

Season 2020/21

AVDFC vs Baldock Town
Saturday 12th September 2020
Spartan South Midlands League Premier Division
KO 3.00pm

WELCOME TO THE DYNAMOS

So finally the league campaign starts. Our last competitive league fixture was back on the 3rd March 2020. That's 192 days since we played a league fixture.

And what a week we have to commence it with. 3 games in a week. ● Saturday 12th home Baldock Town today followed by Leverstock on Tuesday and away in the Vase against Broadfields (At Rayners Lane FC) this Friday.

Over the last 6/7 months there have been many questions asked. When will the season start? Will the season start? The answer is yes. This coming season will be like no other season any of us have seen before. Covid-19 is still out there, we all have to continue to play our part and stay alert. The games are going to come thick and fast for the next 3/4 months. League fixtures are scheduled for Saturday / Tuesday until mid December. The fixture schedule is going to test our and every squad with in the division.

So we started our competitive football return with a FA cup fixture at home against Windsor. Unfortunately on the evening we didn't have luck on our side. Having gone into the fixture optimistic following a good pre-season preparations were set back with the injury to club captain Ben Stevens. We are hopeful the injury isn't long term and Ben will be leading the side out in around 2 to 3 weeks' time. If only, that's my view on our loss to Windsor 2 – 1 in the FA Cup

- If only Lamar had scored in the first minute 6 yards out
- If only Lambeth hadn't passed - hasn't passed all pre-season 😞
- If only Archie had put his foot through his clearance as he does 99 times out of 100
- If only the referee had seen Dan Wilson clearly played the ball for Windsor's penalty

From the DUGOUT Continued

- If only Lewis Workman, Kev and the other 5/6 chances we had were taken

The performance on a whole was excellent for a side that were playing their first competitive game together. As I mentioned in my previous notes we have rebuilt the side from scratch, 14/15/16 new players have come into the AVDFC squad. We are now looking forward to commencing our league campaign for the 2020/21 season at home to Baldock Town FC. In our last encounter between the two sides Baldock ran out comprehensive 4 – 1 winners. Today we hope to put in a more competitive and a more established performance against a good Baldock side. As many of you may have seen during pre-season and the FA cup game, the team can play. We are more technically, physically and mentally prepared for the up and coming season.

I would finally like to send on behalf of myself, the squad, management team and the committee our condolences to the family of Felipe Mugari. Felipe trained with us during pre-season. A lovely, enthusiastic young man who had a love of the game.

Enjoy the game and season

Dynamos HISTORY

Aylesbury Vale Dynamos is an amalgamation of Aylesbury FC and Bedgrove Dynamos, two local clubs with a rich history in local football. **Aylesbury FC** enjoyed a long history in senior and junior football dating back to the 1930's under the previous names of Aylesbury Vale, Haywood United, Belgrave, Stocklake and Negretti and Zambra FC, which was founded in the 1930's by workers at the Negretti and Zambra company then based in London's King Cross district. The company moved to the Stocklake Industrial Estate, Aylesbury.

in 1949 and by the mid 50's the premises had a bar, football, cricket and tennis facilities. The football club joined the Aylesbury District League in 1954. The social club changed its name to Stocklake when Negretti and Zambra sold the premises to the local council, who then leased the facilities; hence the different sections adopted the name Stocklake. Under the guidance of Chairman Mr Ernie Crotty, the club gained many honours including runners up in ADL's top divisions, before gaining intermediate status in the Wycombe and District League first and senior divisions. Sadly Ernie was killed in a road accident just before the club moved premises to the present location at Haywood Way in 1987.

