

CAMBERLEY RFC

v London Welsh RFC

11.02.23

London & SE Division
(Regional 1 South Central)
Watchetts Park, Camberley

Welcome to Camberley RFC

Welcome Everyone to our match against London Welsh RFC.

Sadly I have to report that Bill Murray (ex President) passed away last week on the Golf Course at the age of 58. We will have a moment's applause before the match today. I am sure that is what he would have wanted. As Roger Berry said: "he was really special to a lot of us not just a really nice guy but a really special one".

The 1st XV, being hit by the weather over the last few weeks and more than most of the other clubs in our league, suffered a very rare defeat against Bournemouth but put that to rights against Sutton and Epsom last weekend. The 2nd XV has had a very successful season so far with a good win against Sutton 35 - 19 and have a tough match today against their rivals for 3rd spot in their league (Richmond Normans). I know the 3rds are raring to go, and have also been hit by the weather. Let's hope that Spring is coming with warmer and dryer weather to cheer us all up.

Two good Junior results last weekend were our Senior Academy beating Farnham 60 - 13 and Camberley A Team (U15s) beating Old Wimbledonians in the Quins Cup 21 - 19.

I hope that many of you will be booking your tickets for the Summer Ball (details are on the website) and The Six Nations Fantasy League (again details on the website).

Mike Franzkowiak (President)

Pic by Dinger shows The Fiery Fireman dotting down in the 80th min for his hattrick

BONUS POINT WIN GETS CAM BACK ON TRACK

BY ROGER BERRY

So with Cam conceding 17 points in the first half facing an uphill challenge in both games in 2023 Head Coach Voighty clearly identifies this slow starting as a major issue at Thursday's team meeting and challenged the team to pressure from minute one. There is absolutely no doubt that the squad took this message on board as they scored 7 tries before the official brought the first 40 to a close but the second 40 was a completely different game with the home side fighting for their survival in the league and as well as scoring 2 more tries of their own they managed to limit the black and ambers to a single try in the last move of the game. Clearly this was again a game of 2 halves and there will be much reflection at Watchetts as to why their squad seem incapable of playing a full 80 at tempo. Obviously, to their credit despite turning round around 12-43 down, Sutton clearly upped their game and this was aided when the official clearly changed his view of scrum dominance which meant that Cam's serious attack weapon became a weakness and of course Laid's believes its 'all mental' anyway. The game saw Sutton first to test their opposition and they can consider themselves a tad unlucky when Fireman George intercepted a pass on just 3 mins and raced in from his own 10m line and with Liam adding the extras from wide out the score was 7-0 with just 3 mins played. Sutton again belied their league position as they again threw everything at Cam and on 7 mins they were back in it with a converted try with barely 7 mins gone. Stung into action Cam then showed their quality as a couple of penalties saw them with a lineout 5m from the Sutton line and a perfectly executed catch and drive saw Pickle claim the touchdown for a 12-7 lead. Despite recovering the restart Sutton were unable to break the Cam defence and following 10 phases found themselves 10m further away from the Cam line and so opted to kick to just outside the Cam 22. We then saw Cam at their best when initially they drove 20m from the lineout and when Sutton kicked the ball dead from their 10m line the resultant scrum saw Cam win an easy pen as the Sutton pack disintegrated and the resultant pen saw another 5m lineout and another great catch and drive saw Dom claim the score and with Liam again adding the extras the score had moved to 7-19 at the end of the first quarter. Cam maintained this pressure with yet another scrum pen and when play moved into the red zone great hands across the backs saw George show his pace to dot down out wide and with Liam again successful with a difficult kick the score had moved to 7-26 by 25 mins with the tbp already in the bank. And the pain didn't go away for the home side as following a restart which flopped into touch less than the prescribed 10m another attack from the scrum and some brilliant play by the Cam backs saw centre Alex dot down for another converted try which moved the score to 7-33 on the half hour. Following the team meeting things just didn't slow down as Cam were soon again on the attack following the restart and when the giant lock Dom produced an amazing pickup off his toes to keep the pressure on we saw George again streaking down the left wing before the ball was swung out wide yet again and Youngy again claiming the score for a 7-38 score line on 32 mins. Cam then produced more festival rugby from the restart when Vic and The Fireman again scorched into the Sutton 22 and we then saw the ball again being moved right and this time it was young Bazza, who benefited from a clever pass by Clarke, to cross for the 7th try on 35 mins. Following such fabulous rugby it was inevitable that things would quieten down and on the stroke of halftime Sutton crossed for a converted try for a half time score of 14-43. Probably, as far as Cam were concerned, the best to say about the second 40 is that Sutton added a couple of hard fought tries while they didn't bother the scoreboard until the last move of the game when a great bullocking run by Bazza followed by more meters by Ed saw the ball eventually move again out wide to the fireman whose finish in the corner was very acrobatic and with Liam adding the extras from the touchline they had eventually achieved the half century although I suspect that at half time most of the home supporters had expected that their side were likely to concede a lot more. So on this pretty fair Feb Saturday, with conditions nigh on perfect we saw some really exciting rugby from the black and ambers and a gutsy display by bottom placed Sutton and this will clearly set the stage for the visit of London Welsh next Saturday to Watchetts where it will be important that Cam manage to stay focussed for the full 80 mins if they are to keep their season on track. It was also good to see that a very young 2s side (not including #6 Rich!!!) managed a convincing win 19-35 over Sutton 2s following their great win away at Horsham last week.

