Good Afternoon and welcome to the SRD Stadium for this afternoon's league game against Kempston Rovers.

To, the joint manager due of Jimmy Stoyles and Gary Flinn, their team, officials and fans of Kempston, I hope you had a pleasant journey over to Aylesbury from Bedfordshire.

In my last notes against Thame, I highlighted how we were approaching fixtures against teams around us in the table and how it would be important for us to continue to get good results against them which would allow us to start climbing the table. It pains me to say that the last couple of

performances simply have not been good enough and we find ourselves back in a situation we thought we had escaped.

Today, just like you the fans - we all expect a response from the players. Please stick by us, cheer us on and together we can get back to winning football games.

As always I would like to thank the fans, volunteers and committee. All your support and efforts are appreciated by players and management team alike, today we hope you enjoy the game.

Alan Penman

Today we welcome Kempston Rovers players, officials and supporters to Haywood Way, and result apart we hope you enjoy your stay in Buckinghamshire.

With our club and for most non league clubs finance at this level finance is always the biggest issue we face. There's never enough money from all of the income streams to be able to enjoy the season, we are always playing catch up and trying to move funds from one place to another and any one "issue" that occurs during the season can have a massive effect on the day to day running of the operation. The fans demand high standards

and quite rightly so, but we are on a tight budget and we must ensure that our ambitions are in line with our income.

All the committee and related workers are volunteers and do it for the love of the club, to maintain the high standard & compete in the League we are in. Sometimes it is not possible to keep income and expenditure in line and we are currently looking at some financial restructuring at the moment . I personally would like to give a big thank you to Rossana who as treasurer has the task of keeping an eye on our ever depleting money pot and ensures no money is spent that doesn't need to be and not to

pay invoices too early, thank you Rosanna, I know it's not an easy job!

Today we want to see a return to some good football and we need a win after the last week's poor results. Please enjoy the game and enjoy the food at the tea bar, kebab meat and chips I would recommend and let's have a pint in the bar afterwards

Report by Jools Thomas

A Jeanmal Prosper goal towards the end of a one sided first half brought brief hope to FC that the team's recent run of poor form would come to an end. Alas, a Bedford equaliser within one minute of the restart was merely the starter as the home team ran riot in what looked like for them like a light training session as FC collapsed in terms as a footballing unit.

Paul Brown and Ash Jenkins got in a mix up as early as the fourth minute and this almost allowed Town's Brad Woods-Garness in to score. David Manu then hit the side netting as the home team really got into their stride.

On 28 minutes, Brad Auger hit a half volley that flew over the bar. Woods Garness was again in action, with Jenkins lucky to hold onto his shot as the home team piled on the pressure. Town should have taken the lead on 31 minutes. Mayo Balogun put in a terrific ball and although Woods-Garness made contact, Jenkins pulled off an incredible low save when a goal seemed certain.

Aston Goss had FC's first chance on 35 minutes with a shot that did little trouble to Kyle Forster in the home goal. Very much against the run of play, FC took the lead. Decent work on the right saw Davis Haule make an assist for Prosper who had just to sidefoot home into an unguarded goal.

That advantage was wiped out on 46 minutes. A high cross found David Manu whose looped header beat Ash Jenkins before nestling in the corner of the goal. Soon afterwards Josh Oyibo unleashed a powerful shot and Ash produced a quality save to beat away the effort. It was only a temporary reprieve as

Ryan Auger gave his side the lead on the hour mark. Jenkins was off his line and the home midfielder released a pinpoint chip that beat the keeper and sneaked just under the bar.

FC had already been heavily outplayed but as the pressure escalated, the team ceased to offer any type of attacking threat, and Bedford stepped up their game even further. Auger was enjoying himself. He cut in from the right and unleashed a shot with such power that it deflected off Jenkins' knee and ricocheted into the net.

The final goal was a foray into the box by Manu from the left and after finding the optimum angle, he guided a right foot shot past the keeper and into the bottom corner of the net.

Kempston Rovers

We take a look at our opponents today from Kempston who hold a 100% record over us from last season.

The affectionately named Walnut Boys are today's opposition (what a nickname) and have so far been a thorn in the side for FC. After winning promotion in the 2015/16 season from the United Counties League in dramatic fashion, thrashing their opposition to pip Leicester Nirvana to the title, Kempston finished a very respectable 10th, settling well into life in the formerly named Evo-Stik Division One Central.

Kempston, still under the joint management of duo Gary Flynn and Jimmy Stoyles, had a good start to the season but as of late have hit a rough patch.

