

# EMPLOYMENT SCHEME

**WORK**  
**HARD**  
**PLAY**  
**HARD**

WITH NEWARK RUGBY CLUB

# WORK **HARD**...PLAY **HARD** with NEWARK RUGBY CLUB

## The basics of the scheme:

Aimed at player's aged 18 to 23\*, any player looking for work in the form of an Apprenticeship, Under Graduate placement, Graduate job or general work, will be helped to find suitable employment via the Club by leveraging our extensive and impressive network of businesses and organisations across the Membership base and beyond.

## Why we are doing this:

- Player numbers across all Clubs are in decline, particularly at 2nd and 3rd team level
- Our aim as a Club is to field 3 senior teams each week
- Without the influx of players from local Colleges or Universities that many Clubs benefit from and with an abundance of competition at the same level as us in the locality, we need to look at a way of arresting the decline
- A commitment and dedication to the Club from a player should be rewarded with assistance in gaining employment if possible
- With several businesses struggling with recruitment, this will be a great opportunity for the organisations connected to the Club to employ someone known to them and that has come from a disciplined environment, with an understanding of team work and the transferable values of rugby

\*Please note that this is our main target as most players within this bracket need assistance. However, this scheme is open to all players, whatever the age.

## How you can help:
