Davis Haule

Good afternoon all,

I would like to take this opportunity to firstly welcome everyone to this afternoon's fixture against AFC Dunstable. Also to Steve Heath and his team, the fans and staff of AFC Dunstable, welcome to The SRD Stadium today and I hope you enjoy the hospitality shown.

Last weeks performance at Egham was a big disappointment for

all us after making a few changes in the starting line up. The game started so brightly with us dominating the first half and a great opening goal from Monty after some quick work by Aston down the wing. However we lost concentration in the second half completely and allowed ourselves to concede four goals on what was a poor afternoon for all of us.

Today's game will be a hard one with AFC

Dunstable doing so well at the top of the table, but I believe that we have a good performance awaiting us and with a bit of luck we can kickstart our season this afternoon.

Aylesbury FC fans, hope you have an enjoyable day and I look forward to seeing you all in the bar afterwards.

Davis Haule

Alan Penman

Good afternoon everyone and welcome to Haywood Way.

First of all I'd like to wish a warm welcome to the board, staff, players and fans of AFC Dunstable and I hope you had a good and quick journey over to Aylesbury today.

It's been a tough start to the season and yet again last weekend at Egham we dominated the first half without putting the game away, only to pay the price

in the second half conceding four goals.

Today doesn't get any easier as we welcome AFC Dunstable to Aylesbury. They have had an outstanding start to the season and as such will be firm favourites this afternoon, but I believe Davis and his squad have the quality and ability to get that first win, we just need a little good fortune on the pitch.

Off the pitch a big thank

you must go to Christine Martone as we have seen a massive upturn in the use of the club for parties thanks to her proactivity, a great boost to finances - Thankyou.

Let us get behind the team today and support them onto victory.

Regards

Alan Penman

Report by Jools Thomas

At a sunny SRD Stadium, FC waved goodbye to the FA Cup for 2017 with defeat against Leiston. The Moles were more than a match for their senior opponents matching them punch for punch, however a greater degree of organisation and a more ruthless approach in front of goal saw the away team through.

FC debutant Shayne Almond had the game's first attempt in the fourth minute. Harry Scott's goalbound effort a couple of minutes later could also have been significant but for an outstretched defender's leg taking all its power away thereby allowing away keeper Marcus Garnham to gather safely. Kieron Schmidt then side-footed the ball over the bar in what was turning into a very bright opening period with, unbelievably, more

chances on goal by FC in the opening 20 minutes than in the previous 180 minutes against Chalfont and Aylesbury United.

Leiston now threatened as James Weatherill spilled a long-range effort from Seb Dunbar yet Jordan Jenkins was alert enough to swipe the ball clear. Chris Henderson then had a golden chance to give Leiston the lead however he succeeded only in clearing the cross bar with his wayward shot. Jack Ainsley's low attempt

was also cleared as the away team grew more in confidence and soon afterwards, Weatherill was quick to block Kyle Hammond's darting run on goal.

FC perhaps should have taken the lead in the next move of the game. A cross from the right allowed Jeanmal Prosper two stabs at the ball and both times brave keeping from Garnham blocked them. Straightaway the ball broke at the other end and Matt Blake bore down on goal only to be denied by a fine

low save by Weatherill. Leiston took the lead on 38 minutes. There appeared little danger as the ball was played out to Chris Henderson some 25 yards from goal yet the playmaker delivered a fine strike, which left Weatherill with no chance to save.

The second half's first opportunity fell to Harry Scott who guided his free kick over the bar before Leiston extended their lead. From an FC point of view, it was a soft goal. A free kick awarded on the left of midfield was drifted in to the box with Tom Bullard ghosting in unmarked to head the ball past an unprotected Weatherill. Just two minutes later the contest was effectively over as the away team grabbed their third goal of the afternoon. Dunbar smashed a powerful shot from an angle that an outstretched Weatherill arm could do nothing to stop.

Davis Haule and Paul Brown replaced Ryan Marsden and Jeanmal Prosper and this heralded a period of more open play. On 63 minutes, Aston Goss' snap shot was saved and Brian Haule's follow up was also neatly saved. Goss was involved in FC's goal with fifteen minutes to go. His strike was only parried into the path of Jonny Montgomery. Jonny had a fine game in midfield and his performance was

rewarded as he tapped in from close range despite being under intense pressure from the away defenders.