After gaining senior status and promotion to the Chiltern League in 1988, Stocklake enjoyed many further successes including Division One runners up in 1991, Premier Division and League Cup runners up the following season and Wycombe Senior Cup success in 1995. Cup success was also followed on in the following season, this time the Berks and Bucks Intermediate Cup being added to the trophy cabinet. Belgrave FC was formed in 1983 by Jim Sullivan who lived in nearby Belgrave Road. Jim had two sons who were passionate about football but were limited to where they could play, so formed a team himself with the help of neighbours Lynne and David Hatcher. By 1990, under the guidance of Danny Martone, Belgrave had grown to five youth teams providing football for over ninety boys from the Quarrendon and Haydon Hill areas of Aylesbury. 1996 saw the forming of two senior teams under the Belgrave FC name and by the turn of the millennium teams were represented at all levels from Under 8's through to seniors,

At the start of the 2000/2001 season, the senior Belgrave FC team was renamed Haywood United following an amalgamation with Stocklake FC with Danny Martone voted in as chairman of the new club. Haywood United joined the Spartan South Midlands League and won promotion into Division One after two seasons. Notable achievements during the 2001/2002 season included league awards for the best kept and most improved ground; this included the erection of floodlights and perimeter fencing, which Danny and his hard working committee fought hard to establish. Season 2002/2003 saw a difficult start in Division One, but with the arrival of manager Jon Franklin and his assistant Keith Walker just after Christmas, the club eventually consolidated finishing in 9th place. Promotion was gained to the South Midlands Premier Division the following year after a campaign that saw 23 wins, 7 draws and only 4 losses. Haywood United proved themselves capable of staying in the Premier Division after finishing 3rd in the 2004/2005 season in a campaign that only include one loss in the twenty matches after Christmas. The club also entered the FA Cup and Vase for the first time and won the Buckingham Charity Cup in 2006.

Season 2006/2007 began with Haywood United becoming Aylesbury Vale FC and saw Keith Walker and Steve Gleinster take over as joint managers and steadily build a squad. This was recognised in the 2008/2009 season, under the management of Mark Eaton, with a good cup run in the FA Cup and FA Vase, winning three rounds in the FA Cup losing to Level 4 side Gosport after a replay, and losing out in the 4th round of the FA Vase to Leiston Town. . After Christmas the side suffered due to long term injuries and finished mid table. May 2009 saw a major new development in a new semi professional side vote for a name change. Aylesbury Football Club was formed under the leadership of Chairman Roger Dance and assisted by Vice Chairman Danny Martone

Dynamos HISTORY

Former Chairman Bill Harrison was made President of the club. Great success on the field of play was to follow, with the team having a fantastic run in the F.A. Cup. We were the last 'level five' team in the country to remain in the competition and were rewarded with a visit to Haywood Way for the F.A. Cup trophy, allowing the team, supporters and local people to get their hands on this famous trophy and make the most of this memorable occasion. We were finally knocked out of the competition by Wealdstone in a close game. A brave and superb display was witnessed by a bumper crowd of 800 plus.

Meanwhile, away from the midst of F.A. Cup drama, our success continued, becoming 'Double Winners' Winning both the Spartan South Midland League and League Cup capping an extraordinary season and gaining promotion to the Southern League Division 1 Central. Steve Bateman took over in 2013/14, steered the club to safety in his first 6 months in charge. Then in 2014/15 with Bateman at the helm FC has their most successful season to date most successful to date. Playing at the highest level in the club's history, the team finished third in the League, having been pushing for promotion all season and narrowly lost out in the semi final to Bedworth United having already beaten them twice in the league. the 2015/16 finished with a flourish as the club finished just outside the play off positions, but had the consolation of our first major Cup Final, beating Chesham United in the Berks & Bucks Cup at Windsor. Steve Bateman and his management team resigned at the end of the season and Danny Gordon & Gareth Risbridger took the helm, supported by Paul Bonham, Ryan Wiffin & Aaron Norman. Davis Haule took over from Gordon & Risbridger in December 2016, appointed brother Brian as his assistant and recruited former coaches Fraser McLachlan, Aaron Wiffin and added Ryan Collings to his back room staff for the 2017/18 season.

