FRIDAY EVENING JUNIOR TENNIS SESSIONS/MATCH PLAY SESSIONS

Our numbers rose considerably with the school term restarting, averaging close to 40. Thank you to the coaches and assistants for all their work and to James for providing food for some of the sessions.

The summer format of these sessions will end shortly with the last one being held on the 28th October. As this will be during half-term, it is expected our numbers will not be high. To celebrate the end of the summer session, we would like as many of you to come to the sessions on the 21st October and create a party atmosphere with a Halloween theme. James will be providing some party games and food.

There will be a one week break from our sessions i.e. no sessions on the 4th November. Then starting on the 11th November, we will start running our Matchplay Sessions from 5:30-7:30pm. These sessions will organise round-robin matches covering colour ball and yellow ball matches. There will be a WhatsApp group that will manage the entries to the matches and there will be a small entry fee which will cover overhead costs. For those that played last year, you will already be part of this WhatsApp group, but for those that haven't played before and would like to, please indicate your interest by using the tab below. These Sessions will run until the end of March.

I would like to play in the Matchplay Sessions Tab

SURREY NATIONAL LEAGUE WINTER JUNIOR TROPHY COMPETITION 2022/2023

We have identified 14 teams to enter this Winter Team Competition which is a combination of Box Leagues with the Winning Teams going through to the knockout draw. As I write this, Surrey Tennis have still not published the Fixture List, but I expect them to do this any day now. I will then send out all relevant information to the Team Captains and Players.

JUNIOR CHAIR

As you know, I am stepping down from the role of Junior Chair at the next AGM on the 4th December. I am please to say that a number of Junior Parents have shown interest in forming a Committee to take over the role. I will provide more information in my next Newsletter.

LOST RACKET

Unfortunately, one of our younger junior members lost their racket last Friday (7th October). It is a Junior Babolat racket (24inch) with picture below. If anyone has mistakenly taken it, then please let me know.