Who knows what would have happened during the rest of the game had Montgomery not been pulled back when clear through on goal with seven minutes to spare? Leiston's Dominic Doherty definitely took one for the team and was correctly given a red card for his troubles. Harry Scott's easily saved freekick was scant reward for a potential match changing situation and although there were half chances for Davis and for JJ, the referee soon blew his whistle to signal the end of this entertaining yet ultimately disappointing contest.

AFC Dunstable

Our opponents today are AFC Dunstable, who have had a strong start to the season so far, with striker Jermaine Hall leading the goalscorers table in the league.

Aylesbury will be looking for their first league win and also their first league win against AFC Dunstable today in what will be a tough game against tough opposition. The OD's have had a great start to the season, with an early blip in their second game, losing 1-0 to Kempston Rovers, AFC Dunstable have had 3 wins and a draw, including a 4-0 rout of Fleet Town and a 5-0 thrashing of Thame United. Star striker Jermaine Hall has scored 8 goals in the league so far, and he will be the danger man that the Moles will have to keep in check.

The OD's currently sit in top spot having played an extra game in the FA Cup break beating Barton 2-0, and beating Marlow last weekend to sit high on top early on in the season.

AFC Dunstable will have their defensive rock in the form of

former FC man Danny Murphy, a fine defender alongside former Royston town player Ryan Frater who won the league with them last season, to try and keep the FC frontmen at bay.

Last time out when the two sides met, with the Moles safe from relegation, playing a few squad players in the first XI and the hosts' play off chances still alive, the onus was always on AFC to attack and thus a goal in either half secured them all the points.

Dave Carty on his return to the team could have given FC an early lead but his freekick from just outside the box cleared not only the wall but the bar as well. Dunstable scored on their first real attack of the game. A header from a right field cross was saved well by James Weatherill however; Jermaine Hall was on hand to poke

home the rebound.

BJ Christie extended his side's lead with 13 minutes left to play. A crossed ball in space left Weatherill with too much to cover and the target man slotted the ball home.

Earlier on in the season, it was a 2-2 draw at the SRD Stadium after FC took a 2-0 lead, only for AFC Dunstable to pull 2 goals back to get a point. A few days later FC travelled to Creasey Park in the Red Insure Cup with Jonny Montgomery getting a late goal to secure a win for the Moles.

The odds are against the Moles today to beat the league leaders after the disappointment of last week, and Davis and the boys will be looking for that strong performance which is surely due now.

CLUB HISTORY

AFC Dunstable started life as Old Dunstablians Football Club in 1981. The name Old Dunstablians originated from an organisation formed in 1888 for old boys from Dunstable Grammar School. The most famous member of the club is Hollywood actor Gary Cooper, who attended the school in the early 1900's.

When the Grammar School closed down and Manshead School opened they took over the mantle but the old boys club was in decline. In 1981 the head teacher was asked if he could relaunch the name, hence the football club was born.

By 1988 after its centenary, the Old Dunstablians Club ceased to exist but the football club carried on in commemoration and to this day still bears the club crest on its badge.

The club started in the Dunstable Alliance Football League for a couple of seasons then moved onto the Luton District and South Bedfordshire League in 1983. Still playing at Manshead School with the 1st team and reserves, success was limited with the 1st team runners up twice in Division One and runners up in the William Pease Cup. While in the Luton League though the 1st team did land the Bedfordshire Junior Cup beating Leighton Athletic on penalties in 1989-90 season. The reserves did win some silverware, when back in the day a cup final went to a replay. The season was 1993-94 when they beat overwhelming favourites Luton Old Boys.

With the club using Dunstable Town Cricket Club as their social base in Bull Pond Lane, the cricket club was looking to move to a larger site in Totternhoe and when the new club was opened in 1994, a football pitch was accommodated, so the football club moved there from Manshead School.

An improvement in facilities gave the club a chance to apply to join the South Midlands

League in 1995. Accepted into the then Division One (Premier and Senior Divisions were the higher divisions) the club struggled, as they flirted with being relegated straight back to the Luton League in the first 2 seasons. Going through new managers every season, we finally started to gain some consolidation and in season 2001-02 the 1st team finished 4th in the league and won the Division One Cup. The following season we just missed out of the title, which was now Division Two. Looking to go one better we finally clinched the title the next season and was runners up in the Division Two Cup.

Ground Grading issue's were now starting to stop the team from getting promoted, as 2 ground sharing agreements were turned down by the league.

This was now the start of a trophy laden period, as the Division Two title again was secured and back-to-back Bedfordshire Senior Trophy's. Added to that, the Division Two Cup was won again.

