A WARM WELCOME FROM THE MANAGER

Good Afternoon,

A very warm welcome to the New Croft for today's game, particularly to the players, staff and supporters of Downham Town. It's great to be playing competitive football again with supporters back in attendance following a very challenging 6 months for everyone both inside and outside of football. There has been a lot of work put in to ensure we're ready both on and off the pitch for the new season and I'd like to thank everyone for their commitment and support so that we can hold today's game.

Since our last game in March the team has gone through a transitional period with a number of arrivals and departures, although we've been able to retain the majority of the squad into the new season including James Young who had a fantastic 2019/20 campaign. Tom Thulborn and Ryan Phillips have left for Lakenheath, with Rhys Shulver moving across the New Croft to Rovers. We wish all 3 the best at their new clubs. I'm delighted to welcome Ronnie Ledwith, Ewan Young and Coby Game to the club. All 3 have performed well over pre-season and will add great presence and quality on the pitch.

We come into the today's fixture following a busy pre-season where we've played teams both higher and lower than us in the non-league pyramid. With the focus on performance over results there have been some encouraging displays and an understanding of where we can improve in order to start the season strongly. The fixture list could have been kinder, with our first 3 games against teams who will be vying for promotion. However it will give us a good benchmark of where we stand for the games ahead of us this season.

I hope you all stay safe and enjoy today's game.

Up the Blues!

MEET THE PLAYERS

James Young (GK)

James is an excellent young goalkeeper who featured in Marc Abbotts Haverhill Rovers side at the tender age of sixteen. Became a Borough player as part of a swap deal with Robert Friel heading to Rovers at the beginning of December. James is an excellent shot stopper and is equally as good at dealing with crosses, at 18 years of age James has a very bright future in the game.

Alex Martin (CB)

Alex is a former Soham Town Rangers player who is extremely versatile and can play in a variety of positions and can be a real threat from set pieces.

Arron Carter (LB)

Joined from Daventry Town Res in Northamptonshire. Arron is a versatile player who is comfortable at either right or left back, he possesses excellent leadership skills and is excellent in 1v1 situations.

Dan Gleeson (CB)

Dan is a name that needs no introduction, his playing career includes spells at Luton, Stevenage and Cambridge United and has joined this season in a player/coach role.

Ryan Swallow (CM)

Midfield playmaker played a vital role in the club's promotion in 2016/2017 scoring 20 goals and numerous assists. Will be looking to build on those achievements this season.

Rory Bone (CM)

Tough tackling left back who can also put a shift in upfront if needed. Popular with the fans and team-mates alike, Rory previously played for Coggeshall and White Notley.

Ryan Kent (RM)

Scored the first goal in the New Croft for Haverhill Rovers, veteran 'Kenty' still has pace to burn, and now uses his experience to set up goals from the right.

Michael King (M)

Michael is one of the more experienced players in our squad where he made a name for himself at step 3 with Hitchin Town, following his successful time at Hitchin Michael secured a move to Cambridge City. After a season at City "Kingy" returned to Hitchin before moving to Biggleswade. Michael is an all action midfield player with an eye for goal and an industrious work rate.