Notable players in the Rovers line-up will be Grant Fryer, who FC fans will remember from the 2015/16 season under Steve Bateman. Grant was well liked by the FC faithful for his hard tackling, no nonsense passion on the pitch, and was an integral member of Steve Bateman's side that year which just fell short of reaching the playoffs.

Another threat will be Jake Newman, the striker has already scored a few goals so far this season and will be a big threat for the FC defence today.

FC were beaten twice last season by the Walnut Boys. First in Bedfordshire on the opening day of the season with a fresh look FC side under the leadership of Danny Gordon, FC went to down 2-1 to a late Kempston penalty to get the dream start to the season for the league newcomers. The return fixture was just as disastrous for FC as Kempston strolled to an easy 3-0 win.

Kempston drew with Egham on Saturday 2-2 to earn their first point in four games, with goals from Ben Shepherd and Robbie Goodman.

Rovers also lost their first home game of the season on Tuesday losing 1-0 to Chalfont St Peter.

Last time we met

FC first met Kempston last season on a hot opening day against the league newcomers.

An attack by Ashley Fuller on the left hand side drew FC keeper Jack Brooker from his goal and as the keeper advanced, Fuller smashed his shot into the net from an ever acute angle.

No supporter could deny the home side their lead but it wasn't all one-way traffic. Lee Stobbs enjoyed a terrific debut and he was unlucky that no team mates were round to stab home his cross after he had nut mugged two home defenders.

The first move of the second half saw Stobbs' shot blocked and this was closely followed by a rising shot over the bar by Rovers' Ieuan Riley. Stobbs was again in the action on 50 minutes and his left wing cross found the unmarked Aaron Couch on the far post who had the simplest of tap ins to level the score.

A clash of heads involving FC's Ben Stevens caused the game to be held up for several minutes and this allowed the men involved to be tended to and other players to gain a breather and a well deserved drink.

As the game moved into injury time, FC would have been satisfied with a point but when the home team launched an attack, the ball pinged against the elbow of FC sub Mark Carty from a distance of just a couple of yards.

Unbelievably the referee awarded a penalty and despite protests a penalty was awarded and Ashley Fuller placed the ball past Brooker. **FULL TIME 2-1 KEMPSTON**

Kempston then returned to The SRD Stadium in November for the return fixture.

Olukanmi had a chance to open the scoring and his strike

was only just saved by a combination of keeper and defence after a melee within the Kempston Rovers penalty area. The follow up by Josh Bamford was once again blocked and the status quo remained intact.

With five minutes to go to the break, Fuller hit the Aylesbury post directly from a corner and this was the prelude for Kempston's opener. A hopeful ball was chased by Danny Watson and after beating Forster to the ball, he slipped the ball into an unguarded net.

FC manager Danny Gordon was penalised for climbing on his opponent within the area. From the spot kick, Fuller stroked the ball home with Forster failing to react.

With seven minutes to go, away substitute Ben Shepherd hit a direct shot past Forster and into the net for 3-0.

FULL TIME 3-0 KEMPSTON

2 FLEET TOWN

56' Bunyan, Haskell 70'

0 AYLESBURY FC

Calthorpe Park

Saturday 11th November 2017

Kick off: 3pm

Attendance: 78

Report by Jools Thomas

The poor recent form of their hosts was very much a reason for those FC fans travelling to Fleet to be optimistic. Just 90 minutes later however, the Moles were travelling home having suffered a thoroughly deserved defeat. It was not so much the margin of defeat or indeed the lowly status of their Hampshire hosts that was worrying. Instead, it was the manner of the defeat. Fleet were first to everything, won all the 50/50 balls whilst a completely disorganised FC were unable to trouble a defence that had been shipping goals for fun.

Fleet's Patrik Ruzicka guided in an effort as early as the 3rd minute which FC keeper Ash Jenkins gently shepherd out to safety. Shayne Almond responded in a moment of rare quality as he curled a terrific shot from the left, which just whizzed the wrong side of the Fleet post. Almond looked lively in the opening few minutes and soon afterwards, he again found himself in a decent position but he could slice his shot wide when composure was the name of the game.

Michael Barima then flicked his header just wide from a Ben Stevens cross as FC made full use of playing down the pronounced slope of the pitch. Town captain Matt Bunyan had a similar chance at the other end but his header was also wide of the mark. From that FC goal kick, the ball was played into the box and Michael Barima was unlucky not to break the deadlock as his shot was blocked in the 6-yard box.