The club in 2003-04 decided to launch its youth policy and when the Under 15's were runners up in the Chiltern Youth league, it started on the path to work its way through the FA Charter Standard. We achieved Adult status in 2003-04. The club then made the decision to change its name to AFC Dunstable, (when the prefix AFC was not as prevalent as it is nowadays), so not to get confused with the local rugby club, as the club started to grow and the name was more associated to a football club. The club kept the name The OD's, as their nickname. The youth then was awarded the Charter Standard in 2005-06. The next big step was to become a Development Club and a great deal of work saw the club achieve this in 2007. Next up was our goal to become a FA Charter Standard Community Club and 2008 saw the club get there. In that time the club has been awarded the Development Club Of The Year in 2008 and the Community Club Of The

Year in 2009.

Since we launched the youth policy back in 2003, the club have had over 30 managers/coaches pass various FA coaching courses and more are still to come.

With the club now boasting 14 teams and catering for adults, youth, junior, girls and disability footballers, the local authority and the Bedfordshire Football Association approached the club to become partners in the new Creasey Park Community Football Centre in 2008 and this gave the chance to move the 1st team to Creasey Park and apply for promotion to Division One for the start of the 2009-10 season, which was accepted. The 1st team finished a very creditable 5th in it's first season at the higher level. As at the start of 2010-11, the club has grown to 16 teams and the Junior Football Academy goes from strength to strength. History was also made in 2010-11, as the 1st team was accepted to participate in the FA Vase. A fine run through to the 2nd Round Proper was achieved. Looking to improve on the league position the previous season, the team went all out for promotion and finished runners up in the league and gained promotion to the Premier Division at their 2nd attempt. The SSMFL Division One Cup was secured as well.

Now with the 1st team in the SSMFL Premier Division and entry into the FA Cup for 2011-12, finished a fine 3rd in the league. The club increased to 33 teams ranging from 5 year olds right through the 1st team for 2012-13. In that season the 1st team consolidated in the Premier Division and finished a respectable 8th. Their run the FA Cup saw them get through 3 rounds eventually going out to Northwood after a replay. With the club now at 35 teams for 2013-14, they have grown to the biggest club in the county of Bedfordshire. Within the structure of the club the female side has grown to 2 ladies teams and 2 girls teams.

Former Mole

Danny Murphy needs no introduction to Moles fans. Danny spent two seasons with FC and was part of the 2014/15 squad which reached the play-offs under Steve Bateman. Danny was also vice-captain and a first team regular in defence alongside Ben Stevens. Talented in defence but also known to score a few goals, including a wonder strike free kick against Hanwell Town which fans will remember!

WHO'S WHO

Who are the men from AFC Dunstable to watch out for this afternoon? We take a look here.

Steve Heath

Last season saw Steve's and the club's first attempt at step 4. A very respectful 7th place was secured and the Bedfordshire Senior Cup was won. At the beginning of this season, a 2-0 win over Luton Town saw him lift the Bedfordshire Premier Cup.

Jamie Head

Jamie returns to AFC, after a couple of seasons with us as a youth player. Tall and agile keeper, he has plenty of Southern League experience for someone so young.

Adiel Mannion

A skilful quick winger, we acquired Adiel from SSMFL club Berkhamsted at the beginning of last season. Settled in pretty quickly with his new team mates and will be looking to build on his first season at a higher level.

Thomas Silford

Spent most of last season on loan at SSM-FL club London Colney. Turned out to be a very good option for Tom, as they won the Premier Division. Another player who came through our youth system and he is hoping to make an impact with AFC this season.

Terry Griffiths

This no-nonsense centre half, Terry defends as if his life depends on it. Joined the club in 2015 after moving in the area from Essex. His story is quite extraordinary, after he tweeted looking for a club.

Ryan Frater

A highly experienced player, who has many clubs to his name. A great signing for the club this season, as he picked up a championship medal for Royston Town after the club won the Evo-Stik Southern League Central last season.

Roy Byron

Roy is in his 3rd season with the club, after arriving from Hillingdon Borough. A managers dream, as never late for anything. Always willing to learn, even at 33 but seems like a 22-year-old.

Newman Carney

Joined AFC on a month's loan from Dunstable Town at the beginning of 2014 but decided to stay with the club. An ex professional with Luton Town when he was 18, he is one of the youngest players to score for the Hatters.