In 2018/19 Scott Reynolds was appointed manager and when he resigned midway through the season it was left to Paul Bonham to take control but because of ground grading issues the Southern League made the decision to relegate the club and so after ten seasons in the Southern League. Phil Granville and Ben Gill were appointed midway through last season and will kick off the 2020/21 season again in the Spartan Premier Division

Bedgrove Dynamos

Alf Buckland, a resident of Finmere Crescent, formed Bedgrove Dynamos in 1968. It was created to fill a void in activities for boys within the Bedgrove area on the south side of Aylesbury. In 1980, Dave Bayliss became involved when he brought his Cub side to the Bedgrove Park. The teams amalgamated and Dave went on to be the chairman for 21 years, stepping down in the year 2000. Within two years and barely a full strip between them, they managed not only to win the Under 12's Aylesbury & District League (ADL), but went on to win the 13's & 14's league in consecutive years and, by which time, they now had four teams at various age groups.

Over the years the club has grown and has won many tournaments and trophies, especially at county level. Many teams have toured abroad and the club has also entertained boys from Europe and America. We can boast that we are the only boys club to have a club pennant on display in Barcelona's trophy room.

At the start of the season 2001/02 the club was the largest junior club in the Aylesbury area, running teams from under 8's through to under 18's. At the end of the season 2001/02 the club managed to win the coveted Berks and Bucks Cup at under 14's, the Mayor's Cup at under 12's, represented in two other cup finals, won 3 league titles, gained 6 promotions in total and all teams finished in the top 6 to the fairplay awards for their respective leagues. In the last 20 seasons across the age groups the club has won 25 divisional titles, and runners up 20 times.

In 2019 two became one when the sides amalgamated with the intention of allowing the youth of the town to progress through junior football to youth and then adult football and play at the highest possible level.

Last Time OUT

Tuesday 1ST September 2020 (FA Cup)

AVDFC 1 Windsor 2

The Dynamos exited the FA Cup at the first hurdle after a full blooded affair at Haywood Way. It was a game that Aylesbury could and possibly should have won if the chances created had been taken, Windsor on the other hand capitalised on one goalkeeping error and converted a very soft penalty to move into the next round.

It was the home side that should have scored first when after just one minute a ball from the left was fizzed into the back post along the six yard line but Lamar Mason-Williams somehow managed to put the ball wide when scoring looked easier, the first of a number of chances not converted that were to have a major impact on the outcome of this FA Cup tie.

After just nine minutes Windsor took the lead, a ball over the top saw Dan Wilson and Alex McGowan chasing the ball back as Archie Davis raced from his goal but the keepers clearance only reached Billy Montague and his first time lob over Davis nestled in the back of the Dynamos net.

Charlie Jackson was having a good game alongside Alfi Touceda in the middle of the park without being able to bring the three Aylesbury strikers into the game as they were being shackled by the Windsor back four. On one mazy run Jackson showed his class gliding through four players before laying the ball off to Dave Brown who was fouled outside the box and the opportunity came to nothing.

Just after the break Archie Davis made good his earlier error by racing out at the feet of a Windsor forward who was racing towards the goal, there was a crunching tackle as the young keeper dived at the feet of the onrushing striker and somehow came away with the ball without being injured. Davis then palmed a left foot strike over the bar as Windsor got a grip on the game and for a ten minute period the home side struggled to repel them.

Having failed to make an impact in the first half Dan Lambeth was now starting to come into the game and on fifty two minutes he picked the ball up on the left hand side and his marauding run down the left ended with a cross to the near post but Lewis Workman somehow screwed the ball past the post when the home fans behind the goal thought it would have been easier to score. Five minutes later and it was Lambeth again who drove forward and the weak clearance from Windsor fell at the feet of Alfi Touceda, he saw an opportunity to lob the keeper but couldn't quite get his technique right and the ball went wide.

Lewis Workman then had another opportunity when away keeper Nojus Trinovas somehow managed to gift the ball to him inside the box but the Aylesbury striker just didn't seem to be able to get a clear strike and the chance came to nothing. Sam Austin then had a header from a corner that was tipped over the bar as The Dynamos pushed for an equaliser. On seventy minutes the away side were awarded a controversial penalty when Dan Wilson appeared to have made a great tackle inside the penalty area but the referee didn't agree and Montague tucked the ball away for two goal lead.