Ryan Marklew beat Ash Jenkins hands up in the 21st minute and the midfielder must have been surprised to see his effort cannon off the post when a goal seemed a certainty. As the half ended, FC had their best chance of the game. Ty Deacon broke clear of his marker

and as the keeper advanced, the striker poked the ball goalwards only to see it trickle past the far post.

Aston Goss had a half chance on 47 minutes in FC's first and more worryingly only chance of the half. This was followed by a smart Jenkins save from a Marklew stab. The home team then decided to turn the screw on FC. They frequently exploited FC's high defensive line and with rapid attacks, constantly exposing Ash Jenkins to danger. Town's Chris Dean tested Jenkins again before Fleet deservedly took the lead. FC had a number of opportunities to clear but failed to do so thereby allowing Ruzicka to fire the ball home from close range through a crowded penalty area.

The one goal lead turned into two on 70 minutes. The high line was again blown wide apart as Luke Haskell raced clear of the FC defence to dink a cheeky ball over Jenkins into an unguarded net. After this lesson, it should have been clear to FC that playing such a suicidal offside trap could see them easily

be punished yet on 87 minutes the defence was breached once again and only a combination of Jenkins bravery and a rush of blood to the head from Bradley Wilson prevented an even more emphatic victory.

Moles Line-up:

- 1) A. Jenkins 2) Stevens 3) Jones
- 4) D. Haule (Yellow) 5) J. Jenkins 6) Carby (Yellow) 7) Almond 8) Goss
- 9) Deacon 10) Prosper 11) Barima

SUBS:

- 12) Scott, for Barima 65'
- 13) Fitzgerald
- 14) Ball
- 15) Lataille

MOM:

Ashley Jenkins in goal made some brilliant saves to keep the score at only 2-0 to the hosts.

BRAD WADKINS

Picture by Gary House

A real fans favourite at Haywood Way, Brad Wadkins joined the club in November 2013 from Potters Bar Town and made an immediate impact at the club securing seven man of the match awards in his twenty two appearances that season. Brad was an Attacking Midfielder come striker. Originally he had progressed

through the Youth and Reserve teams at Chesham United and featured in the first team set up in the Southern League in 2011/12. He then had spells at Chalfont St Peter and St Albans City where he scored on his debut in the Premier Division at Redditch.

It was in his second season at Haywood Way though that we really saw the best of Brad with his immense skill coupled with a physicality that frightened opposition players up and down the league. Brad scored 13 goals from midfield and was an important part of Steve Bateman's side that got to the Evo Stik play off's eventually losing out to Bedworth 2-1 in the semi final.

Brad's performances bought him yet again to the attention of Chesham Manager Andy Leese and he re-joined Chesham in the summer of 2015 in the Premier Division of the Southern League. Brad had two seasons back with the Generals, although dogged by injury he still managed to make fifty six appearances over that

time and was part of the side that made it all the way to the FA Cup 2nd Round. Brad played an integral in the 1st round game away at Bristol Rovers, causing havoc for the Rovers defence, winning a penalty for Chesham after a run into the box (which was then missed). He then played when they lost 4-0 to Bradford after narrowly getting past The Moles in the 1st Qualifying Round. Brad was also selected for the England squad to compete at the European six-a-side championships in Croatia, he came through trials and training to be picked for the spot in the 32-team competition which took place in Vrsar.

In the summer of 2017 Brad joined Slough Town and is enjoying a good start to life with the Rebels and is currently enjoying another fantastic FA cup run with as they face a second round home tie against League One Rochdale. Still suffering some minor injury problems, Brad has missed a few games for Slough so far, but has still managed to score an amazing 8 goals from 13 games, with surely more to come.

League roundup

With leaders Moneyfields on Buildbase FA Trophy business on Saturday, second-placed Cambridge City had the opportunity to pull to within two points of the Sydenhams Football League (Wessex) champions when they travelled to mid-table Marlow.

But in the end, City will be extremely pleased to have earned one point as they trailed 3-2 going into stoppage time. Ryan Sharman gave the visitors an early 9th minute lead that Jahson Downes

cancelled out in the 26th minute.

Sharman doubled his and City's tally to restore their advantage just before half-time, only for former City player Allen Bossman on 70 minutes and Jordan Brown 12 minutes later to put Marlow 3-1 ahead. But City had a 90th minute penalty to thank for rescuing a game after he had been brought down – the striker picking himself up to complete his hat-trick and a secure point for his side.