Nathan Frater

Finally, Nathan has signed for AFC at the beginning of a season. A proven goal scorer at step 3 and step 4, the club are excited to see the 3 strikers start a season together.

Moses Olaleye

An inspiration to all his players, the skipper leads by example. Originally with the club in 2010, he left for pastures new but returned in 2014. Has an array of winning medals with us and other clubs. As captain, he has picked up the SSMFL Premier title, Bedfordshire Senior and Premier Cup trophies.

Marcus Campbell

Another product of the AFC youth system, Marcus broke into the 1st team in 2014. A extremely good trainer, returned to the club this season after spells with SSMFL clubs Bedford, Leighton Town and Welwyn Garden City.

Leon Cashman

Cash has been dogged by injury over the past few months and is currently recovering from an operation on his ankle. A tall inspiring centre half, he is vice-captain of the team. Joined the club in 2014.

Lee Close

A new signing this season, after playing for Barton Rovers last term. A strong determined player, whose never say die attitude is a great addition to the squad.

Bill Morgan

Bill is an elegant centre half, who has been coveted by many clubs since joining AFC midway through our SSMFL championship winning season. He never seems to get flustered and is always cool on the ball.

Jermaine Hall

Last season was exceptional for Jermaine, as he ended up top scorer in the league with 30 goals and picked up the Golden Boot. Joined the club in 2015 and will be hoping to add more goals for the club this season.

Danny Murphy

Murphy is in his 2nd season with the club. An elegant left back with a sweet left foot, he has an abundance of experience at Southern League level. Turned out for Slough Town and Aylesbury in the past.

James Bishop

Played for our Under 18 Floodlit team a few seasons back, then broke into our 1st team. Bish had a season at Barton Rovers in 2015-16 but returned to the club last season. A combative player who is comfortable at right back or in midfield.

Courtney Massay

One of our longest serving players and another one who turned out for our Under 18 Floodlit team.

Apart from a spell with Berkhamsted a few seasons back. Courtney has been pretty loyal to the club.

A fast attacking right back, also weighs in with a handful of goals per season.

Christian Tavernier

Another player who has spent time at Luton Town. Another new signing this season, after 5 years at Arlesey Town, where he was a regular goal scorer. Another tall elegant player, the club have high hopes with Chris in the team this season.

BJ Christie

The clubs all-time record goal scorer with over 200 goals to his name. First turned out for the club at 15. Has had a couple of spells away from the club with Barton Rovers and Berkhamsted but always returns. As you can imagine, many clubs chase his signature in close seasons.

4 EGHAM TOWN

1 AYLESBURY FC

The Runnymede Stadium
Saturday 9th September 2017
Kick off: 3pm
Attendance: 95

Report by Dan Legg

Davis Haule's Aylesbury FC side arrived at the Runnymede stadium with renewed vigour following a valiant performance against Tier 3 side Leiston in the FA Cup a week prior. After a solid start, the Moles embarked on a downward spiral in the second half.

The first five minutes hadn't produced any action of note – I confess that is a guess – I turned up slightly late today, apologies for that. Blame the traffic.

Obviously, the Moles had been waiting for my arrival before kicking into gear. As in the 7th minute Aston Goss rinsed his man for pace along the right touchline before delivering a powerful cross which Brian Haule connected with but couldn't beat the keeper on this occasion.

Egham responded a minute later when Louis Stead tried his luck from distance after spotting James Weatherill off his line. The FC keeper did well to scramble back and parry the ball over the bar for a corner.

This proved to be merely a hiccup for the Moles as two minutes later the man of the moment Jonny Montgomery opened the scoring. Some great trickery from Aston Goss beat his man, before he unloaded a venomous strike at Patrick Ohman which was too hot for him to handle, the rebound fell to Montgomery who buried the ball in the net.

The Moles pressed for a second goal before half time – with most of the play going through Aston Goss, however, the killer ball FC desired just wouldn't come.

Egham may well have gone in at the break with a goal themselves – star man Brendan Matthew had a powerful header well saved by Weatherill. Whilst Craig Carby almost headed into his own net after he misjudged a Callum Webb cross from the right-hand side.

Half Time: Egham Town 0 Aylesbury FC 1

The second half was a whole different ball game – if you pardon the pun. Whatever the Egham Town manager had to say to his players at half time evidently worked, as FC's disciplined defence on show in the first half went AWOL in the second period. The first of Egham's goals came in the 56th minute where a simple over the top ball beat the Moles' offside trap, which gave Ryan Debattista the opportunity to saunter through on goal, round the onrushing Weatherill and give Egham their equaliser.

