with brother Jordan donning the gloves.

October 23rd, two Harry Scott wonder goals saw FC beat Beaconsfield Town, having beat Hartley Wintney the Saturday before.

October 31st, FC bowed out of the FA Trophy. After getting past Molesey in the Preliminary round, FC lost to Harlow Town in the replay in Essex 4-2.

November 4th, a 94th minute header from Jordan Jenkins saved a point for FC against Thame United.

November 25th, after a poor run of losses to Fleet, Bedford and Barton, FC got back to winning ways beating Northwood 1-0 thanks to Brian Haule.

December 16th, and who can forget that Saturday afternoon in St Ives...two weeks ago. A hard fought 1-0 win over Cambridge City saw FC's good form continue into the Christmas period.
