

RLTC Club Handicap Tournament 2022

Competition Start Date: Monday, 4th July 2022

Competition Finals Date: **Saturday, 8th October 2022**

Format: Handicap matches are all best of 3 full sets. First to 6 games in each set (i.e. a set can be won 6-5).

Handicaps : Individual and pairing handicaps will be set by the Handicap Tournament Committee and range from +30.5 to -60 with +30.5 providing the most assistance and -60 the greatest hindrance.

Handicaps have been decided by using Box League and Championship results, and the wisdom of the Team and Social Captains and Club Coaches.

Matches: A few things to ponder in advance:

- Please **be proactive** in arranging your matches – don't wait to be contacted by the opposition!
- These matches can take a while, so arrange with your opposition to make consecutive court bookings.
- If you enter multiple competitions – you may need to play multiple matches in a day or over a weekend.
- If you think you have a good chance of reaching a final, it would be foolish to enter knowing you are unavailable on a **Finals Day - Saturday 8th October 2022**, unless you would be prepared to change your plans should you be successful!
- If disputes arise, they will be resolved by the tournament organiser (Charles Davis) & discussion with members of the tournament committee, and we may flip a coin! All decisions are final.

Pre-match: Prior to a Handicap Tournament match commencing each player/pair should:

- (1) Consult the Handicap Ready Reckoner – Starting Score to establish the starting score for their service games based on their handicap versus the opposition's handicap.
- (2) Consult the Handicap Ready Reckoner – Starting Position to establish whether they should start serving from the Deuce or Advantage (Ad) court on their service games.
- (3) Confirm with the opponents that they agree with both the starting scores and serving positions determined at (1) & (2).

WhatsApp – Contacting Opponents and Reporting Scores:

Please join and use the WhatsApp Group, “RLTC 2022 Handicap Tournament” by scanning the QR code below:

- The Group should be used to contact opponents and report scores.
- You must ensure that you have entered your name in your WhatsApp profile to enable opponents to identify you in the Group.
- Scores should be submitted to the WhatsApp Group and also entered into the draw sheets pinned outside the club house.

Questions and Queries:

- If you have any questions, or you have been omitted from or incorrectly entered in the draw, you should contact the tournament organiser Charles Davis at:
- E-mail: cdrdavis70@gmail.com / Mobile: 07555 752216

Ready Reckoner Example

As an example if your handicap is -30 and your Opponent's handicap is -15.5 then on:

Your Service Games: Then you will start your service games on -15 and your opponent will start on 0. Remember that the -0.5 in the -15.5 Opponent handicap only takes effect in their service games.
