**We aim to raise £10,000 for BOF Can you help?**

**Do you use parcel delivery or courier services at work?**

**Are you in a position to change supplier to one or more of these.....**

**.....to benefit the BOF fund and your company's bottom line?**

**If the answers are both yes! – please take a look at:** [www.youtube.com/watch?v=UxiU16ugGbc](http://www.youtube.com/watch?v=UxiU16ugGbc) (or simply type: **youtube inxpress promo** into your search engine)

The proposition is simple. If we can save your company money and/or improve the service you are currently receiving, InXpress will donate 90% of profits made over a two year period to the BOF fund.

Your company gets:

- The benefit of huge buying power as we negotiate with the carriers named above for all our customers in aggregate (last year we spent £25M with DHL alone!) We normally save our customers 20% on their current charges.
- Local customer service with a three rings answering policy (no more call centres!)
- Single invoice billing irrespective of how many carriers are used and 30 days credit
- Award winning on-line booking tool

The club gets:

**A BIG BOOST TO THE BOF FUND!**
