SEASON 2023/24

Redditch United enjoyed one of our best seasons in 2022/3 with the team achieving joint 7th place in a very competitive league with some excellent results along the way, notably against some of our local rivals. We reached the final of the Worcestershire Senior Cup and enjoyed success in the Birmingham Senior cup beating League clubs, Burton Albion and Birmingham City along the way to a memorable quarter final clash v West Bromwich Albion.

Our Academy and junior section continue to flourish, our work in the local community has seen us forge links with many more local schools and we've developed our partnership onsite with The Heart of Birmingham Vocational College working with them to educate local children, the Special Educational Needs & Disability (SEND) programme has gone from strength to strength increasing in numbers and just as importantly giving the participants skills and development that will stand them in good stead for life.

"We seek new partners to the football club as we prepare for the 2023/4 season, as a football club intrinsically linked to the community we serve, we are looking for long term partners who share our values and work hand in hand with us for a mutually beneficial partnership. We have an incredibly proactive off the field team with years of experience to drive reciprocal business and a mutually beneficial long-term relationship.

Up the Reds!

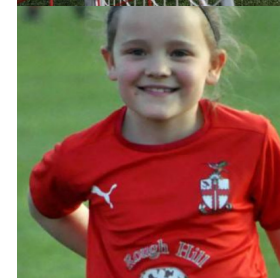

David Faulkner, Chairman
