Goole Town Junior C. C. Constitution

Goole Town Junior Cricket Club Fund Raising Committee

The club as a whole is run by a management committee (Goole Town Cricket Club Senior Committee) whose members are appointed by election at the Annual General Meeting in November each year. As the junior section we are a committee made up of volunteers and are generally parents of the players.

The Junior Committee as it is known today was established in April 2006, and has continued to follow the same format of volunteers making the body of the committee.

AIMS

The junior committee meets periodically (usually every four to six weeks in season, the meeting arrangements can vary outside of season) to plan the activities, requirements and needs of the junior club.

The Committee's responsibilities are to ensure that the junior club is run in line with its constitution in compliance with Goole Town Cricket Clubs codes of conduct. It maintains the constitution and codes of conducts to ensure that club works within the rules set by the sports leagues that it may be affiliated to and to the rule of English law. The Committee runs the club so that it has sufficient funds and resources to maintain its activities and to meet the clubs objective.

The objective of the Club is to help and educate boys or girls (age 5 through to 18) within their leisure-time cricketing activity and support them both in training and games.

The committee intends to raise vital funds for use solely for the purpose of the club and it's playing junior members.