AFC Rushden & Diamonds are now third and just a point behind Cambridge after a more comprehensive 4-1 win at Honeycroft against Uxbridge. Recent signing Ryan Robbins put Diamonds in front after 10 minutes and a Tom Lorraine brace in the 20th and then right on half-time took the visitors three-up at the break.

Left-back Sam Brown added a fourth for the Northamptonshire outfit on 67 minutes – and they even scored the Reds' consolation when the unfortunate Callum Westwood beat his own keeper in stoppage time.

Hayes & Yeading United maintained their steady climb up the table and are now fifth after recording a 2-1 home win over bottom-markers Arlesey Town. Toby Little proved to be the home side's hero, bagging a brace in the 19th and 26th minutes and surviving a comeback when Tony Williams reduced the deficit after 65 minutes.

AFC Dunstable dropped to seventh after losing 1-0 at mid-table Chalfont St Peter. Ben Ward-Cochrane's 66th minute effort eventually proved enough for the Saints.

Fleet Town pulled five points clear of Arlesey in third-bottom spot after a 2-0 Calthorpe Park victory over Aylesbury FC. After a goalless opening 45 minutes, Matt Bunyan broke the deadlock to give Fleet a 56th minute lead that Luke Haskell doubled 12 minutes from time.

Barton Rovers are level on points with Fleet but one place better off after sharing a 1-1 Sharpenhoe Road draw with a Northwood outfit who are now eleventh. The Woods led through Jermaine Osei's goal immediately after half-time until 6 minutes from time when Rovers levelled from the penalty spot, converted by Danny Watson.

Kempston Rovers and Egham Town are tenth and ninth respectively after they shared a 2-2 Hillgrounds draw. A fine Ben Shepherd free-kick from 25 yards gave the Walnut Boys a 16th minute lead that Robbie Goodman doubled after 34 minutes.

But the Sarnies fought back with a brace of goals from Brendan Matthew after 52 minutes and a penalty given for a shove by Jermaine Ivy 15 minutes from time.

Chalfont St Peter made it seven games unbeaten in the Evo-Stik League South East on Tuesday night to move up to ninth in the table, level on points with the play-off places.

The Saints recorded back-to-back 1-0 wins, courtesy of a goal 8 minutes from time from Victor Osobu at Hillgrounds against Kempston Rovers.

That allowed Bedford Town to move level on points and above neighbours Kempston on goal difference after a 4-1 win against Aylesbury FC at the New Eyrie.

Jeannal Prosper had actually given the Moles a 37th minute lead they held at the break. But just 2 minutes after the restart, David Manu equalised and just past the hour-mark, Ryan Auger put the Eagles in front. A Garry Jones own goal in the 78th minute and a second for Manu 2 minutes later sealed the home side's victory.

Not too far away at Sharpenhoe Road, Barton Rovers and Thame United shared a 1-1 draw in which the visitors led through Dan West's 26th minute opener eight until 3 minutes into stoppage time at the end of the game when Andrew Phillips popped up with Rovers' leveller.

1 AYLESBURY FC

Jenkins 94'

1 THAME UNITED

Goss 62'

The SRD Stadium
Saturday 4th November 2017
Kick off: 3pm
Attendance: 107

Report by Jools Thomas

As the game entered injury time, FC were still trailing to a howitzer Lynton Goss blast and as a last throw of the dice, central defender Jordan Jenkins was sent from the substitute's bench to try and rescue a point. A minute later, Jenkins had risen above both his marker and the goalkeeper to send a guided ball into the bottom of the corner of the net and grab a share of the points. FC players and supporters will certainly see the final score as a point gained but Thame, on the other hand, will view the result as two dropped.

The first attempt of note at the SRD Stadium saw FC captain Ben Stevens bravely blocking a shot from Thame's Ben Sturgess, with the ball finding its way to Luke Ricketts whose shot was expertly beaten away by Moles' keeper Ashley Jenkins.

Stevens was then unlucky not to meet a well-placed Shayne Almond cross as a defender stole the ball away at the very last moment. From the resultant corner, player manager Davis Haule glanced his header a foot wide with the goal at his mercy. United's Ellis Hercules had an almost identical chance a few moments later and once again the outcome was an effort wide of the target. This early sparring was the best spell of the half with the only other action of note being former

FC striker Lynton Goss whipping in a dangerous free kick that Jenkins was once again equal to.