The dynamics of the game could well have changed in the 61st minute after Lewis Cole appeared to elbow Joe Fitzgerald – the view wasn't shared by the referee, and instead on 65 minutes the Sarnies took the lead. A Ryan Phillips cross to the back post wasn't dealt with and the unmarked fox in the box Brendan Matthew headed home.

With seven minutes to play the Moles really didn't look like troubling the Egham Town goalkeeper, with Shane Almond's

free kick barely stinging Ohman's palms. Somewhat predictably Egham got a third – again poor defending from a cross – this time a deep free kick from Louis Stead on this occasion found Mitchel Wiseman at the back post all alone to head home. Déjà vu.

The final nail in the FC coffin was hammered in three minutes from time – Ryan Debattista getting his second of the day – as FC defenders all left the ball to one another, Debattista pounced and slotted past the helpless James Weatherill.

Brian Haule did have an opportunity deep into injury time to at least restore some credibility to the score line after James Weatherill's goal kick made it all the way to the Egham penalty area but his low right footed shot whistled wide of the far post.

A second half performance as dismal as today's weather conditions. Should pray for heavier traffic next time around.

Round up from last weeks action

AFC Rushden & Diamonds lost their first game on Saturday since being switched to the Evo-Stik League South East.

Diamonds were beaten 2-1 at Hayden Road – their first loss on their new home – in front of 429 against Beaconsfield Town.

And the visitors had to come back from being a 37th minute Darryl Smith goal down to win, thanks to Elliott Carey after 63 minutes and Charlie Losasso 6 minutes from time.

There are still four sides in the division yet to find a win in 2017/18.

Arlesey Town, Aylesbury FC, Fleet Town and Hanwell Town all lost again on Saturday, with Arlesey going down 3-2 at home to newly-promoted Thame United, whose Lynton Goss bagged a brace and Daniel West the other – all after a Yemi Adelani brace had put the hosts 2-1 ahead.

The Moles lost 4-1 at the Runnymede Stadium to Egham Town, whose Ryan Debattista topped and tailed Brendan Matthew and Mitch Wiseman efforts after Jon Montgomery had given the visitors an 11th minute lead.

Fleet lost 3-1 at Hayes & Yeading United, whose Phil Appiah after 6 minutes, Spyros Mentis on 58 minutes and Andrew Ofosu 9 minutes later all found the mark.

Hanwell became Aylesbury United's second victims of the campaign to date, thanks to a 21st minute Lea Coulter goal.

Newly-promoted Moneyfields are now the only unbeaten team in the division after they hammered Barton Rovers 5-1 at home with goals from Ryan Pennery in the 33rd and 81st minutes, sandwiched by a Steve Hutchings brace and one from Joe Briggs.

AFC Dunstable top the fledgling table after beating Marlow 2-1 at Creasey Park, courtesy of a Nathan Frater brace in the 8th and 41st minutes – Jordace Holder-Spooner replying after 39 minutes.

Relegated Cambridge City were 1-0 winners at St Ives against Northwood, thanks to a Ross Paterson goal in the 10th minute, while newcomers Hartley Wintney saw off Kempston Rovers 2-1 at home with a last-gasp Adam New goal after Paul Hodges had cancelled out George Boland's 48th minute opener for the visitors with less than 5 minutes to go.

Uxbridge suffered a second defeat – 4-2 at Honeycroft to Ashford Town (Middex), whose Jack Beadle gave them a great start with a 2nd minute opener.

Luke Warner-Eley levelled 17 minutes later, but the Ash Trees led at the break through Mark Bitmead and Dan Fleming.

Alex Fisher's 62nd minute penalty stretched the visitors' lead to 4-1 before Dylan Kearney replied 14 minutes from time.

And Bedford Town enjoyed their best win of the season to date – 4-0 at Chalfont St Peter – with Paul Cooper in the first half and then Jemale McKenzie-Lowe, Josh Oyibo and Ashton Grant in the second all getting on the mark.

By Adam Ellis

Growing up as a young football-going boy you get used to certain ways of life that you can only learn at football grounds.

It's much better to smell onions than the cut them is something that can be learnt by watching the food bar manager wipe away the tears streaming down their cheeks.

Whether it's the start of the season in August or conclusion of the season in May, always take a jacket – this is Britain after all.

You quickly learn which swear words are light-hearted and which are blacklisted depending on a spectator's humour or vitriol at a match incident.

