PLAY SAFE

English football unites this weekend to promote Play Safe – the countrywide nationwide campaign to focus attention of the vital importance of safeguarding across our national game.

The Play Safe campaign is endorsed by the NSPCC and will be supported this weekend across every level of English football, including the Premier League, EFL, Barclays Women's Super League, Barclays Women's Championship, National League and across the grassroots game.

This year's Play Safe campaign focuses on the safeguarding role that everyone can play – coaches, players, parents/carers, spectators or volunteers – to keep children and young people safe, no matter what the football setting.

Today, along with other clubs we will make the pledge:

"Listen to players' views and work with them on changes that can be made."

"Support our players and ensure they are able to play in a safe and supportive environment."

"Support the weekend by wearing pin badges, armbands and via our social channels."

MANAGERS REPORT

LOIS DANIELS

WELCOME BACK - fans, families, friends and BWFC players and staff.

A warm welcome to our visitors today, Solihull, who are travelling to play us in the first round of the FA WNL Plate.

To those of you who are joining us for the first time this season, welcome to Houghton Main, where we are playing today due to the Sheffield Eagles playing at the Olympic Legacy Park.

Reflecting on last week's performance against Middlesbrough, I thought on another day we would've come away with all 3 points, we just couldn't find the net. We dominated the game both with and without the ball, had several chances, but that's football! We will continue to build and get better each week, building from the training pitch into our performances to take each game as it comes and put us in a healthy position in all competitions. I thought last week our back line were exceptional, with some outstanding performances all over the pitch. 4 clean sheets in the league, and 13 out of 15 points, but more importantly 5 solid team performances.

Today we host Solihull in the plate, and we look to build on previous performances and be clinical in front of goal, building on our fantastic fluid possession we had last week. Next week, we are back to league action where we host Norton and Stockton, back at the Olympic Legacy Park, we hope to see you there.

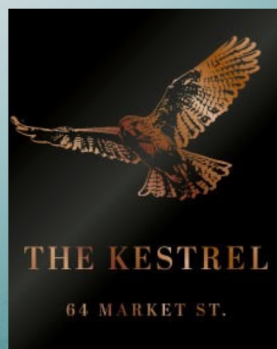

I would like to pass my sincerest thanks on behalf of myself, my staff and all of the girls, to Steve, Paul, and the rest of the board.

Come on you reds!

Thank you for all your support, enjoy the game.

#UReds #Together

Best wishes,
Lo
