

AN INTRODUCTION TO A NEW BUILDING OUR FUTURE SPONSOR

InXpress (IXP) the fastest growing and number one reseller of branded transportation services in the UK

“The BOF Fund Sponsorship Team are proud to announce that Rob Hughes of InXpress has joined Newark RUFC to assist in the Building Our Future fund raising efforts “

“All at InXpress Newark look forward to working with the Rugby Club over the coming months, we are confident that our tailor made scheme will bring substantial benefits both to the BOF fund and to businesses who currently use freight and courier services.”

InXpress offers an all encompassing selection of core transportation services, specialising in the following:

- UK Same Day/Next Day deliveries
- International Air Express – Import and Export
- International Air-freight – Import and Export
- International Sea-freight – Import and Export
- European Road Services
- International Mail

From 50 grams to 10 tonnes. From 3cm square packets to outsized crates measured in metres!

Rob Hughes and his staff are able to offer clients a “local” personal service and source specialised transportation services tailored to meet their precise needs. Thus, **InXpress** is in the unique position of being able to offer exceptional value for money, Newark based support, multiple solutions from a single source whilst rendering just one invoice for all of their shipping needs. One of the USPs of **InXpress** is the locally based service which the competition simply doesn't offer. In this spirit, **InXpress** Newark has a policy of giving something back to the local community in the form of meaningful financial support. This year the chosen charity is Beaumont House Community Hospice - we are a Business Club Gold Member. Next year (rugby season 2015/16) the directors have chosen **Newark Rugby Club**.

Rob Hughes

Rob is the franchise owner and managing director of the holding company. A former Newark RUFC first XV player Rob went on to hold various posts within Newark RFC including Treasurer (7 years) Assistant Treasurer, Membership Secretary, IT support officer and Webmaster. Rob is also a retired NLD society referee and club Vice President. He has formerly held senior positions in well known companies within the ICT industry working extensively in London and the South East of England and as a deliberate move has now returned to Newark running three companies under the “Raptor Aspect” banner. **InXpress** is one of these.

The InXpress BOF fund offer

Advantages to the rugby club and all small/medium sized businesses

In order to help our launch in the area  will donate 90% of the net profit derived from rugby club connected business to the fund, this over two years, per customer.

This enables the club to tap into an area of fundraising hitherto unrealised - the capability to allow business owners/company decision makers to change the supplier of a service for which they already have a business need and annual budget for. Once this change is made the BOF fund immediately and significantly benefits.

We are aiming to raise £10,000

 would not consider accepting a customer if we were unable to match or better the price and/or service that they currently receive.

A true win-win for everyone
