How did you end up at TRFC?

Paul Neville made me do it!

Who or what encouraged you to end up volunteering for the club?

Seriously, my son Conal loves rugby and Paul Neville recommended TRFC, and suggested you stay warmer if you help out.

Highlight of this season so far?

Starting to see some of the kids develop their skills so that they are ready to play tag matches

If you could speak anyone to start volunteering, how would you encourage them to do so?

Its great fun. Really rewarding. Great thing to do if you are in to the sport.

How did you end up at TRFC?

My children started playing and I was encouraged to join in from the sidelines!

Who or what encouraged you to end up volunteering for the club?

I saw how much my kids got out of it and thought it was a very worthwhile pastime. Also a little gently encouragement from Marcelle!

Highlight of this season so far?

Seeing what great, enthusiastic, turnouts we have for the under 6's. Even though it can get very cold and wet on a Sunday morning!

What do you get out of volunteering? If you could speak anyone to start volunteering, how would you encourage them to do so?

I enjoy helping the children develop the confidence, friendships, physical ability, all the things that I got from playing rugby when I was younger.

I think there are some parents and carers who would like to join in and help. I would say come over and speak to one of the volunteer coaches... We are always pleased to have as much help as possible when we have 25 plus 5 and 6 year olds running around!
