

The Bar Manager is responsible for this emergency plan and will ensure that all employees understand it and follow it. All new employees will be informed about this plan and told where it will be kept.

A current copy of this plan is kept behind the bar.

Evacuations

Whenever the alarm sounds, the entire clubhouse will evacuate by designated routes to predetermined assembly areas. When possible, a full evacuation drill covering all employees will be held once a month.

During an evacuation, entry to the facility will not be permitted until an "all clear" has sounded.

The decision to re-enter is made by the Emergency Coordinator or if in attendance the Emergency Services.

Emergency escape procedures and evacuation routes

In an emergency, employees will leave the affected work area immediately by the emergency routes posted in their work areas unless the route is blocked when an alternative route should be found.

All primary emergency escape routes and designated meeting locations must be approved by the committee.

An orderly evacuation will be supervised by the bar manager (or deputy) who in conjunction with bar staff (or volunteers) will check all rooms and report any problems to Bar Manager (or deputy).

The bar staff on the day are responsible for the safe evacuation of disabled employees.

Accounting for employees after an evacuation

After all staff & visitors have evacuated and arrived at their designated meeting place, the bar staff members will take a head count. The bar staff members will account for any missing employees/visitors. The names and possible locations for all unaccounted people will be given to the bar manager and the emergency services.

The known location and condition of any injured people and will be reported to bar manager and the emergency services.

Assembly Points (Meeting Locations)

- 1. In Car Park next to far wall under the assembly point sign
- 2. On the Cricket Field