Kieron Schmidt had an all action game in midfield and, in the opening move of the second half; he delivered a delicious ball to Ty Deacon with the striker unlucky to see his effort hit a defender's leg. Schmidt had his own effort blocked as the Moles tried to break the deadlock. Brian Haule made way for Jeanmal Prosper in an attempt to inject some more pace into a team that looked to be tiring on a boggy pitch.

That didn't quite work to plan as the visitors stepped up a gear. Firstly, James McGowan tested Jenkins with a flicked header and then Thame took the lead with a strike of the highest quality. Lynton Goss latched on to the ball and with an incredible turn of pace, pushed the ball forward before releasing a venomous right hand drill that give the keeper no

chance. Eight minutes later, the same man almost broke the FC post with a powerful 25-yard drive that cannoned away to safety. Jenkins pulled out a terrific stop to deny full back David Lynn and at this stage, it seemed inevitable that Thame would not only win but would increase the score line.

FC again tried to change things. To add some midfield steel, Harry Scott was replaced by Michael Barima and finally there appeared to be some pressure on the Thame defenders. Joe Fitzgerald sent in a teasing right hand cross that Thame keeper Craig Hill was grateful to gather but there still was not the final killer pass to truly worry the visitors. Garry Jones could consider himself lucky to receive only a yellow card for a crunching 88th minute tackle and over six minutes later, Ben Stevens lofted in a cross allowing JJ to claim his goal and make himself hero of the day.

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

Buy it every Sunday from your local newsagent

By Adam Ellis

My bucket list of stadiums to journey to grew by one over the weekend after sitting down to watch the Northern Ireland v Switzerland World Cup qualifier.

Belfast's Windsor Park stood as a fortress of unchecked, brimming support for the Green and White Army as they looked to book their place in Russia.

An impassioned chorus of God Save the Queen was fed by a surge of positivity for where head coach Michael O'Neill has carried this team to.

I won't claim to have ever sung my heart out at Wembley for an England game and I'm not a stickler for showing ultra-patriotism at a national match, but I'd be open to it if there was a precedent set by Wembley.

If I treasure Non-League for the individuals you are able to meet and strike up conversation with, I treasure being an Englishman for the opportunity of the collective support of 88,000 fans inside one stadium.

'And the fans are going wild' is something I can't say I have heard since Wembley's makeover to become the 'New Wembley'.

But wild was the one word that comes to mind when watching the Northern Ireland game on TV and the main camera shaking through the vibrations created by 18,000 fans exulting the emotion of the whole nation.

And plenty of emotion there has been for Northern Ireland, not least at the final hurdle where enthusiasm turned into vitriol at the hands of the referee.

Things had gone so well for Northern Ireland. Three defeats in ten matches comprising reigning World Champions Germany, Czech Republic and Norway is a record not to be sniffed at for this nation of under 2 million.

Introduce Romanian Ovidiu Hategan, the FIFA assigned referee for the first-leg who awarded Switzerland a penalty for the most unintentional of handballs. If at one end of the scale was Diego Maradona's 'hand of God' goal at the Azteca Stadium in 1986, the complete opposite was Corry Evans'

ghost handball – it actually hit his back – which handed Switzerland a 1-0 lead in the contest.

The return leg at St Jakob-Park in Basel ended in stalemate despite desperate efforts by Chris Brunt and Jonny Evans.

There are lessons to be learnt in sport during every competitive match and for O'Neill he will know after that plans years in the making and 18 months putting into practice can crumble like a house of cards. And the biggest gripe is that it doesn't necessarily come by your own hands.

An appalling decision but this was a qualification campaign that shouldn't be lost on memories prone to recency.

Take a look at Wales and the credit the late Gary Speed rightly receives for turning their fortunes around. Chris Coleman is now at leisure with a team challenging to regularly reach major international competitions.

Michael O'Neill has time to continue his endeavours with an underdog well worth cheering if he decides Windsor Park is the place where his future lies. And Iceland, of course.

NEXT UP FOR FC

Next up for the Moles is Barton at home Tuesday, then we travel to Northwood on Saturday.

On Tuesday 21st November we welcome Barton Rovers to The SRD Stadium, Rovers have had a tough start to the season, so we'll be hoping to get a few points and goals hopefully!

On Saturday 25th November we head over to Northwood FC for another league clash. Northwood currently sit mid table. The ground is approximately an hour from Aylesbury (M25 and London traffic permitting). The ground is neatly hidden away by some allotments on a narrow single track road, so don't blink or you'll miss it! So come on down and support the boys.