Cam come up short at the Seaside

by Roger Berry

With Cam having played just one game in the last 6 weeks, coupled with a rather disrupted training schedule in January due to the inclement conditions, the trip to Bournemouth always threatened to be a banana skin game and this proved to be the case as a lack lustre 60 minutes against a very committed home side left them just too much to do to claim the win and so in dropping 4 points they made their promotion chances just that bit more difficult. The game saw Cam start proceedings playing up the slope into a slight breeze and The Fireman was soon in action as he ran Bournemouth's defensive clearance back to half way but lacking support the home side then put together a few phases until a couple of scrum pens saw Cam move into the home 22 where, surprisingly, they lost their lineout which enabled the home side to clear the danger. At this stage the game was very scrappy and we saw flanker Hamish collect a loose ball and make good yards only for the final pass to be butchered. Approaching the 15 mins mark Bournemouth eventually launched their driving maul but although it was turned over they ran back the resulting defensive kick and some slack defence by the black and ambers saw the home side take the lead and things got worse for Cam when another attack saw the home side chip a lovely ball behind the defence for their winger to tap down for 14 point lead on 20 mins. Although Cam recovered the restart and set up a good attacking position another lineout turnover by Bournemouth in their red zone relieved the pressure. Unfortunately Cam were clearly not clicking and although we saw some good interplay between Vic and The Fireman the black and ambers were never able to put together a decent number of phases and this was typified when Ali made a lovely break but again the pass, which appeared to have been knocked on by the home side didn't go to a black and amber hand which would surely have resulted in a try but from yet another pen the driving maul eventually brought success despite the Herculean efforts of the opposition with Ozzie Greg claiming the score. Bournemouth responded almost from the restart and on 37 mins knocked over a simple penalty to extend their lead and when, on the stroke of half time, we saw a great lineout move from Cam halted when Jos was floored a couple of meters from the line the omens were not good. The second half started with promise as we saw Bazza charging from halfway to deep inside the Bournemouth 22 but, again, good D saw the black and ambers thwarted and although they had by now claimed complete dominance at scrum time this was not enough to create a decent launchpad for the backs and on 55 mins the home side added to their score with a second penalty. By now the home side were full of confidence but one beautiful kick/pass by Liam 10m from his line saw winger Max take the ball 60m into the Bournemouth redzone but again the final finish was not there but this increasing pressure by Cam eventually saw them camped on the Bournemouth line and following a series of pens followed by a yellow card to the home 9 we saw Bazza finally break away from a driving maul to crash over for a well deserved try. We then saw Cam show how dangerous they can be when they concentrate as, from a Bournemouth scrum on the Cam 22, we firstly had the home side pack being driven back so fast that the ball was picked up by Ed at #8 and it was quickly shipped to The Fiery Fireman who charged into the opposition half beating several rather tired defender in the process before letting young Vic take the last 20m to dot down for a converted try and a 20-17 scoreline but with only a couple of minutes on the clock, this new found urgency just couldn't produce another score and that is how the game ended. This was clearly the worst performance of the season by the black and ambers who lost their way at lineout time and whose error count particularly in the first half was horrendous, none of this, however, should take anything away from Bournemouth who played their hearts out with courageous D great legal? mauling and rucking techniques and one just had to admire how they managed the clock as they cleverly let the seconds tick by at every opportunity, restarts, pens, scrums etc while clearly keeping the official happy, which in the end possibly proved vital for who knows what Cam might have achieved with another 5 mins?

RUGBY HONOURS FOR GIRLS U16

Congratulations to Georgina on her selection for this seasons ERDPP Englands Rugby Girls Development Player Programme (Surrey)

Although Georgina has only been playing rugby for a season, Camberley u16 coaches recognised her drive and talent and put her forward for trials enabling her to earn a place in the ERDPP. The first set of games were held at Chobham RFC on Sunday and Georgina got plenty of game time. We are all immensely proud of Georgina, well done from the everyone at the club

As the girls section continues to build, the u16 club coaches are building skill set and confidence at every training session. As a new section we are still growing numbers, so this season we have clustered with Chobham u16s (who are also growing their numbers) sharing coaching resources and training venues, Camberley on Wednesday and Chobham on Friday, matches are played Sundays.

Come along and join us! School yr 10 & 11, we welcome new players at every session

ELECI⚡SERVE

E+M

Proud Sponsors of

Eleciserve E+M are privately owned electrical & mechanical contractors based in Camberley. We operate across a vast degree of sectors, from high end hotels / residential and offices to distribution and HS2 works - with over 100 engineers in house and growing Eleciserve E+M can accommodate on all projects for Electrical and Mechanical across all sectors.

We have seen a huge growth in demand for our services throughout the last few years, we believe this is down to our hands on approach and utilising our own staff in house which gives us more control on the quality of the projects we deliver.

Eleciserve also offers a turnkey design and build service, again with our own in house design team - this allows us to turn design requirements & client led changes around very quickly. We are very forward thinking with the utilisation of 3D BIM software and collaborative workspace communication software.

Whilst we continue to grow, Eleciserve remains a family based and orientated company at heart - we constantly re-invest in our team and take pride in our investment in the local community.

We look forward to meeting the supporters and sharing a beer (or 2) in the clubhouse.