Darnell Ramsey and Jake Baldwin then replaced Brown and Mason-Williams and the home side, now on the front foot despite behind, pushed forward to try and rescue the tie. Dan Lambeth fired wide from the edge of the box after breaking free of the defence. With eight minutes remaining Darnell Ramsey pulled one back, cutting in from the left and firing home as the ball took a deflection off of a defender. There was an incident on the far touchline which involved most of the players and management from both sides which held up play for five minutes and resulted in yellow cards for both managers. With time running down Alfi Touceda found Jake Baldwin on the right, he cut back and his cross was headed wide by Lambeth.

Baldock Town HISTORY

Baldock Town FC played its first competitive match in September 2003 in the North Herts League at The Shed on Clothall Road, Baldock (Now known as Buffs FC). The match was against Magnum with a Rob Foster hat-trick sealing a 5-1 win. Since then the Club have progressed from the North Herts League to the Herts Senior County League. The 1st Team won Division One of the HSCL in their debut season in 2007/2008.

For three seasons from 2008/09, the team played its home matches on Saturday afternoons at The County Ground, Baldock Road in Letchworth, but they returned to Baldock for the 2011/12 season playing at Baldock Town FC's former home at Norton Road, which is now known as the North Herts Arena.

After three near misses, the 1st Team finally won the Herts Senior County League Premier Division title in 2011/12. Unfortunately, due to ground grading issues, the team were unable to take their place in the Spartan South Midlands League.

For the 2012/13 season, the team began a groundshare with Hitchin Town FC. Despite finishing runners-up in the HSCL Premier Division the following season, it would still prove enough to secure that elusive promotion. Scott Grant's side also won the Herts Senior Centenary Trophy for the first time and retained the Anagram Records Trophy.

The next two seasons saw a period of consolidation for the 1st Team finishing 7th and 10th respectively in Spartan South Midlands League Division One (Step 6 on the Non-League Pyramid). After Grant decided to step down Luke Gregson took the reins for the 2015/16 season, assisted by Dean Gilbert. After an indifferent start, the team went on a superb run and ended up just missing out on promotion. The 3rd place finish was the club's highest in the Football Pyramid to date.

At the end of the 2018-19 season Luke Gregson stood down and former Welwyn Garden City manager Adam Fisher took over. Fisher's side started slowly and only began to pick up some form at the end of November shortly after Rob Bates came on board as Assistant Manager bringing some key signings with him – Baldock went on an impressive unbeaten run climbing the table before the pandemic brought the season to a premature end.

In the summer of 2020 Adam Fisher resigned as manager and the club promoted Assistant Manager Rob Bates to the Manager's position. Rob has brought in his own management team and has also retained 90% of last season's squad ahead of the 2020-21 season. The team currently groundshare at Arlesey Town FC's ground; there are plans in place to build a new stadium in Baldock near Clothall Common.

Sin Bins

Temporary Dismissals - otherwise known as 'sin bins' - will become mandatory for matters of dissent across all of grassroots football from the 2019/20 season.

HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go in to the sin bin for dissent cautions

For use of words or gestures questioning or undermining the ref's decisions

EXAMPLES OF DISSENT

- Shouting at the ref
- Questioning ref's ability
- Slamming the ball in to the ground
- Sarcastically clapping a decision

DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:

- 1st half:** Continues into 2nd half
- 2nd half:** Continues into extra time
- Extra time:** Player can participate in penalties

THE MATCH DAY PROCESS

Dissent

Dissent caution: Ref issues a yellow card and directs the player to the touchline

Player can't be substituted until period expires and not if all subs have been made

Whilst in the sin bin, if the player commits a yellow or red card offence they can't take any further part in the game and can't be substituted

If the player commits a 2nd dissent caution and has already been booked, they will take no further part in the game and can't be substituted

If the player commits a 2nd dissent caution and no other offences, they will receive a 2nd sin bin. After which they can't take any further part in the game but can be substituted

If the player commits a yellow card offence on the field of play in addition to a period in the sin bin, they will continue to play

Ref decides when player returns to play

FOUL AND ABUSIVE LANGUAGE IS STILL A RED CARD OFFENCE!