Now in to my mid-twenties, I've learnt something which never occurred to me as a child despite it starring me plumb in the face: baldness.

Look around at any football ground and you will see many examples of a man's will battling against genetics and aging; I am currently at the stage where I have developed a surprisingly spherical penalty spot at towards the back of my head as if

crafted by the ground staff at Wembley.

I am sure we would all like to look like Carlos Valderrama rather than Zinedine Zidane, but vanity in football wilts under 'wow' moments, heart, and a player's humility.

Take a look at Barry Hayles now in the Hellenic Premier Division with Windsor, still going strong at 46 and at his seventh Non-League club this decade.

In my work on The NLP's website any story centered on Hayles is received with more interest and admiration than most others, because of his commitment and the impression he makes.

Oxford City fans will remember striker Lee Steele, a poacher number 10 who would stick the ball in the back of the net from no further out than eight yards.

I remember him as one of the heroes of Leyton Orient's promotion season of 2005/06 who bagged a 90th-minute winner which guaranteed the first promotion since I was 2.

I also remember him for the reasons behind him being sacked by City in 2012 when he posted a homophobic tweet on Twitter.

An incident not in his

nature as echoed by then-manager Mike Ford, but nonetheless an inexcusable error made in poor taste that left his employers with no other alternative.

Often, if you're unable to learn from other people you have to learn the hard way yourself and football provides one environment that defines right from wrong.

Football is an environment which in the short term values the detriment of wrong over hero status, and there are consequences. You can't exactly say the same for athletics or cycling.

Steele has since been able to get back into football to work as a fitness coach where his hair has regrown and a stern lesson in conduct learned.

Mistakes are often as serious as the results they cause, that's why I let someone else chop the onions.

FAN FOCUS!

First FC game attended?

8th September 2012, a 1-1 home draw against Leighton Town.

Best FC match you've seen and why? The first El Quackico with a 3-1 victory in Bedfordshire, our first 3 points of the 13/14 season and a Gareth Price master-class.

Worst match? Several to choose from last season but have to say the 2-0 loss at Marlow in 2014/15. We couldn't string 2 passes together, defence a shambles, but we ended the season in the playoffs!

Favourite ground you've seen FC play at?

Windsor's Stag Meadow wasn't bad, and very happy memories there.

Worst ground? Petersfield for the bobbly pitch up a hill, and Northwood for the number of broken seats!

Best FC goal seen? Last-minute Danny Murphy free kick against Hanwell in 2015. Pick that out!

Funniest moment at an FC game? The Ryan O'Toole miss against the Ducks at Thame. Wouldn't be laughing if we hadn't won.

Favourite all time FC player? Brad Wadkins was different class; never replaced him in the middle.

Best all time FC line up? The 2014/15 team by far. Quality in every position.

Best thing about Aylesbury FC? The connection between fans and players; we all know each other here.

Do you support any other team? Used to be a big Chelsea fan but non league football is far better.

What other sports and hobbies do you enjoy? Football is the no.1 sport. I like walking, reading and puzzles like Sudoku. Also trolling other clubs on Twitter.

Favourite music? Anything indie, especially Imagine Dragons.

Favourite TV show? Family Guy- we all like to laugh at inappropriate things right?

Favourite food? The cheeseburger and chips at Haywood Way of course.

Favourite drink? J₂O.

Fan favourite Gareth Price, now at Kings Langley

NEXT UP FOR FC

The Moles next face a trip to Ashford Towns Robert Parker Stadium in Stanwell, Greater London on Saturday 23rd September and the return home to The SRD Stadium on Tuesday 26th September as we welcome Marlow with a 7.45pm kick off.

Ashford Town (Middlesex) finished a very respectable tenth last season on their return to the Evo-Stik South East after promotion from the Combined Counties League. The Tangerines have had a good start to the season, progressing into the second qualifying round of the FA cup after beating Corinthian Casuals and they also currently sit in 6th place, after a 4-2 away win last Saturday at Uxbridge. The ground is roughly an hours drive from Aylesbury for any Moles fans looking to make the journey over, situated near Heathrow Airport. The address is Short Lane, Stanwell, TW19 7BH.

Marlow under the leadership of Mark Bartley have always been a tough test for the Moles. After last year finishing well in fourth and thus reaching the play-offs, they were eventually knocked out by playoff winners Farnborough in the semi-final. Marlow currently sit in ninth after a strong start to the season and

will be another tough test for the Moles in what should be a good game. See you then!
